FAIRNESS INDEX

## Springfield scores 79 on the Fairness Index for all state aid and 45 for discretionary money. Fifty is a fair share.

ALL STATE AID

**79** / 100

3rd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 83 | 74 | 76 | 83 |

Rank 3rd under every weighting tested.

Stable high: above 55 under every weighting

Springfield received more than its share of state aid on all four measures; its blended score of 79 stays between 77 and 82 under every weighting tested.

DISCRETIONARY MONEY ONLY

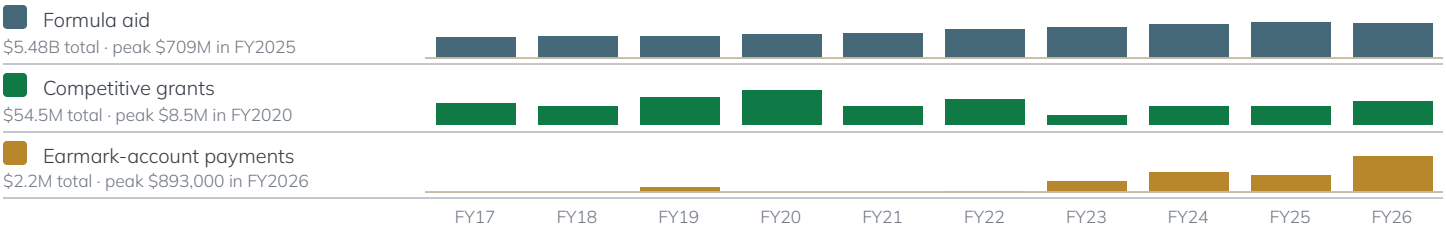
**45** / 100

209th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 47 | 35 | 49 | 48 |

Rank under other weightings: 197th to 223rd.

Weighting-dependent: the range crosses the 45–55 band



Springfield received less than its share of discretionary money on all four measures; its blended score of 45 stays between 42 and 47 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Springfield's town government and school districts received $5.48 billion in formula aid and $54.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$5.48B** | **$54.5M** | **$2.2M** |
| $35,424 per resident (2nd of 351) · gross | $352 per resident (187th of 351) | $14.48 per resident (232nd of 351) |

**Competitive grants to Springfield were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $281 million, are not shown.

EARMARKS

## Springfield received $1.2 million in local earmarks to its government, $27.5 million placed in the city or town and $27.7 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.2M** | **$27.5M** | **$27.7M** | **No** |

Clauses that name Springfield but fund a state facility or a MassHealth rate add-on, $125,000, count under everything placed only.

Everything placed, the third measure, adds $175,000 in two clauses for state facilities located in Springfield (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

### ROADS: WHO MAINTAINS WHAT

Of 505.9 miles of public road in Springfield, the state maintains 12.3 (2%); local government and others maintain the rest.

| Jurisdiction | Miles | Share |
|---|---|---|
| MassDOT | 12.3 | 2% |
| Town-accepted | 444.3 | 88% |
| Unaccepted public ways | 41.0 | 8% |

### STATE FACILITIES IN TOWN THAT RECEIVED EARMARKS

| Year | Amount | Enacted budget text (excerpt) |
|---|---|---|
| FY2020 | $50,000 | “the Springfield Technical Community college assistance corporation established by section 125 of chapter 273 of the acts of 1994” |
| FY2017 | $125,000 | “the establishment of the University of Massachusetts at Amherst Center for the Study of Racial Justice and Urban Affairs, in Springfield” |

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

### WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Springfield $656 million and takes back $125 million in assessments and charges, a net $531 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |

### STATE MONEY TO OTHERS IN SPRINGFIELD

## State programs also awarded $14 million to organizations in Springfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Springfield. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 63.0% of Springfield's general-fund spending in FY2025, up from 58.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **58.8%** | **59.8%** | **63.0%** | **51.3%** |
| $286M of $486M · median town 14.1% | $367M of $614M · median town 12.2% | $580M of $920M · median town 11.5% | FY2010: 53.0% · median town 10.0% |

**Springfield's state aid kept pace with both price measures: FY2025 aid was 30.8% above its FY2006 aid grown by Boston-area consumer prices and 16.3% above grown by the government price index.**

Gross state aid went from $286 million in FY2006 to $580 million in FY2025, +102.9% in dollars. Flag: in FY2010, $16.6 million of Springfield's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+32.7%** | **+72.8%** | **5 of 9** | **2 of 9** |
| $62.4M to $82.8M · all towns +54.0% | $108M to $187M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Springfield's health insurance would have been $77.9 million in FY2025; it was $82.8 million, $4.91 million above the path. Its fixed costs would have been $135 million in FY2025; it was $187 million, $52 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Springfield's government came to $1.1 million, 5.6% of the $20.4 million rise in its health insurance.

**Cost after approval.** Of the 15 projects closed with a final audit, the final cost was $194 million against an approved budget of $218 million (under by $23.9 million); the local share moved from $83.9 million to $75.4 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Springfield has $12.2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and 14 high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Springfield came on average 23 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Springfield owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

EXPECTED AND ACTUAL

## Springfield received $99.1 million in earmarks placed in the city or town and competitive grants over ten years, 69% of the $143 million its size, need and institutions predict.

PEERS

## Springfield ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $27.5 million in earmarks placed in Springfield, $26.3 million (96%) went to organizations rather than to Springfield's government.

STATE MONEY, FY2017–FY2026

## Sterling's town government and school districts received $66.1 million in formula aid and $1.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $66.1M | $1.2M | $287,000 |
| $8,083 per resident (251st of 351) · gross | $141 per resident (298th of 351) | $35.06 per resident (129th of 351) |

**Competitive grants to Sterling peaked in FY2024 at $361,000, 31% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.4 million, are not shown.

EARMARKS

## Sterling received $290,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $290,000 | $290,000 | $290,000 | No |

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Sterling $1.1 million and takes back $73,000 in assessments and charges, a net $1 million.

STATE MONEY TO OTHERS IN STERLING

## State programs also awarded $628,000 to organizations in Sterling other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sterling. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Sterling and Francine Clark Art Institute nonprofit | MOTT Destination Development grants | $25,000 |

A further $603,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 3.4% of Sterling's general-fund spending in FY2025, down from 4.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.3%** | **8.2%** | **3.4%** | **3.1%** |
| $755,000 of $17.5M · median town 14.1% | $1.8M of $21.4M · median town 12.2% | $1M of $29.4M · median town 11.5% | FY2010: 9.0% · median town 10.0% |

Sterling's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sterling's state aid did not keep pace with either price measure: FY2025 aid was 14.1% below its FY2006 aid grown by Boston-area consumer prices and 23.7% below grown by the government price index.**

Gross state aid went from $755,000 in FY2006 to $1 million in FY2025, +33.2% in dollars. Flag: in FY2010, $1 million of Sterling's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sterling's health insurance would have been $1.32 million in FY2025; it was $1.43 million, $110,000 above the path. Its fixed costs would have been $2.21 million in FY2025; it was $3.18 million, $969,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sterling's government came to $215,000, 57.5% of the $374,000 rise in its health insurance.

Sterling has no school district of its own. Its pupils attend Wachusett and Montachusett; Sterling accounts for 14% and 4% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Sterling, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Sterling has $489,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

| one rated poor; about $467,000 of work on those, by planning estimates | the town owns no dams in the state inventory | bridges $0 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sterling came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN STOCKBRIDGE

## State programs also awarded $4.3 million to organizations in Stockbridge other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Stockbridge. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 1.8% of Stockbridge's general-fund spending in FY2025, down from 2.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **2.0%** | **1.8%** | **1.8%** | **1.4%** |
| $132,000 of $6.6M · median town 14.1% | $165,000 of $9.3M · median town 12.2% | $213,000 of $11.9M · median town 11.5% | FY2010: 0.7% · median town 10.0% |

Stockbridge's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $359,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Stockbridge's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 4.4% above its FY2006 aid grown by Boston-area consumer prices and 7.2% below grown by the government price index.**

Gross state aid went from $132,000 in FY2006 to $213,000 in FY2025, +61.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Stockbridge's health insurance would have been $639,000 in FY2025; it was $535,000, $104,000 below the path. Its fixed costs would have been $1.16 million in FY2025; it was $1.23 million, $70,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Stockbridge's government came to $0, 0.0% of the $24,000 rise in its health insurance.

Stockbridge has no school district of its own. Its pupils attend Berkshire Hills; Stockbridge accounts for 14% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

ROADS, BRIDGES AND DAMS

## Stockbridge has $998,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns three bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Stockbridge came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Stockbridge owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY TO OTHERS IN STONEHAM

## State programs also awarded $247,000 to organizations in Stoneham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Stoneham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Friends of the Fells nonprofit | MassTrails Grants | $50,000 (shared two ways) |
| FY2023 | Bike to the Sea nonprofit | MassTrails Grants | $13,000 (shared three ways) |
| FY2023 | Friends of the Middlesex Fells Reservation nonprofit | MassTrails Grants | $2,880 (shared five ways) |

A further $182,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 14.6% of Stoneham's general-fund spending in FY2025, down from 18.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **18.9%** | **14.3%** | **14.6%** | **9.7%** |
| $9.3M of $49.1M · median town 14.1% | $8.8M of $61.3M · median town 12.2% | $13.4M of $91.7M · median town 11.5% | FY2010: 14.7% · median town 10.0% |

Stoneham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $367,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Stoneham's state aid did not keep pace with either price measure: FY2025 aid was 7.2% below its FY2006 aid grown by Boston-area consumer prices and 17.5% below grown by the government price index.**

Gross state aid went from $9.3 million in FY2006 to $13.4 million in FY2025, +44.0% in dollars. Flag: in FY2010, $1.7 million of Stoneham's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+44.8%** | **+44.1%** | **6 of 9** | **6 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Stoneham's health insurance would have been $9.29 million in FY2025; it was $10.8 million, $1.48 million above the path. Its fixed costs would have been $17.2 million in FY2025; it was $19.8 million, $2.64 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Stoneham's government came to $1.1 million, 31.8% of the $3.34 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Stoneham came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN STOUGHTON

## State programs also awarded $88,000 to organizations in Stoughton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Stoughton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

Stoughton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Stoughton's state aid kept pace with both price measures: FY2025 aid was 65.3% above its FY2006 aid grown by Boston-area consumer prices and 47.0% above grown by the government price index.**

Gross state aid went from $12.9 million in FY2006 to $33.1 million in FY2025, +156.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+132.5%** | **+147.2%** | **6 of 9** | **6 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Stoughton's health insurance would have been $14.8 million in FY2025; it was $27.5 million, $12.7 million above the path. Its fixed costs would have been $17.6 million in FY2025; it was $34.8 million, $17.2 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2024 (+58%); health insurance changed by more than 30% in one year in FY2024 (+67%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Stoughton's government came to $661,000, 4.2% of the $15.7 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Stoughton has $2.6 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Stoughton came on average 36 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Stoughton received $13.2 million in earmarks placed in the city or town and competitive grants over ten years, 31% more than the $10.1 million its size, need and institutions predict.

PEERS

## Stoughton ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $1.2 million in earmarks placed in Stoughton, $415,000 (34%) went to organizations rather than to Stoughton's government.

STATE MONEY, FY2017–FY2026

## Stow's town government and school districts received $55.7 million in formula aid and $3.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$55.7M** | **$3.5M** | **$344,000** |
| $7,771 per resident (266th of 351) · gross | $488 per resident (141st of 351) | $48.06 per resident (82nd of 351) |

**Competitive grants to Stow peaked in FY2023 at $1 million, 29% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.4 million, are not shown.

EARMARKS

## Stow received $625,000 in local earmarks to its government, $645,000 placed in the city or town and $645,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Stow $598,000 and takes back $138,000 in assessments and charges, a net $460,000.

STATE MONEY TO OTHERS IN STOW

## State programs also awarded $1,050 to organizations in Stow other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Stow. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $1,050 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 1.5% of Stow's general-fund spending in FY2025, down from 2.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **2.5%** | **3.7%** | **1.5%** | **1.2%** |
| $454,000 of $18.3M · median town 14.1% | $969,000 of $26.2M · median town 12.2% | $565,000 of $37.1M · median town 11.5% | FY2010: 4.1% · median town 10.0% |

Stow's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Stow's state aid did not keep pace with either price measure: FY2025 aid was 19.9% below its FY2006 aid grown by Boston-area consumer prices and 28.8% below grown by the government price index.**

Gross state aid went from $454,000 in FY2006 to $565,000 in FY2025, +24.2% in dollars. Flag: in FY2010, $543,000 of Stow's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Stow's health insurance would have been $888,000 in FY2025; it was $1.17 million, $286,000 above the path. Its fixed costs would have been $2.06 million in FY2025; it was $2.80 million, $737,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2024 (+30%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

**Cost after approval.** After approval, the Board added money to grants for one project serving Stow; Stow's share of the additions, by enrollment where a school is regional, was $5.1 million, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Stow has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Stow came on average 20 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Stow owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

EXPECTED AND ACTUAL

## Stow received $4.4 million in earmarks placed in the city or town and competitive grants over ten years, 49% more than the $3 million its size, need and institutions predict.

PEERS

## Stow ranks 3rd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $645,000 in earmarks placed in Stow, $20,000 (3%) went to organizations rather than to Stow's government.

STATE MONEY, FY2017–FY2026

## Sturbridge's town government and school districts received $135 million in formula aid and $1.6 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $135M | $1.6M | $292,000 |
| $13,598 per resident (104th of 351) · gross | $158 per resident (277th of 351) | $29.34 per resident (150th of 351) |

**Competitive grants to Sturbridge peaked in FY2026 at $330,000, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $22.7 million, are not shown.

EARMARKS

## Sturbridge received $385,000 in local earmarks to its government, $560,000 placed in the city or town and $560,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN STURBRIDGE

## State programs also awarded $254,000 to organizations in Sturbridge other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sturbridge. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 15.3% of Sturbridge's general-fund spending in FY2025, up from 9.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 9.9% | 15.0% | 15.3% | 13.7% |
| $2M of $20M · median town 14.1% | $4.4M of $29.6M · median town 12.2% | $6.6M of $43M · median town 11.5% | FY2010: 11.9% · median town 10.0% |

Sturbridge's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $5.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sturbridge's state aid kept pace with both price measures: FY2025 aid was 114.2% above its FY2006 aid grown by Boston-area consumer prices and 90.4% above grown by the government price index.**

Gross state aid went from $2 million in FY2006 to $6.6 million in FY2025, +232.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sturbridge's health insurance would have been $1.71 million in FY2025; it was $2.08 million, $366,000 above the path. Its fixed costs would have been $3.58 million in FY2025; it was $5.05 million, $1.47 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sturbridge's government came to $360,000, 50.9% of the $707,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Sturbridge has $4 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sturbridge came on average 94 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Sturbridge owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.

Sturbridge owns three high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

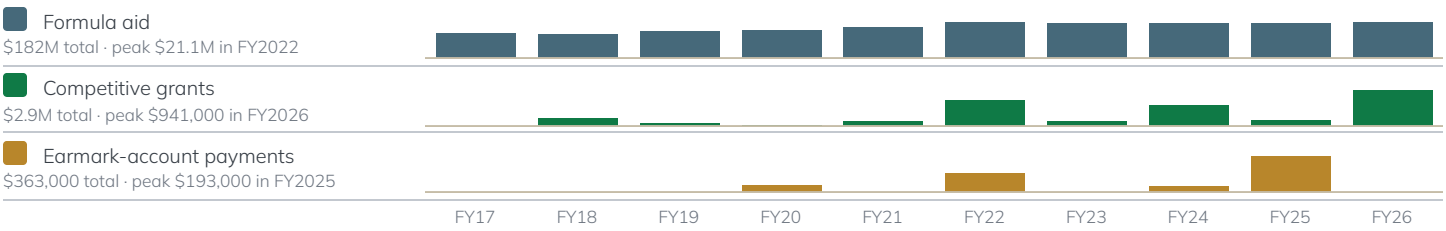
Rank under other weightings: 268th to 302nd.

Stable low: below 45 under every weighting



Sudbury received less than its share of discretionary money on all four measures; its blended score of 27 stays between 22 and 31 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Sudbury's town government and school districts received $182 million in formula aid and $2.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$182M** | **$2.9M** | **$363,000** |
| $9,414 per resident (199th of 351) · gross | $150 per resident (290th of 351) | $18.83 per resident (209th of 351) |

**Competitive grants to Sudbury peaked in FY2026 at $941,000, 32% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $9.8 million, are not shown.

EARMARKS

## Sudbury received $534,000 in local earmarks to its government, $914,000 placed in the city or town and $914,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$534,000** | **$914,000** | **$914,000** | **No** |

STATE MONEY TO OTHERS IN SUDBURY

## State programs also awarded $475,000 to organizations in Sudbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sudbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2021 | Mass Audubon nonprofit | CZM Coastal Resilience Grant | $46,000 |
| FY2020 | Mayflower Council, Inc., and Boy Scouts of America nonprofit | MassTrails Grants | $10,000 |

A further $419,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.3% of Sudbury's general-fund spending in FY2025, down from 11.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.3%** | **8.4%** | **6.3%** | **6.1%** |
| $8.5M of $74.9M · median town 14.1% | $7.5M of $89.4M · median town 12.2% | $7.8M of $123M · median town 11.5% | FY2010: 8.7% · median town 10.0% |

Sudbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sudbury's state aid did not keep pace with either price measure: FY2025 aid was 41.0% below its FY2006 aid grown by Boston-area consumer prices and 47.6% below grown by the government price index.**

Gross state aid went from $8.5 million in FY2006 to $7.8 million in FY2025, –8.5% in dollars. Flag: in FY2010, $1.7 million of Sudbury's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+42.0%** | **+59.9%** | **6 of 9** | **5 of 9** |
| $4.4M to $6.2M · all towns +54.0% | $10.1M to $16.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sudbury's health insurance would have been $5.46 million in FY2025; it was $6.20 million, $746,000 above the path. Its fixed costs would have been $12.6 million in FY2025; it was $16.1 million, $3.53 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sudbury's government came to $534,000, 29.2% of the $1.83 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Sudbury has $1.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sudbury came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Sudbury owns three high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

Sunderland received more than its share of discretionary money on two of four measures; its blended score of 52 stays between 50 and 55 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Sunderland's town government and school districts received $34.3 million in formula aid and $1.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $34.3M | $1.5M | $284,000 |
| $9,413 per resident (200th of 351) · gross | $417 per resident (161st of 351) | $78.04 per resident (36th of 351) |

**Competitive grants to Sunderland peaked in FY2022 at $508,000, 33% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.7 million, are not shown.

EARMARKS

## Sunderland received $143,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $143,000 | $143,000 | $143,000 | No |

STATE MONEY TO OTHERS IN SUNDERLAND

## State programs also awarded $1.9 million to organizations in Sunderland other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sunderland. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2019 | Kestrel Land Trust nonprofit | MassTrails Grants | $10,000 (shared five ways) |
| FY2021 | Kestrel Land Trust nonprofit | MassTrails Grants | $7,450 (shared two ways) |

A further $1.9 million in 13 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 19.1% of Sunderland's general-fund spending in FY2025, down from 32.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **32.9%** | **25.4%** | **19.1%** | **16.9%** |
| $2.2M of $6.6M · median town 14.1% | $1.8M of $7.1M · median town 12.2% | $2.1M of $11M · median town 11.5% | FY2010: 22.3% · median town 10.0% |

Sunderland's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $812,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sunderland's state aid did not keep pace with either price measure: FY2025 aid was 37.5% below its FY2006 aid grown by Boston-area consumer prices and 44.4% below grown by the government price index.**

Gross state aid went from $2.2 million in FY2006 to $2.1 million in FY2025, –3.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+216.6%** | **+135.7%** | **8 of 9** | **6 of 9** |
| $174,000 to $550,000 · all towns +54.0% | $526,000 to $1.2M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sunderland's health insurance would have been $217,000 in FY2025; it was $550,000, $333,000 above the path. Its fixed costs would have been $657,000 in FY2025; it was $1.24 million, $583,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2017 (+37%), FY2018 (+36%) and FY2023 (+33%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sunderland's government came to $143,000, 38.1% of the $376,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

ROADS, BRIDGES AND DAMS

## Sunderland has $413,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sunderland came on average 29 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Sunderland owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EARMARKS

## Sutton received $730,000 in local earmarks to its government, $1 million placed in the city or town and $1 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$730,000** | **$1M** | **$1M** | **No** |

STATE MONEY TO OTHERS IN SUTTON

## State programs also awarded $35,000 to organizations in Sutton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sutton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

|---|---|---|---|
| FY2023 | Central MA Regional Planning Commission - Grafton regional body | Community Compact Efficiency & Regionalization Grant | $18,000 (shared six ways) |

A further $17,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 18.5% of Sutton's general-fund spending in FY2025, down from 32.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **32.1%** | **21.5%** | **18.5%** | **17.5%** |
| $7.2M of $22.3M · median town 14.1% | $6.5M of $30.2M · median town 12.2% | $7.5M of $40.6M · median town 11.5% | FY2010: 21.0% · median town 10.0% |

Sutton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $367,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sutton's state aid did not keep pace with either price measure: FY2025 aid was 32.5% below its FY2006 aid grown by Boston-area consumer prices and 40.0% below grown by the government price index.**

Gross state aid went from $7.2 million in FY2006 to $7.5 million in FY2025, +4.7% in dollars. Flag: in FY2010, $1.1 million of Sutton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+43.4%** | **+67.9%** | **6 of 9** | **4 of 9** |
| $2.4M to $3.5M · all towns +54.0% | $3.6M to $6.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sutton's health insurance would have been $3.06 million in FY2025; it was $3.51 million, $453,000 above the path. Its fixed costs would have been $4.52 million in FY2025; it was $6.08 million, $1.56 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sutton's government came to $730,000, 68.7% of the $1.06 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sutton came on average 19 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Sutton received $9 million in earmarks placed in the city or town and competitive grants over ten years, 2.0 times the $4.4 million its size, need and institutions predict.

PEERS

## Sutton ranks 3rd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $1 million in earmarks placed in Sutton, $282,000 (28%) went to organizations rather than to Sutton's government.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Swampscott $8 million and takes back $1.4 million in assessments and charges, a net $6.6 million.

COSTS AND THE 2½% LIMIT

## State aid covered 10.1% of Swampscott's general-fund spending in FY2025, up from 9.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.4%** | **8.1%** | **10.1%** | **7.5%** |
| $3.8M of $40.9M · median town 14.1% | $4.5M of $55.4M · median town 12.2% | $7.3M of $72.4M · median town 11.5% | FY2010: 6.6% · median town 10.0% |

Swampscott's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $96,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Swampscott's state aid kept pace with both price measures: FY2025 aid was 22.7% above its FY2006 aid grown by Boston-area consumer prices and 9.1% above grown by the government price index.**

Gross state aid went from $3.8 million in FY2006 to $7.3 million in FY2025, +90.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

| **+44.6%** | **+42.3%** | **7 of 9** | **6 of 9** |
| $4.9M to $7.1M · all towns +54.0% | $10.3M to $14.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Swampscott's health insurance would have been $6.16 million in FY2025; it was $7.13 million, $973,000 above the path. Its fixed costs would have been $12.9 million in FY2025; it was $14.7 million, $1.80 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Swampscott's government came to $475,000, 21.6% of the $2.20 million rise in its health insurance.

Swampscott runs its own school district and also belongs to Essex North Shore; Swampscott accounts for 1% of that district's foundation budget.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $39.8 million for schools serving Swampscott, FY2017 to August 2026.

**Cost after approval.** After approval, the Board added money to grants for one project serving Swampscott; Swampscott's share of the additions, by enrollment where a school is regional, was $7.2 million, $5.4 million of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Swampscott's share of the final cost was $15,000 against its share of the approved budget of $22,000 (under by $8,000); the local share moved from $13,000 to $9,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Swampscott has $421,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Swampscott came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN SWANSEA

## State programs also awarded $442,000 to organizations in Swansea other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Swansea. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2021 | SRPEDD nonprofit | Community Compact Efficiency & Regionalization Grant | $3,028 (shared 26 ways) |

A further $439,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 24.0% of Swansea's general-fund spending in FY2025, the same share as in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **24.0%** | **23.1%** | **24.0%** | **22.2%** |
| $6.7M of $27.7M · median town 14.1% | $9.1M of $39.5M · median town 12.2% | $13.7M of $57M · median town 11.5% | FY2010: 21.1% · median town 10.0% |

Swansea's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Swansea's state aid kept pace with both price measures: FY2025 aid was 32.6% above its FY2006 aid grown by Boston-area consumer prices and 17.8% above grown by the government price index.**

Gross state aid went from $6.7 million in FY2006 to $13.7 million in FY2025, +105.6% in dollars. Flag: in FY2010, $295,000 of Swansea's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

| $5M to $7.3M · all towns +54.0% | $7.7M to $11.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Swansea's health insurance would have been $6.26 million in FY2025; it was $7.28 million, $1.01 million above the path. Its fixed costs would have been $9.65 million in FY2025; it was $11.6 million, $1.95 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Swansea's government came to $1.1 million, 50.8% of the $2.26 million rise in its health insurance.

| FY2017 | Elizabeth S. Brown Elementary School | Swansea | Accelerated Repair (Window/Door) | $789,000 | $789,000 |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Swansea; Swansea's share of the additions, by enrollment where a school is regional, was $2.4 million, $2.4 million of it in the FY2024 supplemental grants for cost escalation. Of the two projects closed with a final audit, Swansea's share of the final cost was $7.1 million against its share of the approved budget of $7.2 million (under by $50,000); the local share moved from $3.5 million to $3.7 million. Approved budgets include contingency.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Swansea came on average 33 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

**Taunton's town government and school districts received $1.08 billion in formula aid and $9 million in competitive grants over ten years.**

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$1.08B** | **$9M** | **$3.1M** |
| $17,881 per resident (43rd of 351) · gross | $149 per resident (291st of 351) | $52.03 per resident (76th of 351) |

**Competitive grants to Taunton peaked in FY2020 at $1.9 million, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $39 million, are not shown.

## EARMARKS

**Taunton received $2 million in local earmarks to its government, $5.7 million placed in the city or town and $6.5 million counting everything placed, in ten enacted budgets.**

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$2M** | **$5.7M** | **$6.5M** | **No** |
| $33.09 per resident (146th of 351) | $94.17 per resident (75th of 351) · 65% to organizations | $107 per resident (67th of 351) · 57% to organizations | 35 municipalities had none |

Placed in the city or town: 45 clauses in ten of ten budgets; the most recent in FY2026. $2 million went to Taunton's government, its schools or municipal projects; the other $3.7 million went to organizations in Taunton or named with it, some of which serve a wider area.

Clauses that name Taunton but fund a state facility or a MassHealth rate add-on, $760,000, count under everything placed only.

Everything placed, the third measure, adds $760,000 in three clauses for state facilities located in Taunton (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN TAUNTON

## State programs also awarded $4.2 million to organizations in Taunton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Taunton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Southern Regional Planning & Economic Development (SRPEDD) regional body | Gaming Commission Community Mitigation Fund | $235,000 |

A further $2.1 million in 8 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 39.4% of Taunton's general-fund spending in FY2025, up from 35.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **35.3%** | **36.1%** | **39.4%** | **37.2%** |
| $54.6M of $155M · median town 14.1% | $64.3M of $178M · median town 12.2% | $108M of $274M · median town 11.5% | FY2010: 35.1% · median town 10.0% |

Taunton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $8.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Taunton's state aid kept pace with both price measures: FY2025 aid was 27.2% above its FY2006 aid grown by Boston-area consumer prices and 13.1% above grown by the government price index.**

Gross state aid went from $54.6 million in FY2006 to $108 million in FY2025, +97.3% in dollars. Flag: in FY2010, $3.1 million of Taunton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+24.9%** | **+32.6%** | **3 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Taunton's health insurance would have been $35.3 million in FY2025; it was $35.3 million, $7,628 below the path. Its fixed costs would have been $57.7 million in FY2025; it was $61.2 million, $3.54 million above the path.

| FY2018 | James L. Mulcahey Elementary School | Taunton | Core | $42.3M | $42.3M |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Taunton; Taunton's share of the additions, by enrollment where a school is regional, was $7.3 million, $7.3 million of it in the FY2024 supplemental grants for cost escalation. Of the four projects closed with a final audit, Taunton's share of the final cost was $70 million against its share of the approved budget of $82.2 million (under by $12.2 million); the local share moved from $29.3 million to $21.4 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Taunton has $1.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Taunton came on average 28 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Taunton owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

EXPECTED AND ACTUAL

## Taunton received $16.4 million in earmarks placed in the city or town and competitive grants over ten years, 64% of the $25.6 million its size, need and institutions predict.

PEERS

## Taunton ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $5.7 million in earmarks placed in Taunton, $3.7 million (65%) went to organizations rather than to Taunton's government.

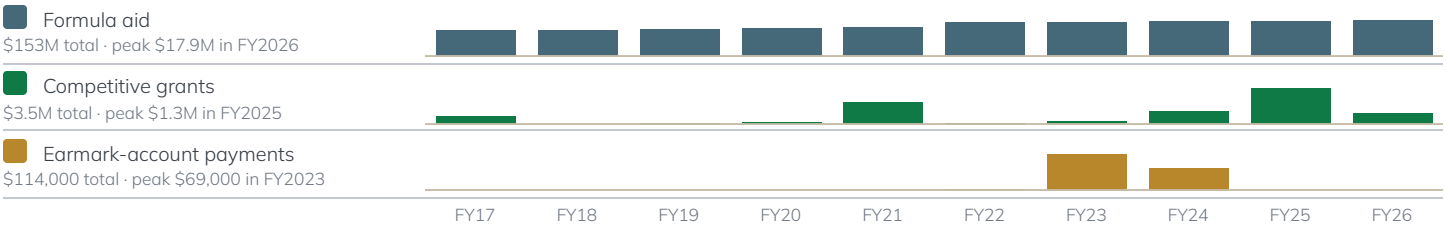
Rank under other weightings: 153rd to 178th.

Weighting-dependent: the range crosses the 45–55 band



Templeton received more than its share of discretionary money on three of four measures; its blended score of 56 stays between 53 and 58 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Templeton's town government and school districts received $153 million in formula aid and $3.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$153M** | **$3.5M** | **$114,000** |
| $18,577 per resident (41st of 351) · gross | $420 per resident (160th of 351) | $13.77 per resident (236th of 351) |

**Competitive grants to Templeton peaked in FY2025 at $1.3 million, 37% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.3 million, are not shown.

EARMARKS

## Templeton received $225,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN TEMPLETON

## State programs also awarded $771,000 to organizations in Templeton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Templeton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Coldbrook Snowmobile Club nonprofit | MassTrails Grants | $11,000 (shared three ways) |
| FY2022 | Coldbrook Snowmobile Club nonprofit | MassTrails Grants | $10,000 |

A further $750,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 9.9% of Templeton's general-fund spending in FY2025, down from 14.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **14.1%** | **11.5%** | **9.9%** | **9.6%** |
| $1.4M of $9.8M · median town 14.1% | $1.5M of $13.2M · median town 12.2% | $2M of $20.4M · median town 11.5% | FY2010: 12.0% · median town 10.0% |

Templeton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $12.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Templeton's state aid did not keep pace with either price measure: FY2025 aid was 5.7% below its FY2006 aid grown by Boston-area consumer prices and 16.2% below grown by the government price index.**

Gross state aid went from $1.4 million in FY2006 to $2 million in FY2025, +46.2% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Templeton's health insurance would have been $1.32 million in FY2025; it was $1.21 million, $109,000 below the path. Its fixed costs would have been $2.39 million in FY2025; it was $2.93 million, $547,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Templeton's government came to $225,000, 145.6% of the $155,000 rise in its health insurance.

Templeton has no school district of its own. Its pupils attend Templeton, Narragansett and Montachusett; Templeton accounts for 100%, 85% and 6% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Templeton came on average 17 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Templeton owns two poor bridges of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

STATE MONEY TO OTHERS IN TEWKSBURY

## State programs also awarded $26,000 to organizations in Tewksbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Tewksbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Tewksbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Tewksbury's state aid did not keep pace with either price measure: FY2025 aid was 27.1% below its FY2006 aid grown by Boston-area consumer prices and 35.2% below grown by the government price index.**

Gross state aid went from $16.4 million in FY2006 to $18.5 million in FY2025, +13.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Tewksbury's health insurance would have been $19.7 million in FY2025; it was $22.9 million, $3.18 million above the path. Its fixed costs would have been $29 million in FY2025; it was $36.1 million, $7.08 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Tewksbury's government came to $1.6 million, 22.1% of the $7.11 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

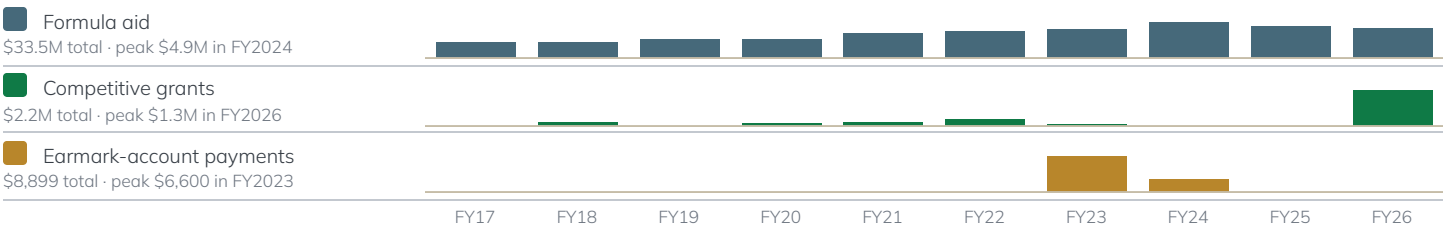
Rank under other weightings: 179th to 210th.

Weighting-dependent: the range crosses the 45–55 band



Tisbury received less than its share of discretionary money on two of four measures; its blended score of 48 stays between 43 and 53 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Tisbury's town government and school districts received $33.5 million in formula aid and $2.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $33.5M | $2.2M | $8,899 |
| $6,847 per resident (297th of 351) · gross | $443 per resident (153rd of 351) | $1.82 per resident (315th of 351) |

**Competitive grants to Tisbury peaked in FY2026 at $1.3 million, 61% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $19.1 million, are not shown.

EARMARKS

## No local earmark was placed in Tisbury in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN TISBURY

## State programs also awarded $689,000 to organizations in Tisbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Tisbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2027 | Martha's Vineyard Commission regional body | Municipal Vulnerability Preparedness (MVP) Action Grant | $387,000 |
| FY2021 | Martha's Vineyard Film Society nonprofit | Cultural Facilities Fund | $200,000 |
| FY2024 | Martha's Vineyard Film Society nonprofit | Cultural Facilities Fund | $39,000 |
| FY2024 | Martha's Vineyard Museum nonprofit | Cultural Facilities Fund | $8,500 |
| FY2021 | Martha's Vineyard Film Society nonprofit | Cultural Facilities Fund | $7,000 |
| FY2019 | Martha's Vineyard Commission regional body | Community Compact Efficiency & Regionalization Grant | $5,000 (shared seven ways) |

A further $42,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 4.8% of Tisbury's general-fund spending in FY2025, down from 5.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **5.4%** | **3.9%** | **4.8%** | **0.5%** |
| $908,000 of $16.8M · median town 14.1% | $953,000 of $24.4M · median town 12.2% | $2M of $42M · median town 11.5% | FY2010: -1.2% · median town 10.0% |

Tisbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $861,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Tisbury's state aid kept pace with both price measures: FY2025 aid was 42.8% above its FY2006 aid grown by Boston-area consumer prices and 26.9% above grown by the government price index.**

Gross state aid went from $908,000 in FY2006 to $2 million in FY2025, +121.5% in dollars. Flag: in FY2010, $180,000 of Tisbury's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+38.7%** | **+51.1%** | **6 of 9** | **4 of 9** |
| $2.4M to $3.3M · all towns +54.0% | $3.9M to $5.9M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Tisbury's health insurance would have been $2.96 million in FY2025; it was $3.28 million, $326,000 above the path. Its fixed costs would have been $4.86 million in FY2025; it was $5.88 million, $1.02 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Tisbury's government came to $0, 0.0% of the $915,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Tisbury came on average 71 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

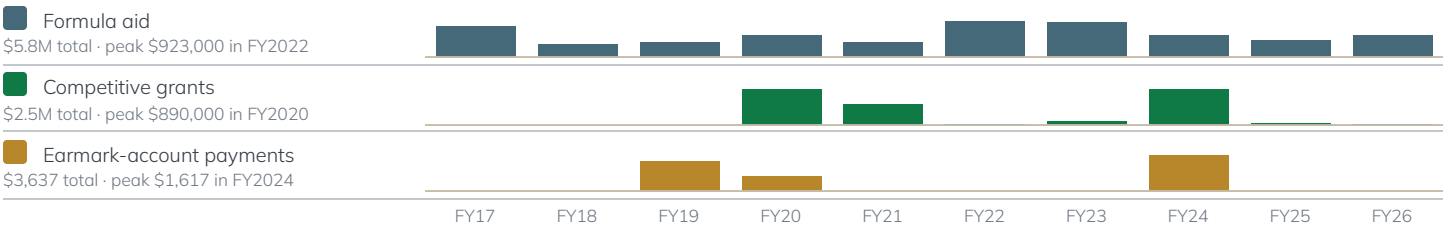
Stable high: above 55 under every weighting



Tolland received more than its share of discretionary money on all four measures; its blended score of 94 stays between 92 and 96 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Tolland's town government and school districts received $5.8 million in formula aid and $2.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $5.8M | $2.5M | $3,637 |
| $10,826 per resident (153rd of 351) · gross | $4,602 per resident (17th of 351) | $6.74 per resident (275th of 351) |

**Competitive grants to Tolland peaked in FY2020 at $890,000, 36% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 540 residents, a single payment moves Tolland's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $445,000, are not shown.

## EARMARKS

### Tolland received $6,111 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN TOLLAND

## State programs also awarded $29,000 to organizations in Tolland other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Tolland. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

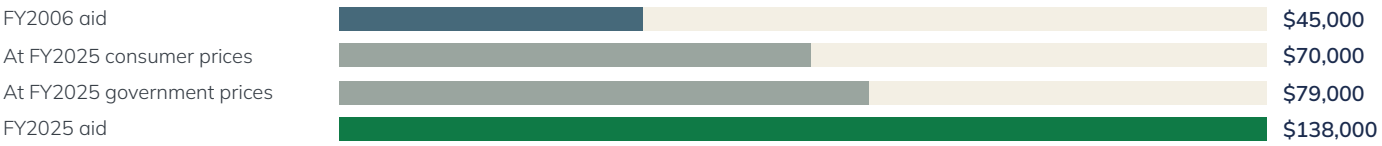
COSTS AND THE 2½% LIMIT



## State aid covered 5.8% of Tolland's general-fund spending in FY2025, down from 5.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **5.9%** | **5.5%** | **5.8%** | **5.7%** |
| $45,000 of $764,000 · median town 14.1% | $83,000 of $1.5M · median town 12.2% | $138,000 of $2.4M · median town 11.5% | FY2010: 12.5% · median town 10.0% |

Tolland's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $175,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Tolland's state aid kept pace with both price measures: FY2025 aid was 97.0% above its FY2006 aid grown by Boston-area consumer prices and 75.1% above grown by the government price index.**

Gross state aid went from $45,000 in FY2006 to $138,000 in FY2025, +205.5% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+23.8%** | **+47.8%** | **6 of 9** | **5 of 9** |
| $42,000 to $51,000 · all towns +54.0% | $150,000 to $222,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Tolland's health insurance would have been $52,000 in FY2025; it was $51,000, $442 below the path. Its fixed costs would have been $187,000 in FY2025; it was $222,000, $34,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2020 (+34%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Tolland's government came to $6,111, 61.8% of the $9,889 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

SCHOOLS

## Tolland's required school contribution is 1.1% of median household income, the ninth-lowest of 351.

| | |
|---|---|
| Chapter 70 aid, FY2026<br>**$132,000**<br>attributed to the town | Required local contribution<br>**$264,000**<br>FY2026 |
| Share of household income<br>**1.1%**<br>343rd of 351 (1 = highest) | Real aid per pupil, FY2017–26<br>**+21%**<br>after inflation |

Tolland has no school district of its own. Its pupils attend Southwick Tolland; Tolland accounts for 2% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide. Tolland had 21 resident pupils in FY2026, so per-pupil changes swing from year to year.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Tolland, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Tolland has $792,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Tolland came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN TOPSFIELD

## State programs also awarded $100,000 to organizations in Topsfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Topsfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 7.2% of Topsfield's general-fund spending in FY2025, down from 11.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

Topsfield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Topsfield's state aid did not keep pace with either price measure: FY2025 aid was 17.4% below its FY2006 aid grown by Boston-area consumer prices and 26.5% below grown by the government price index.**

Gross state aid went from $2 million in FY2006 to $2.6 million in FY2025, +28.2% in dollars. Flag: in FY2010, $430,000 of Topsfield's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| $1.6M to $2.3M · all towns +54.0% | $3M to $4.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Topsfield's health insurance would have been $1.94 million in FY2025; it was $2.33 million, $389,000 above the path. Its fixed costs would have been $3.78 million in FY2025; it was $4.72 million, $945,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Topsfield's government came to $295,000, 38.0% of the $776,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Topsfield came on average 17 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Topsfield owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.

## FAIRNESS INDEX

### Townsend scores 54 on the Fairness Index for all state aid and 40 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**54** / 100

91st of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 58 | 54 | 54 | 50 |

Rank under other weightings: 80th to 110th.

Weighting-dependent: the range crosses the 45–55 band

Townsend received more than its share of state aid on all four measures; its blended score of 54 stays between 53 and 55 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

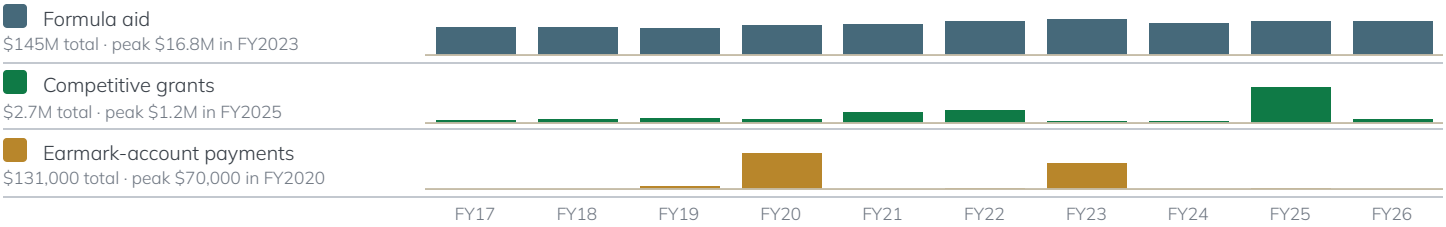
**40** / 100

228th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 42 | 39 | 44 | 35 |

Rank under other weightings: 211th to 237th.

Stable low: below 45 under every weighting



Townsend received less than its share of discretionary money on all four measures; its blended score of 40 stays between 38 and 42 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Townsend's town government and school districts received $145 million in formula aid and $2.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$145M** | **$2.7M** | **$131,000** |
| $15,988 per resident (61st of 351) · gross | $300 per resident (210th of 351) | $14.39 per resident (233rd of 351) |

**Competitive grants to Townsend peaked in FY2025 at $1.2 million, 43% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $5.6 million, are not shown.

## EARMARKS

### Townsend received $172,000 in local earmarks to its government, $267,000 placed in the city or town and $267,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN TOWNSEND

## State programs also awarded $641,000 to organizations in Townsend other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Townsend. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $641,000 in 7 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 7.6% of Townsend's general-fund spending in FY2025, down from 9.8% in FY2006.

Townsend's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $10.2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Townsend's state aid did not keep pace with either price measure: FY2025 aid was 4.1% below its FY2006 aid grown by Boston-area consumer prices and 14.8% below grown by the government price index.**

Gross state aid went from $1.4 million in FY2006 to $2.1 million in FY2025, +48.7% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+15.8%** | **+33.0%** | **6 of 9** | **4 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Townsend's health insurance would have been $1.19 million in FY2025; it was $1.10 million, $87,000 below the path. Its fixed costs would have been $2.35 million in FY2025; it was $2.51 million, $152,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Townsend's government came to $142,000, 94.5% of the $150,000 rise in its health insurance.

## SCHOOLS

### Townsend's required school contribution is 2.3% of median household income, 269th highest of 351.

Townsend has no school district of its own. Its pupils attend North Middlesex and Nashoba Valley; Townsend accounts for 38% and 15% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

### The Massachusetts School Building Authority approved grants of up to $2.8 million for schools serving Townsend, FY2017 to August 2026.

**Cost after approval.** Of the one project closed with a final audit, Townsend's share of the final cost was $507,000 against its share of the approved budget of $538,000 (under by $31,000); the local share moved from $300,000 to $287,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Townsend has $464,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Townsend came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Townsend received $3.1 million in earmarks placed in the city or town and competitive grants over ten years, 46% of the $6.8 million its size, need and institutions predict.

PEERS

## Townsend ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $267,000 in earmarks placed in Townsend, $95,000 (36%) went to organizations rather than to Townsend's government.

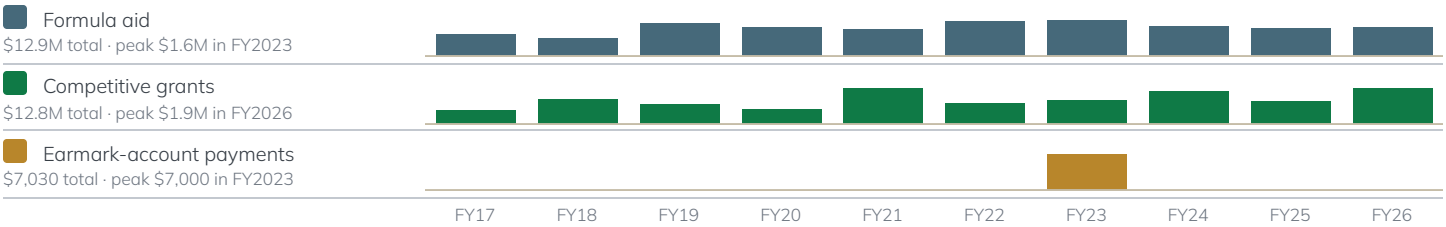
Rank under other weightings: 4th to 12th.

Stable high: above 55 under every weighting



Truro received more than its share of discretionary money on all four measures; its blended score of 98 stays between 96 and 98 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Truro's town government and school districts received $12.9 million in formula aid and $12.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$12.9M** | **$12.8M** | **$7,030** |
| $7,537 per resident (274th of 351) · gross | $7,483 per resident (7th of 351) | $4.12 per resident (298th of 351) |

**Competitive grants to Truro were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $15.5 million, are not shown.

## EARMARKS

### Truro received $37,000 in local earmarks to its government, $222,000 placed in the city or town and $222,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN TRURO

## State programs also awarded $1.6 million to organizations in Truro other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Truro. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 2.5% of Truro's general-fund spending in FY2025, down from 4.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.4%** | **2.7%** | **2.5%** | **0.0%** |
| $514,000 of $11.7M · median town 14.1% | $455,000 of $17M · median town 12.2% | $666,000 of $26.9M · median town 11.5% | FY2010: 1.9% · median town 10.0% |

Truro's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $46,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Truro's state aid did not keep pace with either price measure: FY2025 aid was 16.5% below its FY2006 aid grown by Boston-area consumer prices and 25.8% below grown by the government price index.**

Gross state aid went from $514,000 in FY2006 to $666,000 in FY2025, +29.5% in dollars. Flag: in FY2010, $179,000 of Truro's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+49.3%** | **+61.4%** | **4 of 9** | **5 of 9** |
| $1.2M to $1.8M · all towns +54.0% | $2.3M to $3.8M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Truro's health insurance would have been $1.49 million in FY2025; it was $1.78 million, $291,000 above the path. Its fixed costs would have been $2.91 million in FY2025; it was $3.76 million, $850,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Truro's government came to $37,000, 6.3% of the $589,000 rise in its health insurance.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $559,000 for schools serving Truro, FY2017 to August 2026.

**Cost after approval.** After approval, the Board added money to grants for one project serving Truro; Truro's share of the additions, by enrollment where a school is regional, was $62,000. Of the one project closed with a final audit, Truro's share of the final cost was $1.4 million against its share of the approved budget of $1.5 million (under by $142,000); the local share moved from $999,000 to $821,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Truro has $1.7 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Truro came on average 42 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Truro received $13.1 million in earmarks placed in the city or town and competitive grants over ten years, 51% more than the $8.7 million its size, need and institutions predict.

PEERS

## Truro ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $222,000 in earmarks placed in Truro, $185,000 (83%) went to organizations rather than to Truro's government.

## STATE MONEY, FY2017–FY2026

### Tyngsborough's town government and school districts received $127 million in formula aid and $9.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $127M | $9.5M | $615,000 |
| $10,115 per resident (174th of 351) · gross | $758 per resident (103rd of 351) | $49.04 per resident (81st of 351) |

**Competitive grants to Tyngsborough peaked in FY2020 at $3.2 million, 34% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $13.4 million, are not shown.

## EARMARKS

### Tyngsborough received $555,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN TYNGSBOROUGH

## State programs also awarded $56,000 to organizations in Tyngsborough other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Tyngsborough. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 18.2% of Tyngsborough's general-fund spending in FY2025, down from 31.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **31.7%** | **23.9%** | **18.2%** | **14.5%** |

Tyngsborough's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $679,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Tyngsborough's state aid did not keep pace with either price measure: FY2025 aid was 28.9% below its FY2006 aid grown by Boston-area consumer prices and 36.8% below grown by the government price index.**

Gross state aid went from $8.8 million in FY2006 to $9.7 million in FY2025, +10.2% in dollars. Flag: in FY2010, $877,000 of Tyngsborough's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Tyngsborough's health insurance would have been $3.94 million in FY2025; it was $4.19 million, $250,000 above the path. Its fixed costs would have been $6.51 million in FY2025; it was $8.35 million, $1.84 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Tyngsborough's government came to $430,000, 41.6% of the $1.03 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Tyngsborough has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Tyngsborough came on average 23 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Tyringham's town government and school districts received $2.2 million in formula aid and $42,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $2.2M | $42,000 | $0 |
| $4,388 per resident (349th of 351) · gross | $85.59 per resident (334th of 351) | $0 per resident (339th of 351) |

**Competitive grants to Tyringham peaked in FY2022 at $30,000, 71% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 494 residents, a single payment moves Tyringham's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $121,000, are not shown.

## EARMARKS

### No local earmark was placed in Tyringham in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN TYRINGHAM

## State programs also awarded $251,000 to organizations in Tyringham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Tyringham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |

| FY2020 | Department of Conservation and Recreation state agency | MassTrails Grants | $813 (shared 16 ways) |
| FY2022 | Department of Conservation and Recreation state agency | MassTrails Grants | $722 (shared 18 ways) |

A further $250,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.0% of Tyringham's general-fund spending in FY2025, up from 4.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

**Tyringham's state aid kept pace with both price measures: FY2025 aid was 39.3% above its FY2006 aid grown by Boston-area consumer prices and 23.8% above grown by the government price index.**

Gross state aid went from $49,000 in FY2006 to $107,000 in FY2025, +116.0% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Tyringham's health insurance would have been $121,000 in FY2025; it was $118,000, $2,719 below the path. Its fixed costs would have been $245,000 in FY2025; it was $255,000, $9,924 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2018 (+43%) and FY2019 (–34%); health insurance changed by more than 30% in one year in FY2023 (+38%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Tyringham's government came to $0, 0.0% of the $21,000 rise in its health insurance.

## FAIRNESS INDEX

### Upton scores 56 on the Fairness Index for all state aid and 72 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**56** / 100

66th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 55 | 70 | 50 | 50 |

Rank under other weightings: 46th to 97th.

Weighting-dependent: the range crosses the 45–55 band

Upton received more than its share of state aid on all four measures; its blended score of 56 stays between 53 and 60 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

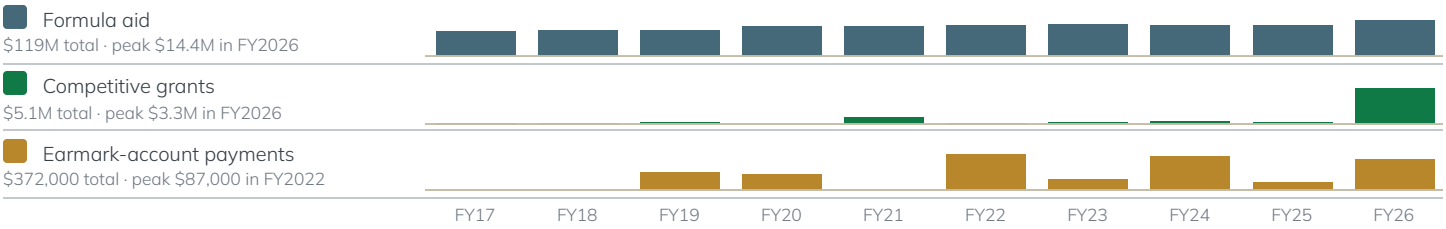
**72** / 100

106th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 70 | 81 | 74 | 65 |

Rank under other weightings: 94th to 117th.

Stable high: above 55 under every weighting



Upton received more than its share of discretionary money on all four measures; its blended score of 72 stays between 69 and 75 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Upton's town government and school districts received $119 million in formula aid and $5.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$119M** | **$5.1M** | **$372,000** |
| $14,491 per resident (85th of 351) · gross | $622 per resident (120th of 351) | $45.45 per resident (88th of 351) |

**Competitive grants to Upton peaked in FY2026 at $3.3 million, 64% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.7 million, are not shown.

## EARMARKS

### Upton received $333,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN UPTON

## State programs also awarded $76,000 to organizations in Upton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Upton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $76,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 3.9% of Upton's general-fund spending in FY2025, down from 4.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.5%** | **3.5%** | **3.9%** | **3.7%** |
| $660,000 of $14.7M · median town 14.1% | $718,000 of $20.6M · median town 12.2% | $1.1M of $28.6M · median town 11.5% | FY2010: 3.9% · median town 10.0% |

Upton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $7.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Upton's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 10.1% above its FY2006 aid grown by Boston-area consumer prices and 2.1% below grown by the government price index.**

Gross state aid went from $660,000 in FY2006 to $1.1 million in FY2025, +70.8% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Upton's health insurance would have been $1.05 million in FY2025; it was $1.35 million, $303,000 above the path. Its fixed costs would have been $1.64 million in FY2025; it was $2.46 million, $826,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Upton's government came to $308,000, 60.3% of the $512,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Upton came on average 23 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Upton owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

Uxbridge received more than its share of discretionary money on all four measures; its blended score of 59 stays between 57 and 62 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Uxbridge's town government and school districts received $162 million in formula aid and $6.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$162M** | **$6.3M** | **$145,000** |
| $11,199 per resident (140th of 351) · gross | $436 per resident (156th of 351) | $10.00 per resident (259th of 351) |

**Competitive grants to Uxbridge peaked in FY2020 at $2.2 million, 34% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $11.9 million, are not shown.

EARMARKS

## Uxbridge received $225,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$225,000** | **$225,000** | **$225,000** | **No** |

| Unaccepted public ways | 4.6 | 4% |

### WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Uxbridge $13.2 million and takes back $1 million in assessments and charges, a net $12.2 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |

### COSTS AND THE 2½% LIMIT

## State aid covered 20.7% of Uxbridge's general-fund spending in FY2025, down from 40.8% in FY2006.

### STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **40.8%** | **28.8%** | **20.7%** | **19.1%** |
| $12.7M of $31.2M · median town 14.1% | $12.1M of $41.9M · median town 12.2% | $12.4M of $60.1M · median town 11.5% | FY2010: 31.3% · median town 10.0% |

Uxbridge's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $832,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Uxbridge's state aid did not keep pace with either price measure: FY2025 aid was 37.1% below its FY2006 aid grown by Boston-area consumer prices and 44.1% below grown by the government price index.**

Gross state aid went from $12.7 million in FY2006 to $12.4 million in FY2025, –2.5% in dollars. Flag: in FY2010, $903,000 of Uxbridge's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+40.7%** | **+55.0%** | **4 of 9** | **2 of 9** |
| $5M to $7.1M · all towns +54.0% | $7.2M to $11.2M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Uxbridge's health insurance would have been $6.30 million in FY2025; it was $7.10 million, $798,000 above the path. Its fixed costs would have been $9.01 million in FY2025; it was $11.2 million, $2.17 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Uxbridge's government came to $210,000, 10.2% of the $2.05 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Uxbridge came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN WAKEFIELD

## State programs also awarded $2,963 to organizations in Wakefield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wakefield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $2,963 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 12.0% of Wakefield's general-fund spending in FY2025, down from 18.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **18.0%** | **12.8%** | **12.0%** | **9.8%** |
| $9.7M of $53.9M · median town 14.1% | $9.9M of $77.9M · median town 12.2% | $13.8M of $115M · median town 11.5% | FY2010: 13.6% · median town 10.0% |

Wakefield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $457,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wakefield's state aid did not keep pace with either price measure: FY2025 aid was 7.8% below its FY2006 aid grown by Boston-area consumer prices and 18.1% below grown by the government price index.**

Gross state aid went from $9.7 million in FY2006 to $13.8 million in FY2025, +42.9% in dollars. Flag: in FY2010, $988,000 of Wakefield's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wakefield's health insurance would have been $13.7 million in FY2025; it was $13.4 million, $223,000 below the path. Its fixed costs would have been $20.3 million in FY2025; it was $22.2 million, $1.94 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wakefield's government came to $930,000, 37.2% of the $2.50 million rise in its health insurance.

| FY2020 | Greenwood School | Wakefield | Accelerated Repair (Roof) | $705,000 | $705,000 |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Wakefield; Wakefield's share of the additions, by enrollment where a school is regional, was $16.6 million, all of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Wakefield's share of the final cost was $1.2 million against its share of the approved budget of $1.7 million (under by $518,000); the local share moved from $970,000 to $618,000. Approved budgets include contingency.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wakefield came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN WALES

## State programs also awarded $3,958 to organizations in Wales other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wales. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 29.4% of Wales's general-fund spending in FY2025, up from 27.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **27.0%** | **27.5%** | **29.4%** | **25.9%** |
| $871,000 of $3.2M · median town 14.1% | $1.1M of $4.2M · median town 12.2% | $1.7M of $5.7M · median town 11.5% | FY2010: 25.3% · median town 10.0% |

Wales's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wales's state aid kept pace with both price measures: FY2025 aid was 24.7% above its FY2006 aid grown by Boston-area consumer prices and 10.8% above grown by the government price index.**

Gross state aid went from $871,000 in FY2006 to $1.7 million in FY2025, +93.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–5.9%** | **+57.4%** | **6 of 9** | **3 of 9** |
| $371,000 to $349,000 · all towns +54.0% | $491,000 to $773,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wales's health insurance would have been $463,000 in FY2025; it was $349,000, $114,000 below the path. Its fixed costs would have been $613,000 in FY2025; it was $773,000, $159,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (+33%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Wales's reported health insurance fell from $371,000 in FY2016 to $349,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Placed in the city or town | $112,000 | no increase | 41.2% |
| Everything placed | $112,000 | no increase | 45.2% |

SCHOOLS

## Wales's required school contribution is 2.1% of median household income, 297th highest of 351.

Wales runs its own district for some grades and belongs to Tantasqua for others; Wales accounts for 8% of that district's foundation budget.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $88,000 for schools serving Wales, FY2017 to August 2026.

| Approved, Wales's share | Projects | Statewide |
|---|---|---|
| **$88,000** | **1** | **$8.66B** |

|---|---|---|---|---|---|
| FY2019 | Tantasqua Regional Junior High School | Tantasqua | Accelerated Repair (Windows/Doors) | $1.1M | $88,000 (8%) |

**Cost after approval.** Of the one project closed with a final audit, Wales's share of the final cost was $135,000 against its share of the approved budget of $164,000 (under by $29,000); the local share moved from $75,000 to $61,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Wales has $441,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and three high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

| one rated poor; likely about $1.4M of work on those ($651,000 with short spans at the federal unit cost) | of three town-owned dams | bridges $0 · dams $0 · culverts $218,000 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wales came on average 32 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Wales owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

Wales owns three high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY, FY2017–FY2026

## Walpole's town government and school districts received $181 million in formula aid and $3.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$181M** | **$3.7M** | **$911,000** |
| $6,864 per resident (296th of 351) · gross | $139 per resident (299th of 351) | $34.54 per resident (132nd of 351) |

**Competitive grants to Walpole peaked in FY2020 at $1.2 million, 31% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $23.2 million, are not shown.

EARMARKS

## Walpole received $822,000 in local earmarks to its government, $847,000 placed in the city or town and $847,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WALPOLE

## State programs also awarded $648,000 to organizations in Walpole other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Walpole. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2020 | Neponset River Land Holding Association nonprofit | Dam and Seawall Repair or Removal Program | $176,000 |
| FY2019 | Neponset River Land Holding Association nonprofit | Dam and Seawall Repair or Removal Program | $172,000 |

A further $300,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.3% of Walpole's general-fund spending in FY2025, down from 14.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

| **14.0%** | **12.6%** | **11.3%** | **10.0%** |
| $8.2M of $58.5M · median town 14.1% | $10.3M of $82.1M · median town 12.2% | $13.9M of $123M · median town 11.5% | FY2010: 12.7% · median town 10.0% |

Walpole's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $523,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Walpole's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 9.6% above its FY2006 aid grown by Boston-area consumer prices and 2.6% below grown by the government price index.**

Gross state aid went from $8.2 million in FY2006 to $13.9 million in FY2025, +69.9% in dollars. Flag: in FY2010, $255,000 of Walpole's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

ROADS, BRIDGES AND DAMS

## Walpole has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and four high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Walpole came on average 20 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Walpole owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

Walpole owns four high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Walpole received $4.8 million in earmarks placed in the city or town and competitive grants over ten years, 57% of the $8.5 million its size, need and institutions predict.

PEERS

## Walpole ranks 8th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $847,000 in earmarks placed in Walpole, $25,000 (3%) went to organizations rather than to Walpole's government.

## STATE MONEY, FY2017–FY2026

### Waltham's town government and school districts received $399 million in formula aid and $6.6 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$399M** | **$6.6M** | **$257,000** |
| $6,149 per resident (331st of 351) · gross | $102 per resident (324th of 351) | $3.96 per resident (301st of 351) |

**Competitive grants to Waltham peaked in FY2026 at $4.9 million, 74% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $73.8 million, are not shown.

## EARMARKS

### Waltham received $656,000 in local earmarks to its government, $3.6 million placed in the city or town and $3.8 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$656,000** | **$3.6M** | **$3.8M** | **No** |

Placed in the city or town: 55 clauses in ten of ten budgets; the most recent in FY2026. $656,000 went to Waltham's government, its schools or municipal projects; the other $2.9 million went to organizations in Waltham or named with it, some of which serve a wider area.

Clauses that name Waltham but fund a state facility or a MassHealth rate add-on, $250,000, count under everything placed only.

Everything placed, the third measure, adds $250,000 in one clause for state facilities located in Waltham (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN WALTHAM

## State programs also awarded $1.3 million to organizations in Waltham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Waltham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2020 | Gore Place Society nonprofit | Cultural Facilities Fund | $200,000 |
| FY2016 | Gore Place Society nonprofit | Cultural Facilities Fund | $198,000 |
| FY2022 | Rose Art Museum nonprofit | Cultural Facilities Fund | $162,000 |
| FY2023 | Waltham Land Trust, Inc. nonprofit | MassTrails Grants | $55,000 |
| FY2019 | The Rose Art Museum nonprofit | Cultural Facilities Fund | $25,000 |
| FY2019 | Charles River Museum of Industry and Innovation nonprofit | Cultural Facilities Fund | $11,000 |

A further $641,000 in 6 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.3% of Waltham's general-fund spending in FY2025, the same share as in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.3%** | **8.6%** | **11.3%** | **10.6%** |
| $17.9M of $158M · median town 14.1% | $19.1M of $222M · median town 12.2% | $36.5M of $322M · median town 11.5% | FY2010: 8.9% · median town 10.0% |

**Waltham's state aid kept pace with both price measures: FY2025 aid was 31.3% above its FY2006 aid grown by Boston-area consumer prices and 16.7% above grown by the government price index.**

Gross state aid went from $17.9 million in FY2006 to $36.5 million in FY2025, +103.6% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+48.3%** | **+47.9%** | **3 of 9** | **3 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Waltham's health insurance would have been $62 million in FY2025; it was $73.6 million, $11.6 million above the path. Its fixed costs would have been $75.8 million in FY2025; it was $89.8 million, $13.9 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Waltham's government came to $656,000, 2.7% of the $24 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Waltham has $8.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Waltham came on average 46 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Waltham owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

STATE MONEY, FY2017–FY2026

## Ware's town government and school districts received $187 million in formula aid and $8.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $187M | $8.5M | $257,000 |
| $18,604 per resident (40th of 351) · gross | $846 per resident (89th of 351) | $25.58 per resident (172nd of 351) |

Competitive grants to Ware were spread across the decade; no year exceeded 20% of the total.

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $6.4 million, are not shown.

EARMARKS

## Ware received $45,000 in local earmarks to its government, $220,000 placed in the city or town and $225,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $45,000 | $220,000 | $225,000 | No |
| $4.48 per resident (290th of 351) | $21.89 per resident (268th of 351) · 80% to organizations | $22.39 per resident (269th of 351) · 78% to organizations | 35 municipalities had none |

Placed in the city or town: six clauses in four of ten budgets; the most recent in FY2026. $45,000 went to Ware's government, its schools or municipal projects; the other $175,000 went to organizations in Ware or named with it, some of which serve a wider area.

Clauses that name Ware but fund a state facility or a MassHealth rate add-on, $5,000, count under everything placed only.

Everything placed, the third measure, adds $5,000 in one clause for state facilities located in Ware (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Ware $17.7 million and takes back $1.6 million in assessments and charges, a net $16.1 million.

STATE MONEY TO OTHERS IN WARE

## State programs also awarded $1.4 million to organizations in Ware other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Ware. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $825,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 43.7% of Ware's general-fund spending in FY2025, down from 44.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **44.5%** | **42.2%** | **43.7%** | **40.1%** |
| $10.3M of $23.2M · median town 14.1% | $11.8M of $27.9M · median town 12.2% | $16.7M of $38.3M · median town 11.5% | FY2010: 36.7% · median town 10.0% |

Ware's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Ware's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 4.7% above its FY2006 aid grown by Boston-area consumer prices and 6.9% below grown by the government price index.**

Gross state aid went from $10.3 million in FY2006 to $16.7 million in FY2025, +62.4% in dollars. Flag: in FY2010, $1.2 million of Ware's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+24.5%** | **+39.7%** | **4 of 9** | **4 of 9** |
| $3.3M to $4.1M · all towns +54.0% | $5.4M to $7.5M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Ware's health insurance would have been $4.06 million in FY2025; it was $4.05 million, $12,000 below the path. Its fixed costs would have been $6.74 million in FY2025; it was $7.54 million, $799,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Ware's government came to $20,000, 2.5% of the $797,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** Of the two projects closed with a final audit, the final cost was $3.2 million against an approved budget of $4.2 million (under by $1 million); the local share moved from $1 million to $825,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Ware has $1.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns three bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Ware came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Ware owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

**Competitive grants to Wareham were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $24.1 million, are not shown.

EARMARKS

## Wareham received $298,000 in local earmarks to its government, $422,000 placed in the city or town and $422,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WAREHAM

## State programs also awarded $172,000 to organizations in Wareham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wareham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 25.2% of Wareham's general-fund spending in FY2025, down from 29.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **29.8%** | **26.4%** | **25.2%** | **17.0%** |
| $14.8M of $49.7M · median town 14.1% | $15.2M of $57.7M · median town 12.2% | $20.9M of $83M · median town 11.5% | FY2010: 27.1% · median town 10.0% |

Wareham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wareham's state aid did not keep pace with either price measure: FY2025 aid was 8.8% below its FY2006 aid grown by Boston-area consumer prices and 19.0% below grown by the government price index.**

Gross state aid went from $14.8 million in FY2006 to $20.9 million in FY2025, +41.4% in dollars. Flag: in FY2010, $1.2 million of Wareham's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+5.1%** | **+33.6%** | **3 of 9** | **2 of 9** |
| $7.7M to $8.1M · all towns +54.0% | $11.8M to $15.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wareham's health insurance would have been $9.67 million in FY2025; it was $8.13 million, $1.53 million below the path. Its fixed costs would have been $14.7 million in FY2025; it was $15.7 million, $1.03 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wareham's government came to $298,000, 75.2% of the $396,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Wareham has $2.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wareham came on average 13 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Warren's town government and school districts received $105 million in formula aid and $9.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $105M | $9.9M | $159,000 |
| $20,879 per resident (22nd of 351) · gross | $1,969 per resident (47th of 351) | $31.70 per resident (142nd of 351) |

**Competitive grants to Warren were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $6.3 million, are not shown.

## EARMARKS

### Warren received $55,000 in local earmarks in ten enacted budgets on all three measures.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Warren $1.3 million and takes back $23,000 in assessments and charges, a net $1.3 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |
|---|---|---|

| RMV Non-Renewal Surcharge | $15,000 |
| Regional Transit | $7,408 |

COSTS AND THE 2½% LIMIT

## State aid covered 10.4% of Warren's general-fund spending in FY2025, down from 17.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **17.1%** | **11.5%** | **10.4%** | **10.1%** |
| $1.1M of $6.7M · median town 14.1% | $942,000 of $8.2M · median town 12.2% | $1.2M of $11.9M · median town 11.5% | FY2010: 13.1% · median town 10.0% |

Warren's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $7.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Warren's state aid did not keep pace with either price measure: FY2025 aid was 30.4% below its FY2006 aid grown by Boston-area consumer prices and 38.2% below grown by the government price index.**

Gross state aid went from $1.1 million in FY2006 to $1.2 million in FY2025, +7.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+23.6%** | **+67.0%** | **7 of 9** | **4 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Warren's health insurance would have been $542,000 in FY2025; it was $536,000, $5,482 below the path. Its fixed costs would have been $1.03 million in FY2025; it was $1.38 million, $347,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Warren's government came to $55,000, 53.6% of the $103,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Warren has no school district of its own. Its pupils attend Warren, Quaboag and Pathfinder; Warren accounts for 100%, 60% and 8% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

**Cost after approval.** Of the one project closed with a final audit, Warren's share of the final cost was $567,000 against its share of the approved budget of $630,000 (under by $63,000); the local share moved from $199,000 to $189,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Warren has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Warren came on average 31 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Warren owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY, FY2017–FY2026

## Warwick's town government and school districts received $11.5 million in formula aid and $2.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$11.5M** | **$2.2M** | **$27,000** |
| $14,769 per resident (76th of 351) · gross | $2,887 per resident (35th of 351) | $34.72 per resident (131st of 351) |

**Competitive grants to Warwick peaked in FY2024 at $1.1 million, 48% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 776 residents, a single payment moves Warwick's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.9 million, are not shown.

EARMARKS

## Warwick received $50,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN WARWICK

## State programs also awarded $218,000 to organizations in Warwick other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Warwick. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

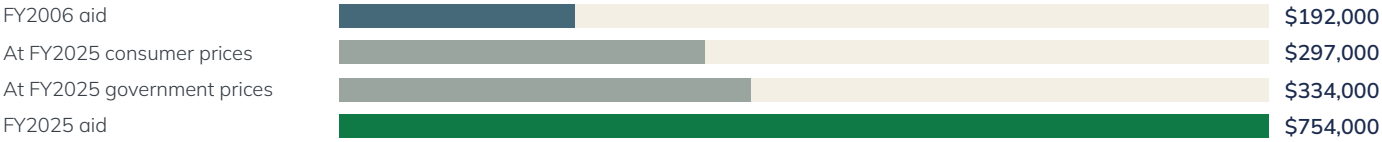
Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $5,687 (shared 26 ways) |
| FY2019 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $1,696 (shared 26 ways) |

A further $211,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 26.2% of Warwick's general-fund spending in FY2025, up from 11.6% in FY2006.



STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.6%** | **13.7%** | **26.2%** | **23.5%** |
| $192,000 of $1.7M · median town 14.1% | $239,000 of $1.7M · median town 12.2% | $754,000 of $2.9M · median town 11.5% | FY2010: 14.2% · median town 10.0% |

Warwick's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $32,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Warwick's state aid kept pace with both price measures: FY2025 aid was 153.7% above its FY2006 aid grown by Boston-area consumer prices and 125.5% above grown by the government price index.**

Gross state aid went from $192,000 in FY2006 to $754,000 in FY2025, +293.4% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+152.2%** | **+189.3%** | **6 of 9** | **7 of 9** |
| $44,000 to $111,000 · all towns +54.0% | $89,000 to $258,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Warwick's health insurance would have been $55,000 in FY2025; it was $111,000, $56,000 above the path. Its fixed costs would have been $111,000 in FY2025; it was $258,000, $146,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (+71%); health insurance changed by more than 30% in one year in FY2017 (+50%) and FY2024 (+38%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Warwick's government came to $50,000, 74.5% of the $67,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Warwick came on average 35 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Washington's town government and school districts received $8.2 million in formula aid and $3.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $8.2M | $3.7M | $52,000 |
| $15,534 per resident (67th of 351) · gross | $6,984 per resident (8th of 351) | $99.80 per resident (23rd of 351) |

**Competitive grants to Washington peaked in FY2018 at $785,000, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 526 residents, a single payment moves Washington's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.3 million, are not shown.

## EARMARKS

### Washington received $50,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN WASHINGTON

## State programs also awarded $137,000 to organizations in Washington other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Washington. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 13.2% of Washington's general-fund spending in FY2025, up from 12.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **12.4%** | **13.8%** | **13.2%** | **13.2%** |
| $139,000 of $1.1M · median town 14.1% | $205,000 of $1.5M · median town 12.2% | $284,000 of $2.1M · median town 11.5% | FY2010: 13.1% · median town 10.0% |

Washington's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $315,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Washington's state aid kept pace with both price measures: FY2025 aid was 31.9% above its FY2006 aid grown by Boston-area consumer prices and 17.2% above grown by the government price index.**

Gross state aid went from $139,000 in FY2006 to $284,000 in FY2025, +104.6% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+45.3%** | **+11.2%** | **4 of 9** | **4 of 9** |
| $32,000 to $46,000 · all towns +54.0% | $100,000 to $111,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Washington's health insurance would have been $40,000 in FY2025; it was $46,000, $6,504 above the path. Its fixed costs would have been $124,000 in FY2025; it was $111,000, $14,000 below the path.

Flag: health insurance changed by more than 30% in one year in FY2017 (+67%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Washington's government came to $50,000, 3.5 times the $14,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

SCHOOLS

## Washington's required school contribution is 2.6% of median household income, 185th highest of 351.

Washington has no school district of its own. Its pupils attend Washington and Central Berkshire; Washington accounts for 100% and 3% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

ROADS, BRIDGES AND DAMS

## Washington has $1.2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns four bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Washington came on average 36 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

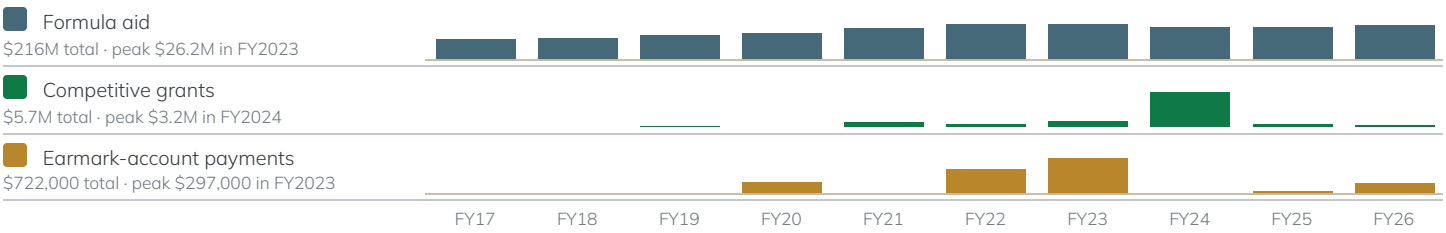
Rank under other weightings: 295th to 303rd.

Stable low: below 45 under every weighting



Watertown received less than its share of discretionary money on all four measures; its blended score of 24 stays between 22 and 25 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Watertown's town government and school districts received $216 million in formula aid and $5.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$216M** | **$5.7M** | **$722,000** |
| $6,072 per resident (333rd of 351) · gross | $161 per resident (274th of 351) | $20.31 per resident (201st of 351) |

**Competitive grants to Watertown peaked in FY2024 at $3.2 million, 57% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $27.7 million, are not shown.

## EARMARKS

### Watertown received $374,000 in local earmarks to its government, $1.2 million placed in the city or town and $1.4 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$374,000** | **$1.2M** | **$1.4M** | **No** |
| $10.51 per resident (269th of 351) | $34.77 per resident (219th of 351) · 70% to organizations | $39.70 per resident (206th of 351) · 61% to organizations | 35 municipalities had none |

Placed in the city or town: 19 clauses in nine of ten budgets; the most recent in FY2026. $374,000 went to Watertown's government, its schools or municipal projects; the other $862,000 went to organizations in Watertown or named with it, some of which serve a wider area.

Clauses that name Watertown but fund a state facility or a MassHealth rate add-on, $175,000, count under everything placed only.

Everything placed, the third measure, adds $175,000 in two clauses for state facilities located in Watertown (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE FACILITIES IN TOWN THAT RECEIVED EARMARKS

| Year | Amount | Enacted budget text (excerpt) |
|---|---|---|
| FY2024 | $125,000 | “a study of the Charles river, including, but not limited to, flooding mitigation impacts and fish passage improvements as it relates to potential…” |
| FY2022 | $50,000 | “the Massachusetts Department of Transportation to conduct a comprehensive traffic study on the impact of weekend or seasonal closures of Greenough…” |

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Watertown $17.9 million and takes back $3.3 million in assessments and charges, a net $14.6 million.

STATE MONEY TO OTHERS IN WATERTOWN

## State programs also awarded $564,000 to organizations in Watertown other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Watertown. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 9.6% of Watertown's general-fund spending in FY2025, down from 14.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **14.0%** | **10.0%** | **9.6%** | **7.8%** |
| $11.4M of $81.8M · median town 14.1% | $11.8M of $117M · median town 12.2% | $16.6M of $172M · median town 11.5% | FY2010: 9.4% · median town 10.0% |

**Watertown's state aid did not keep pace with either price measure: FY2025 aid was 6.3% below its FY2006 aid grown by Boston-area consumer prices and 16.7% below grown by the government price index.**

Gross state aid went from $11.4 million in FY2006 to $16.6 million in FY2025, +45.4% in dollars. Flag: in FY2010, $982,000 of Watertown's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+2.4%** | **−21.4%** | **3 of 9** | **2 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Watertown's health insurance would have been $14.8 million in FY2025; it was $12.2 million, $2.66 million below the path. Its fixed costs would have been $34.7 million in FY2025; it was $21.8 million, $12.9 million below the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Watertown's government came to $367,000, 126.6% of the $290,000 rise in its health insurance.

**Cost after approval.** After approval, the Board added $6.3 million to grants for one project serving Watertown, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Watertown has $7 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |
|---|---|---|
| **$10.1M** | **$2.1M** | **$7M** |
| $1.5M of it one-time supplements | to 16 October 2026 | annual program: 6.3 years of its yearly money · 3rd of 351 |

| **0** | **0** | **$0** |
| none rated poor | the town owns no dams in the state inventory | bridges $0 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Watertown came on average 75 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

| Year | Annual apportionment | One-time supplements | Reimbursed in the year (any year's money) | Year-end balance, FY2017-on money |

STATE MONEY TO OTHERS IN WAYLAND

## State programs also awarded $180,000 to organizations in Wayland other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wayland. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Gross state aid went from $4.6 million in FY2006 to $8.9 million in FY2025, +94.1% in dollars. Flag: in FY2010, $370,000 of Wayland's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+49.4%** | **+53.2%** | **5 of 9** | **5 of 9** |
| $6.6M to $9.8M · all towns +54.0% | $11.8M to $18.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wayland's health insurance would have been $8.23 million in FY2025; it was $9.84 million, $1.61 million above the path. Its fixed costs would have been $14.8 million in FY2025; it was $18.1 million, $3.35 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wayland's government came to $291,000, 8.9% of the $3.25 million rise in its health insurance.

**Cost after approval.** Of the one project closed with a final audit, the final cost was $1.9 million against an approved budget of $1.9 million (under by $14,000); the local share moved from $1.3 million to $1.3 million. Approved budgets include contingency.

## ROADS, BRIDGES AND DAMS

## Wayland has $2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wayland came on average 36 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Wayland received $6.7 million in earmarks placed in the city or town and competitive grants over ten years, 39% more than the $4.8 million its size, need and institutions predict.

PEERS

## Wayland ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $716,000 in earmarks placed in Wayland, $400,000 (56%) went to organizations rather than to Wayland's government.

## FAIRNESS INDEX

### Webster scores 56 on the Fairness Index for all state aid and 80 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**56** / 100

79th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 56 | 46 | 60 | 60 |

Rank under other weightings: 57th to 109th.

Weighting-dependent: the range crosses the 45–55 band

Webster received more than its share of state aid on three of four measures; its blended score of 56 stays between 53 and 58 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

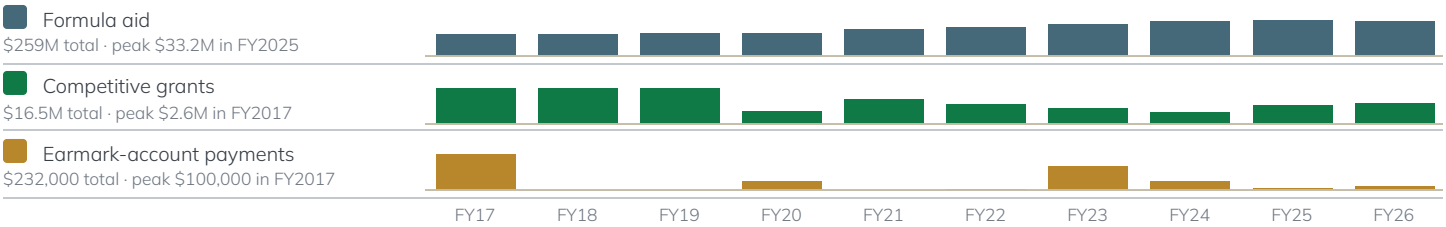
**80** / 100

81st of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 80 | 73 | 83 | 83 |

Rank under other weightings: 76th to 87th.

Stable high: above 55 under every weighting



Webster received more than its share of discretionary money on all four measures; its blended score of 80 stays between 78 and 82 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Webster's town government and school districts received $259 million in formula aid and $16.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$259M** | **$16.5M** | **$232,000** |
| $14,621 per resident (80th of 351) · gross | $927 per resident (82nd of 351) | $13.08 per resident (239th of 351) |

**Competitive grants to Webster were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $13.6 million, are not shown.

## EARMARKS

### Webster received $362,000 in local earmarks to its government, $492,000 placed in the city or town and $492,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

### COSTS AND THE 2½% LIMIT

## State aid covered 38.2% of Webster's general-fund spending in FY2025, down from 40.7% in FY2006.

### STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **40.7%** | **33.2%** | **38.2%** | **34.9%** |

Webster's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Webster's state aid kept pace with both price measures: FY2025 aid was 48.3% above its FY2006 aid grown by Boston-area consumer prices and 31.8% above grown by the government price index.**

Gross state aid went from $10.3 million in FY2006 to $23.6 million in FY2025, +130.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Webster's health insurance would have been $7.00 million in FY2025; it was $6.27 million, $728,000 below the path. Its fixed costs would have been $11.9 million in FY2025; it was $12.3 million, $430,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2020 (–38%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Webster's government came to $352,000, 52.9% of the $667,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Webster came on average 23 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Webster received $17 million in earmarks placed in the city or town and competitive grants over ten years, 70% more than the $9.9 million its size, need and institutions predict.

PEERS

## Webster ranks 9th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $492,000 in earmarks placed in Webster, $130,000 (26%) went to organizations rather than to Webster's government.

Wellesley received less than its share of discretionary money on all four measures; its blended score of 12 stays between 10 and 15 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Wellesley's town government and school districts received $189 million in formula aid and $1.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $189M | $1.4M | $1.3M |
| $6,221 per resident (329th of 351) · gross | $46.83 per resident (348th of 351) | $42.46 per resident (101st of 351) |

**Competitive grants to Wellesley peaked in FY2026 at $563,000, 40% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $16.5 million, are not shown.

EARMARKS

## Wellesley received $1.3 million in local earmarks to its government, $2.6 million placed in the city or town and $3 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $1.3M | $2.6M | $3M | No |
| $43.02 per resident (97th of 351) | $85.74 per resident (89th of 351) · 50% to organizations | $99.75 per resident (79th of 351) · 43% to organizations | 35 municipalities had none |

Placed in the city or town: 41 clauses in nine of ten budgets; the most recent in FY2026. $1.3 million went to Wellesley's government, its schools or municipal projects; the other $1.3 million went to organizations in Wellesley or named with it, some of which serve a wider area.

Clauses that name Wellesley but fund a state facility or a MassHealth rate add-on, $425,000, count under everything placed only.

Everything placed, the third measure, adds $425,000 in three clauses for state facilities located in Wellesley (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

ROADS: WHO MAINTAINS WHAT

Of 131.9 miles of public road in Wellesley, the state maintains 9.4 (7%); local government and others maintain the rest.

| Jurisdiction | Miles | Share |
|---|---|---|
| MassDOT | 9.2 | 7% |
| DCR | 0.2 | 0% |
| Town-accepted | 110.9 | 84% |

| FY2022 | $75,000 | “the historical restoration and refurbishment of the Stone Building in Hemlock Gorge Reservation in the town of Wellesley, including, but not limited…” |

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Wellesley $13.5 million and takes back $1.5 million in assessments and charges, a net $12 million.

STATE MONEY TO OTHERS IN WELLESLEY

## State programs also awarded $230,000 to organizations in Wellesley other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wellesley. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 6.1% of Wellesley's general-fund spending in FY2025, down from 7.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 7.3% | 6.3% | 6.1% | 5.4% |
| $6.4M of $86.9M · median town 14.1% | $9.3M of $146M · median town 12.2% | $12.1M of $197M · median town 11.5% | FY2010: 6.9% · median town 10.0% |

Wellesley's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $4,272 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wellesley's state aid kept pace with both price measures: FY2025 aid was 22.5% above its FY2006 aid grown by Boston-area consumer prices and 8.9% above grown by the government price index.**

Gross state aid went from $6.4 million in FY2006 to $12.1 million in FY2025, +89.9% in dollars. Flag: in FY2010, $622,000 of Wellesley's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +40.7% | +42.1% | 5 of 9 | 4 of 9 |
| $16.2M to $22.8M · all towns +54.0% | $23M to $32.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wellesley's health insurance would have been $20.2 million in FY2025; it was $22.8 million, $2.56 million above the path. Its fixed costs would have been $28.7 million in FY2025; it was $32.7 million, $3.96 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wellesley's government came to $1.2 million, 18.5% of the $6.59 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

ROADS, BRIDGES AND DAMS

## Wellesley has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wellesley came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Wellesley owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

STATE MONEY, FY2017–FY2026

## Wellfleet's town government and school districts received $18.3 million in formula aid and $15.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$18.3M** | **$15.7M** | **$73,000** |
| $4,162 per resident (351st of 351) · gross | $3,572 per resident (27th of 351) | $16.67 per resident (221st of 351) |

**Competitive grants to Wellfleet peaked in FY2026 at $9.5 million, 61% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $30 million, are not shown.

EARMARKS

## Wellfleet received $187,000 in local earmarks to its government, $262,000 placed in the city or town and $262,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WELLFLEET

## State programs also awarded $918,000 to organizations in Wellfleet other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wellfleet. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2018 | Wellfleet Preservation Hall nonprofit | Cultural Facilities Fund | $200,000 |
| FY2020 | Wellfleet Historical Society nonprofit | Cultural Facilities Fund | $200,000 |
| FY2025 | Wellfleet Historical Society nonprofit | Cultural Facilities Fund | $135,000 |
| FY2016 | Wellfleet Historical Society nonprofit | Cultural Facilities Fund | $100,000 |
| FY2016 | Wellfleet Harbor Actors Theater nonprofit | Cultural Facilities Fund | $50,000 |
| FY2018 | Wellfleet Preservation Hall nonprofit | Cultural Facilities Fund | $7,000 |

A further $226,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 1.3% of Wellfleet's general-fund spending in FY2025, down from 3.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **3.5%** | **1.5%** | **1.3%** | **-0.1%** |
| $462,000 of $13.3M · median town 14.1% | $268,000 of $18.1M · median town 12.2% | $439,000 of $33.6M · median town 11.5% | FY2010: 0.6% · median town 10.0% |

Wellfleet's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $474,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wellfleet's state aid did not keep pace with either price measure: FY2025 aid was 38.8% below its FY2006 aid grown by Boston-area consumer prices and 45.6% below grown by the government price index.**

Gross state aid went from $462,000 in FY2006 to $439,000 in FY2025, –5.1% in dollars. Flag: in FY2010, $205,000 of Wellfleet's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+72.0%** | **+57.1%** | **4 of 9** | **6 of 9** |
| $1.2M to $2M · all towns +54.0% | $2.8M to $4.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wellfleet's health insurance would have been $1.47 million in FY2025; it was $2.03 million, $556,000 above the path. Its fixed costs would have been $3.45 million in FY2025; it was $4.33 million, $889,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2024 (+39%); health insurance changed by more than 30% in one year in FY2024 (+53%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wellfleet's government came to $187,000, 22.0% of the $850,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Wellfleet runs its own district for some grades and belongs to Nauset and Cape Cod for others; Wellfleet accounts for 12% and 2% of their foundation budgets, in that order.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $6.3 million for schools serving Wellfleet, FY2017 to August 2026.

| FY2018 | Cape Cod Regional Technical High School | Cape Cod | Core | $42.5M | $745,000 (2%) |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Wellfleet; Wellfleet's share of the additions, by enrollment where a school is regional, was $1.1 million, $979,000 of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Wellfleet's share of the final cost was $2 million against its share of the approved budget of $2.2 million (under by $212,000); the local share moved from $1.5 million to $1.2 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Wellfleet has $2.7 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wellfleet came on average 67 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Wendell's town government and school districts received $20.9 million in formula aid and $5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$20.9M** | **$5M** | **$1,540** |
| $24,634 per resident (11th of 351) · gross | $5,863 per resident (13th of 351) | $1.81 per resident (316th of 351) |

**Competitive grants to Wendell peaked in FY2019 at $1 million, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 850 residents, a single payment moves Wendell's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.2 million, are not shown.

EARMARKS

## Wendell received $40,000 in local earmarks to its government, $90,000 placed in the city or town and $90,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$40,000** | **$90,000** | **$90,000** | **No** |

Placed in the city or town: three clauses in three of ten budgets; the most recent in FY2025. $40,000 went to Wendell's government, its schools or municipal projects; the other $50,000 went to organizations in Wendell or named with it, some of which serve a wider area.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Wendell $628,000 and takes back $5,425 in assessments and charges, a net $622,000.

| Sent: estimated receipts | Taken back: assessments and charges | Net |

STATE MONEY TO OTHERS IN WENDELL

## State programs also awarded $438,000 to organizations in Wendell other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wendell. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Friends of the Wendell Meetinghouse nonprofit | Cultural Facilities Fund | $50,000 |
| FY2019 | Kestrel Land Trust nonprofit | MassTrails Grants | $10,000 (shared five ways) |
| FY2023 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $5,687 (shared 26 ways) |
| FY2019 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $1,696 (shared 26 ways) |

A further $371,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 12.7% of Wendell's general-fund spending in FY2025, down from 26.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **26.0%** | **15.1%** | **12.7%** | **12.7%** |
| $461,000 of $1.8M · median town 14.1% | $348,000 of $2.3M · median town 12.2% | $563,000 of $4.4M · median town 11.5% | FY2010: 14.0% · median town 10.0% |

Wendell's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wendell's state aid did not keep pace with either price measure: FY2025 aid was 21.2% below its FY2006 aid grown by Boston-area consumer prices and 30.0% below grown by the government price index.**

Gross state aid went from $461,000 in FY2006 to $563,000 in FY2025, +22.2% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+57.9%** | **+2.2%** | **3 of 9** | **4 of 9** |
| $38,000 to $60,000 · all towns +54.0% | $146,000 to $149,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wendell's health insurance would have been $48,000 in FY2025; it was $60,000, $13,000 above the path. Its fixed costs would have been $182,000 in FY2025; it was $149,000, $33,000 below the path.

Flag: fixed costs changed by more than 30% in one year in FY2020 (–30%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wendell's government came to $40,000, 180.4% of the $22,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Wendell has no school district of its own. Its pupils attend New Salem-Wendell, Ralph C Mahar and Franklin County; Wendell accounts for 58%, 7% and 1% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $1.6 million for schools serving Wendell, FY2017 to August 2026.

| Approved, Wendell's share | Projects | Statewide |
|---|---|---|
| **$1.6M** | **2** | **$8.66B** |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wendell came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Wendell owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

EXPECTED AND ACTUAL

## Wendell received $5.1 million in earmarks placed in the city or town and competitive grants over ten years, 60% of the $8.5 million its size, need and institutions predict.

PEERS

## Wendell ranks 2nd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $90,000 in earmarks placed in Wendell, $50,000 (56%) went to organizations rather than to Wendell's government.

STATE MONEY, FY2017–FY2026

## Wenham's town government and school districts received $33.9 million in formula aid and $722,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $33.9M | $722,000 | $122,000 |
| $6,869 per resident (295th of 351) · gross | $147 per resident (293rd of 351) | $24.78 per resident (176th of 351) |

**Competitive grants to Wenham peaked in FY2019 at $186,000, 26% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.6 million, are not shown.

EARMARKS

## Wenham received $170,000 in local earmarks to its government, $341,000 placed in the city or town and $341,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WENHAM

## State programs also awarded $45,000 to organizations in Wenham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wenham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

|---|---|---|---|
| FY2026 | Wenham Historical Association & Museum nonprofit | Cultural Facilities Fund | $45,000 |

COSTS AND THE 2½% LIMIT

## State aid covered 2.5% of Wenham's general-fund spending in FY2025, down from 4.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.7%** | **2.7%** | **2.5%** | **1.8%** |
| $517,000 of $11M · median town 14.1% | $416,000 of $15.2M · median town 12.2% | $581,000 of $23.6M · median town 11.5% | FY2010: 2.0% · median town 10.0% |

Wenham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wenham's state aid did not keep pace with either price measure: FY2025 aid was 27.5% below its FY2006 aid grown by Boston-area consumer prices and 35.6% below grown by the government price index.**

Gross state aid went from $517,000 in FY2006 to $581,000 in FY2025, +12.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wenham's health insurance would have been $714,000 in FY2025; it was $1.00 million, $289,000 above the path. Its fixed costs would have been $1.63 million in FY2025; it was $2.26 million, $630,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wenham's government came to $120,000, 27.8% of the $432,000 rise in its health insurance.

Wenham has no school district of its own. Its pupils attend Hamilton-Wenham and Essex North Shore; Wenham accounts for 35% and 1% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $1.6 million for schools serving Wenham, FY2017 to August 2026.

| FY2020 | Essex North Shore Agricultural and Technical School | Essex North Shore | Accelerated Repair (Partial Roof) | $650,000 | $7,874 (1%) |

Not counted: Cutler Elementary School (Hamilton Wenham), approved FY2025 for up to $49.8 million. It lapsed when local funding was not secured.

**Cost after approval.** Of the one project closed with a final audit, Wenham's share of the final cost was $12,000 against its share of the approved budget of $18,000 (under by $6,000); the local share moved from $10,000 to $7,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Wenham has $216,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wenham came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

STATE MONEY TO OTHERS IN WEST BOYLSTON

## State programs also awarded $19,000 to organizations in West Boylston other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving West Boylston. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $19,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 16.9% of West Boylston's general-fund spending in FY2025, down from 27.3% in FY2006.

**West Boylston's state aid did not keep pace with either price measure: FY2025 aid was 30.2% below its FY2006 aid grown by Boston-area consumer prices and 37.9% below grown by the government price index.**

Gross state aid went from $4.7 million in FY2006 to $5.1 million in FY2025, +8.3% in dollars. Flag: in FY2010, $638,000 of West Boylston's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, West Boylston's health insurance would have been $3.52 million in FY2025; it was $3.72 million, $199,000 above the path. Its fixed costs would have been $5.25 million in FY2025; it was $6.34 million, $1.09 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to West Boylston's government came to $999,000, 111.0% of the $900,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## West Boylston has $1.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

| one rated poor; likely about $550,000 of work on those ($264,000 with short spans at the federal unit cost) | the town owns no dams in the state inventory | bridges $0 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Boylston came on average 31 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

West Boylston owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

## State aid covered 22.4% of West Bridgewater's general-fund spending in FY2025, up from 17.9% in FY2006.

### STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **17.9%** | **18.5%** | **22.4%** | **20.5%** |
| $3.3M of $18.6M · median town 14.1% | $5.1M of $27.5M · median town 12.2% | $9.2M of $41.2M · median town 11.5% | FY2010: 14.3% · median town 10.0% |

West Bridgewater's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $712,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**West Bridgewater's state aid kept pace with both price measures: FY2025 aid was 78.5% above its FY2006 aid grown by Boston-area consumer prices and 58.6% above grown by the government price index.**

Gross state aid went from $3.3 million in FY2006 to $9.2 million in FY2025, +176.8% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+54.8%** | **+64.5%** | **5 of 9** | **5 of 9** |
| $2.5M to $3.8M · all towns +54.0% | $4.4M to $7.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, West Bridgewater's health insurance would have been $3.09 million in FY2025; it was $3.83 million, $741,000 above the path. Its fixed costs would have been $5.54 million in FY2025; it was $7.29 million, $1.76 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to West Bridgewater's government came to $228,000, 16.8% of the $1.36 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Bridgewater came on average 21 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

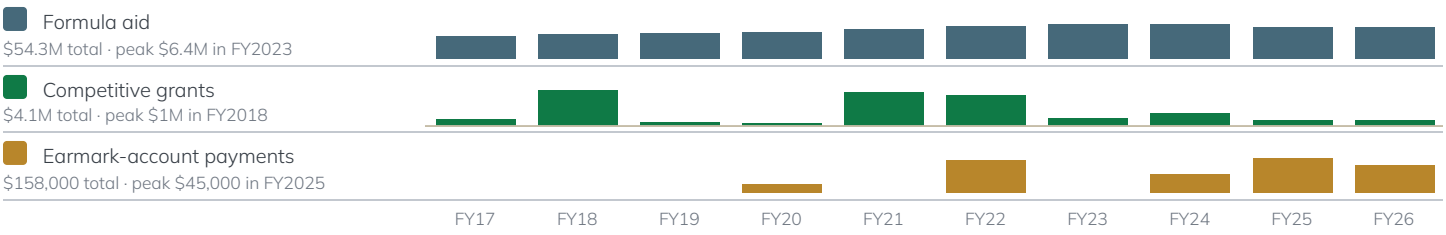
Stable high: above 55 under every weighting



West Brookfield received more than its share of discretionary money on all four measures; its blended score of 84 stays between 82 and 85 under every weighting tested.

STATE MONEY, FY2017–FY2026

## West Brookfield's town government and school districts received $54.3 million in formula aid and $4.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $54.3M | $4.1M | $158,000 |
| $14,082 per resident (93rd of 351) · gross | $1,069 per resident (74th of 351) | $41.02 per resident (106th of 351) |

**Competitive grants to West Brookfield peaked in FY2018 at $1 million, 24% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $3.3 million, are not shown.

EARMARKS

## West Brookfield received $205,000 in local earmarks to its government, $255,000 placed in the city or town and $255,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

COSTS AND THE 2½% LIMIT

## State aid covered 11.3% of West Brookfield's general-fund spending in FY2025, down from 11.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.8%** | **10.7%** | **11.3%** | **10.2%** |

West Brookfield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**West Brookfield's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 7.9% above its FY2006 aid grown by Boston-area consumer prices and 4.1% below grown by the government price index.**

Gross state aid went from $642,000 in FY2006 to $1.1 million in FY2025, +67.4% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, West Brookfield's health insurance would have been $330,000 in FY2025; it was $365,000, $34,000 above the path. Its fixed costs would have been $738,000 in FY2025; it was $1.04 million, $302,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to West Brookfield's government came to $170,000, 169.5% of the $100,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Brookfield came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

West Brookfield owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.

STATE MONEY TO OTHERS IN WEST NEWBURY

## State programs also awarded $35,000 to organizations in West Newbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving West Newbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $31,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 2.5% of West Newbury's general-fund spending in FY2025, down from 3.6% in FY2006.

West Newbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**West Newbury's state aid did not keep pace with either price measure: FY2025 aid was 10.8% below its FY2006 aid grown by Boston-area consumer prices and 20.8% below grown by the government price index.**

Gross state aid went from $351,000 in FY2006 to $486,000 in FY2025, +38.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, West Newbury's health insurance would have been $307,000 in FY2025; it was $401,000, $93,000 above the path. Its fixed costs would have been $1.12 million in FY2025; it was $1.58 million, $456,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to West Newbury's government came to $175,000, 113.2% of the $155,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Newbury came on average 30 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

FAIRNESS INDEX

## West Springfield scores 57 on the Fairness Index for all state aid and 52 for discretionary money. Fifty is a fair share.

ALL STATE AID

**57** / 100

62nd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 60 | 48 | 57 | 64 |

Rank under other weightings: 51st to 84th.

Weighting-dependent: the range crosses the 45–55 band

West Springfield received more than its share of state aid on three of four measures; its blended score of 57 stays between 54 and 60 under every weighting tested.

DISCRETIONARY MONEY ONLY

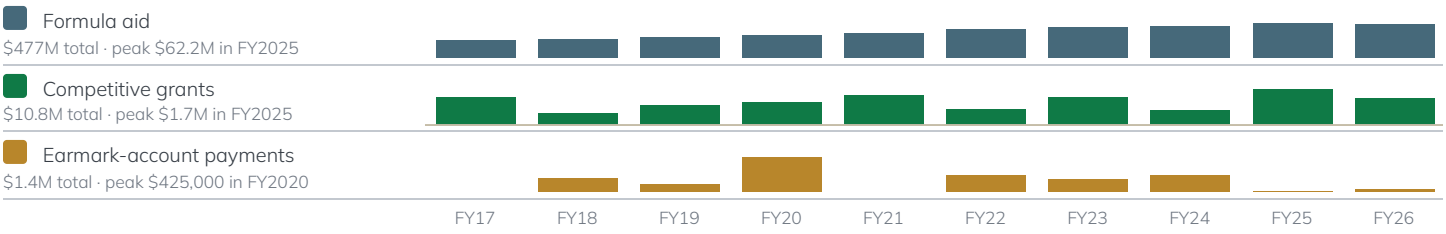
**52** / 100

186th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 54 | 42 | 54 | 58 |

Rank under other weightings: 170th to 195th.

Near fair: between 45 and 55 under every weighting



West Springfield received more than its share of discretionary money on three of four measures; its blended score of 52 stays between 50 and 54 under every weighting tested.

STATE MONEY, FY2017–FY2026

## West Springfield's town government and school districts received $477 million in formula aid and $10.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$477M** | **$10.8M** | **$1.4M** |
| $16,581 per resident (52nd of 351) · gross | $376 per resident (181st of 351) | $47.38 per resident (84th of 351) |

Competitive grants to West Springfield were spread across the decade; no year exceeded 20% of the total.

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $35.1 million, are not shown.

EARMARKS

## West Springfield received $1.5 million in local earmarks to its government, $2.5 million placed in the city or town and $2.5 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.5M** | **$2.5M** | **$2.5M** | **No** |
| $53.35 per resident (72nd of 351) | $85.85 per resident (87th of 351) · 38% to organizations | $86.72 per resident (97th of 351) · 37% to organizations | 35 municipalities had none |

Placed in the city or town: 28 clauses in ten of ten budgets; the most recent in FY2026. $1.5 million went to West Springfield's government, its schools or municipal projects; the other $935,000 went to organizations in West Springfield or named with it, some of which serve a wider area.

Clauses that name West Springfield but fund a state facility or a MassHealth rate add-on, $25,000, count under everything placed only.

Everything placed, the third measure, adds $25,000 in one clause for state facilities located in West Springfield (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN WEST SPRINGFIELD

## State programs also awarded $222,000 to organizations in West Springfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving West Springfield. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town’s share where an award names several towns)

|---|---|---|---|
| FY2022 | Irish Cultural Center, of Western New England nonprofit | Cultural Facilities Fund | $200,000 |
| FY2026 | Majestic Theater nonprofit | Cultural Facilities Fund | $8,000 |

A further $14,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family’s name.

COSTS AND THE 2½% LIMIT

## State aid covered 37.8% of West Springfield's general-fund spending in FY2025, up from 22.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **22.1%** | **29.9%** | **37.8%** | **33.5%** |

**West Springfield's state aid kept pace with both price measures: FY2025 aid was 74.0% above its FY2006 aid grown by Boston-area consumer prices and 54.7% above grown by the government price index.**

Gross state aid went from $18.5 million in FY2006 to $49.9 million in FY2025, +169.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

ROADS, BRIDGES AND DAMS

## West Springfield has $2.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Springfield came on average 28 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

West Springfield owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY TO OTHERS IN WEST STOCKBRIDGE

## State programs also awarded $263,000 to organizations in West Stockbridge other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving West Stockbridge. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2017 | West Stockbridge Historical Society nonprofit | Cultural Facilities Fund | $90,000 |
| FY2020 | West Stockbridge Historical Society nonprofit | Cultural Facilities Fund | $80,000 |

COSTS AND THE 2½% LIMIT

## State aid covered 3.8% of West Stockbridge's general-fund spending in FY2025, up from 2.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **2.7%** | **2.6%** | **3.8%** | **3.7%** |
| $110,000 of $4M · median town 14.1% | $125,000 of $4.8M · median town 12.2% | $274,000 of $7.3M · median town 11.5% | FY2010: 2.3% · median town 10.0% |

West Stockbridge's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $318,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**West Stockbridge's state aid kept pace with both price measures: FY2025 aid was 61.2% above its FY2006 aid grown by Boston-area consumer prices and 43.3% above grown by the government price index.**

Gross state aid went from $110,000 in FY2006 to $274,000 in FY2025, +150.0% in dollars.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Stockbridge came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends West Tisbury $2 million and takes back $237,000 in assessments and charges, a net $1.8 million.

STATE MONEY TO OTHERS IN WEST TISBURY

## State programs also awarded $136,000 to organizations in West Tisbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving West Tisbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2022 | Friends of MVYRADIO nonprofit | Cultural Facilities Fund | $60,000 |
| FY2019 | Sheriff's Meadow Foundation nonprofit | MassTrails Grants | $10,000 (shared two ways) |
| FY2019 | Martha's Vineyard Commission regional body | Community Compact Efficiency & Regionalization Grant | $5,000 (shared seven ways) |

A further $61,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.7% of West Tisbury's general-fund spending in FY2025, up from 5.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **5.9%** | **6.9%** | **6.7%** | **5.9%** |
| $720,000 of $12.1M · median town 14.1% | $1.2M of $17.1M · median town 12.2% | $1.7M of $25.4M · median town 11.5% | FY2010: 5.3% · median town 10.0% |

West Tisbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**West Tisbury's state aid kept pace with both price measures: FY2025 aid was 53.1% above its FY2006 aid grown by Boston-area consumer prices and 36.0% above grown by the government price index.**

Gross state aid went from $720,000 in FY2006 to $1.7 million in FY2025, +137.4% in dollars. Flag: in FY2010, $237,000 of West Tisbury's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, West Tisbury's health insurance would have been $807,000 in FY2025; it was $1,000,000, $193,000 above the path. Its fixed costs would have been $1.36 million in FY2025; it was $1.80 million, $439,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to West Tisbury's government came to $0, 0.0% of the $353,000 rise in its health insurance.

West Tisbury has no school district of its own. Its pupils attend Upisland and Martha's Vineyard; West Tisbury accounts for 70% and 17% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $12.8 million for schools serving West Tisbury, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## West Tisbury has $398,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to West Tisbury came on average 62 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

West Tisbury owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY TO OTHERS IN WESTBOROUGH

## State programs also awarded $98,000 to organizations in Westborough other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Westborough. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2019 | Westborough Community Land Trust nonprofit | MassTrails Grants | $93,000 |
| FY2021 | Central Massachusetts Regional Planning Commission regional body | MassTrails Grants | $4,741 (shared seven ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 11.0% of Westborough's general-fund spending in FY2025, down from 11.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.9%** | **10.6%** | **11.0%** | **10.5%** |
| $7.7M of $65.2M · median town 14.1% | $9M of $85M · median town 12.2% | $14.1M of $128M · median town 11.5% | FY2010: 12.4% · median town 10.0% |

Westborough's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $361,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Westborough's state aid kept pace with both price measures: FY2025 aid was 17.7% above its FY2006 aid grown by Boston-area consumer prices and 4.6% above grown by the government price index.**

Gross state aid went from $7.7 million in FY2006 to $14.1 million in FY2025, +82.5% in dollars. Flag: in FY2010, $3.8 million of Westborough's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+78.7%** | **+91.4%** | **7 of 9** | **7 of 9** |
| $8M to $14.4M · all towns +54.0% | $12.5M to $23.9M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Westborough's health insurance would have been $10 million in FY2025; it was $14.4 million, $4.32 million above the path. Its fixed costs would have been $15.6 million in FY2025; it was $23.9 million, $8.32 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Westborough's government came to $353,000, 5.6% of the $6.33 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

ROADS, BRIDGES AND DAMS

## Westborough has $1.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and two high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |
|---|---|---|
| **$11M** | **$8.4M** | **$1.5M** |

| **Town-owned bridges** | **High- or significant-hazard dams** | **Bridge, dam and culvert grants, FY2017–FY2026** |
| **10** | **2** | **$1.2M** |
| none rated poor | of two town-owned dams | bridges $500,000 · dams $334,000 · culverts $371,000 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Westborough came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

| Year | Annual apportionment | One-time supplements | Reimbursed in the year (any year's money) | Year-end balance, FY2017-on money |

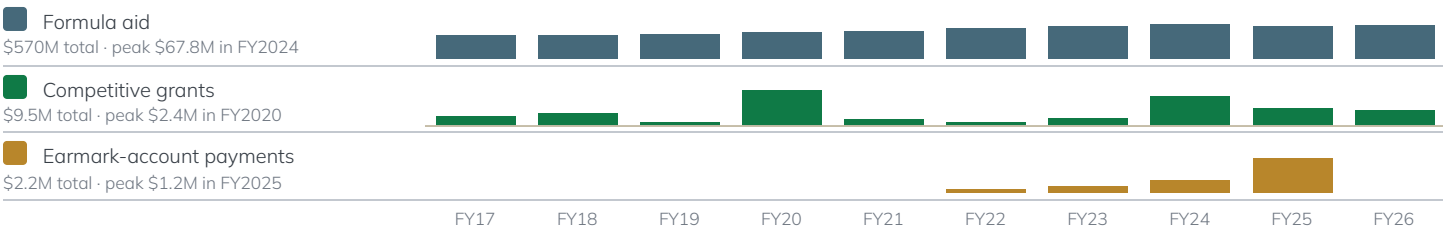
Stable low: below 45 under every weighting



Westfield received less than its share of discretionary money on all four measures; its blended score of 35 stays between 33 and 37 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Westfield's town government and school districts received $570 million in formula aid and $9.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$570M** | **$9.5M** | **$2.2M** |
| $14,111 per resident (92nd of 351) · gross | $235 per resident (232nd of 351) | $53.29 per resident (72nd of 351) |

**Competitive grants to Westfield peaked in FY2020 at $2.4 million, 25% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $30.9 million, are not shown.

EARMARKS

## Westfield received $1.5 million in local earmarks to its government, $2.6 million placed in the city or town and $3.1 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.5M** | **$2.6M** | **$3.1M** | **No** |
| $37.05 per resident (127th of 351) | $64.11 per resident (130th of 351) · 42% to organizations | $77.73 per resident (107th of 351) · 35% to organizations | 35 municipalities had none |

Placed in the city or town: 45 clauses in ten of ten budgets; the most recent in FY2026. $1.5 million went to Westfield's government, its schools or municipal projects; the other $1.1 million went to organizations in Westfield or named with it, some of which serve a wider area.

Clauses that name Westfield but fund a state facility or a MassHealth rate add-on, $175,000, count under everything placed only.

Everything placed, the third measure, adds $550,000 in four clauses for state facilities located in Westfield (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

### ROADS: WHO MAINTAINS WHAT

Of 249.9 miles of public road in Westfield, the state maintains 16.4 (7%); local government and others maintain the rest.

| Jurisdiction | Miles | Share |
|---|---|---|
| MassDOT | 16.4 | 7% |
| Town-accepted | 189.9 | 76% |
| Unaccepted public ways | 43.1 | 17% |

STATE MONEY TO OTHERS IN WESTFIELD

## State programs also awarded $2.1 million to organizations in Westfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Westfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Domus Incorporated nonprofit | Community One Stop for Growth | $700,000 |
| FY2022 | Westfield State University nonprofit | Cultural Facilities Fund | $100,000 |
| FY2026 | Westfield Woman's Club nonprofit | Cultural Facilities Fund | $97,000 |
| FY2026 | Amelia Park Children's Museum nonprofit | Cultural Facilities Fund | $83,000 |

A further $1.1 million in 7 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 32.1% of Westfield's general-fund spending in FY2025, down from 40.6% in FY2006.

**Westfield's state aid did not keep pace with either price measure: FY2025 aid was 12.9% below its FY2006 aid grown by Boston-area consumer prices and 22.6% below grown by the government price index.**

Gross state aid went from $40.1 million in FY2006 to $54.2 million in FY2025, +35.1% in dollars. Flag: in FY2010, $3.7 million of Westfield's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+53.3%** | **+48.6%** | **5 of 9** | **4 of 9** |
| $18.2M to $27.9M · all towns +54.0% | $25M to $37.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Westfield's health insurance would have been $22.8 million in FY2025; it was $27.9 million, $5.17 million above the path. Its fixed costs would have been $31.2 million in FY2025; it was $37.1 million, $5.92 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2020 (+55%) and FY2023 (–34%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Westfield's government came to $1.5 million, 15.3% of the $9.71 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Westfield has $2.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and four high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Westfield came on average 13 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Westfield received $13.4 million in earmarks placed in the city or town and competitive grants over ten years, 82% of the $16.3 million its size, need and institutions predict.

PEERS

## Westfield ranks 5th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $2.6 million in earmarks placed in Westfield, $1.1 million (42%) went to organizations rather than to Westfield's government.

STATE MONEY, FY2017–FY2026

## Westford's town government and school districts received $268 million in formula aid and $9.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$268M** | **$9.9M** | **$818,000** |
| $10,874 per resident (151st of 351) · gross | $400 per resident (171st of 351) | $33.14 per resident (136th of 351) |

**Competitive grants to Westford peaked in FY2025 at $3.6 million, 36% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $19.1 million, are not shown.

EARMARKS

## Westford received $906,000 in local earmarks to its government, $1 million placed in the city or town and $1 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|

STATE MONEY TO OTHERS IN WESTFORD

## State programs also awarded $129,000 to organizations in Westford other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Westford. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $129,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 17.7% of Westford's general-fund spending in FY2025, down from 24.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **24.0%** | **20.7%** | **17.7%** | **17.1%** |
| $16.9M of $70.3M · median town 14.1% | $20.5M of $99.1M · median town 12.2% | $21.7M of $123M · median town 11.5% | FY2010: 23.5% · median town 10.0% |

Westford's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $375,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Westford's state aid did not keep pace with either price measure: FY2025 aid was 17.2% below its FY2006 aid grown by Boston-area consumer prices and 26.4% below grown by the government price index.**

Gross state aid went from $16.9 million in FY2006 to $21.7 million in FY2025, +28.4% in dollars. Flag: in FY2010, $2.5 million of Westford's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Westford's health insurance would have been $10.8 million in FY2025; it was $17.2 million, $6.43 million above the path. Its fixed costs would have been $17 million in FY2025; it was $19.9 million, $2.92 million above the path.

Flag: health insurance changed by more than 30% in one year in FY2022 (+34%) and FY2023 (+45%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Westford's government came to $806,000, 9.4% of the $8.59 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Westford came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Westford owns two poor bridges of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

Westford owns three high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY, FY2017–FY2026

## Westhampton's town government and school districts received $17.2 million in formula aid and $1.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $17.2M | $1.4M | $2,425 |
| $11,067 per resident (145th of 351) · gross | $887 per resident (84th of 351) | $1.56 per resident (320th of 351) |

**Competitive grants to Westhampton peaked in FY2026 at $924,000, 67% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.6 million, are not shown.

EARMARKS

## No local earmark was placed in Westhampton in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN WESTHAMPTON

## State programs also awarded $268,000 to organizations in Westhampton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Westhampton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

A further $264,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 10.1% of Westhampton's general-fund spending in FY2025, down from 12.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **12.6%** | **14.8%** | **10.1%** | **9.2%** |
| $444,000 of $3.5M · median town 14.1% | $744,000 of $5M · median town 12.2% | $864,000 of $8.5M · median town 11.5% | FY2010: 11.9% · median town 10.0% |

Westhampton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $410,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Westhampton's state aid kept pace with both price measures: FY2025 aid was 25.5% above its FY2006 aid grown by Boston-area consumer prices and 11.6% above grown by the government price index.**

Gross state aid went from $444,000 in FY2006 to $864,000 in FY2025, +94.7% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Westminster received less than its share of discretionary money on all four measures; its blended score of 14 stays between 13 and 15 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Westminster's town government and school districts received $105 million in formula aid and $718,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$105M** | **$718,000** | **$308,000** |
| $12,585 per resident (120th of 351) · gross | $85.79 per resident (333rd of 351) | $36.79 per resident (122nd of 351) |

**Competitive grants to Westminster peaked in FY2022 at $252,000, 35% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $3.7 million, are not shown.

EARMARKS

## Westminster received $230,000 in local earmarks to its government, $9.3 million placed in the city or town and $9.3 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$230,000** | **$9.3M** | **$9.3M** | **No** |

STATE MONEY TO OTHERS IN WESTMINSTER

## State programs also awarded $46,000 to organizations in Westminster other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Westminster. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | Montachusett Regional Planning Commission regional body | MassTrails Grants | $12,000 (shared four ways) |

A further $34,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 4.2% of Westminster's general-fund spending in FY2025, down from 6.3% in FY2006.

Westminster's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $9.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Westminster's state aid did not keep pace with either price measure: FY2025 aid was 10.7% below its FY2006 aid grown by Boston-area consumer prices and 20.6% below grown by the government price index.**

Gross state aid went from $857,000 in FY2006 to $1.2 million in FY2025, +38.5% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Westminster's health insurance would have been $1.02 million in FY2025; it was $1.25 million, $227,000 above the path. Its fixed costs would have been $2.19 million in FY2025; it was $3.07 million, $883,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Westminster's government came to $155,000, 36.1% of the $430,000 rise in its health insurance.

Westminster has no school district of its own. Its pupils attend Ashburnham-Westminster and Montachusett; Westminster accounts for 56% and 5% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Westminster came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Westminster owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Westminster received $10.1 million in earmarks placed in the city or town and competitive grants over ten years, 2.7 times the $3.7 million its size, need and institutions predict.

PEERS

## Westminster ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $9.3 million in earmarks placed in Westminster, $9.1 million (98%) went to organizations rather than to Westminster's government.

STATE MONEY, FY2017–FY2026

## Weston's town government and school districts received $97.3 million in formula aid and $434,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$97.3M** | **$434,000** | **$242,000** |
| $8,400 per resident (239th of 351) · gross | $37.49 per resident (350th of 351) | $20.93 per resident (197th of 351) |

**Competitive grants to Weston peaked in FY2019 at $129,000, 30% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $5 million, are not shown.

EARMARKS

## Weston received $800,000 in local earmarks to its government, $1 million placed in the city or town and $1 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WESTON

## State programs also awarded $269,000 to organizations in Weston other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Weston. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

| FY2018 | Regis College Fine Arts Center nonprofit | Cultural Facilities Fund | $32,000 |
| FY2025 | Acme Theater Productions nonprofit | Cultural Facilities Fund | $19,000 |

A further $68,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 5.0% of Weston's general-fund spending in FY2025, down from 6.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 6.5% | 5.2% | 5.0% | 4.7% |
| $4M of $61.6M · median town 14.1% | $4.1M of $79.4M · median town 12.2% | $5.2M of $102M · median town 11.5% | FY2010: 6.3% · median town 10.0% |

**Weston's state aid did not keep pace with either price measure: FY2025 aid was 17.1% below its FY2006 aid grown by Boston-area consumer prices and 26.3% below grown by the government price index.**

Gross state aid went from $4 million in FY2006 to $5.2 million in FY2025, +28.5% in dollars. Flag: in FY2010, $1.5 million of Weston's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Weston's health insurance would have been $12.1 million in FY2025; it was $11.9 million, $251,000 below the path. Its fixed costs would have been $19.3 million in FY2025; it was $21 million, $1.77 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Weston's government came to $725,000, 33.5% of the $2.17 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Weston came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN WESTPORT

## State programs also awarded $1.4 million to organizations in Westport other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Westport. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | South Coast Bikeway Alliance nonprofit | MassTrails Grants | $95,000 (shared three ways) |
| FY2025 | Westport Historical Society nonprofit | Cultural Facilities Fund | $40,000 |

A further $1.3 million in 9 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 16.5% of Westport's general-fund spending in FY2025, down from 22.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **22.1%** | **18.8%** | **16.5%** | **13.7%** |
| $5.8M of $26.1M · median town 14.1% | $6.6M of $35.4M · median town 12.2% | $8.8M of $53.2M · median town 11.5% | FY2010: 18.7% · median town 10.0% |

Westport's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $816,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Westport's state aid did not keep pace with either price measure: FY2025 aid was 1.9% below its FY2006 aid grown by Boston-area consumer prices and 12.8% below grown by the government price index.**

Gross state aid went from $5.8 million in FY2006 to $8.8 million in FY2025, +52.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

| $2.7M to $3.4M · all towns +54.0% | $5.3M to $7.8M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Westport's health insurance would have been $3.31 million in FY2025; it was $3.37 million, $60,000 above the path. Its fixed costs would have been $6.63 million in FY2025; it was $7.83 million, $1.21 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Westport's government came to $595,000, 82.6% of the $721,000 rise in its health insurance.

| FY2018 | Westport Middle School (Middle/High School) | Westport | Core | $38.1M | $38.1M |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Westport; Westport's share of the additions, by enrollment where a school is regional, was $1.7 million, $1.7 million of it in the FY2024 supplemental grants for cost escalation. Of the two projects closed with a final audit, Westport's share of the final cost was $8.7 million against its share of the approved budget of $10 million (under by $1.3 million); the local share moved from $5 million to $4.7 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Westport has $908,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Westport came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

COSTS AND THE 2½% LIMIT

## State aid covered 7.3% of Westwood's general-fund spending in FY2025, down from 13.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **13.3%** | **8.9%** | **7.3%** | **6.6%** |
| $7M of $52.7M · median town 14.1% | $7M of $78.4M · median town 12.2% | $8.3M of $114M · median town 11.5% | FY2010: 10.8% · median town 10.0% |

Westwood's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $56,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Westwood's state aid did not keep pace with either price measure: FY2025 aid was 23.4% below its FY2006 aid grown by Boston-area consumer prices and 31.9% below grown by the government price index.**

Gross state aid went from $7 million in FY2006 to $8.3 million in FY2025, +18.9% in dollars. Flag: in FY2010, $3 million of Westwood's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

| $5.5M to $9.2M · all towns +54.0% | $8.9M to $17.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Westwood's health insurance would have been $6.81 million in FY2025; it was $9.22 million, $2.42 million above the path. Its fixed costs would have been $11.1 million in FY2025; it was $17.3 million, $6.26 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Westwood's government came to $525,000, 13.9% of the $3.77 million rise in its health insurance.

**Cost after approval.** After approval, the Board added money to grants for one project serving Westwood; Westwood's share of the additions, by enrollment where a school is regional, was $3.8 million, all of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Westwood's share of the final cost was $390,000 against its share of the approved budget of $373,000 (over by $17,000); the local share moved from $178,000 to $200,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Westwood has $1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Westwood came on average 9 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Westwood received $3.9 million in earmarks placed in the city or town and competitive grants over ten years, about the $3.8 million its size, need and institutions predict.

PEERS

## Westwood ranks 6th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $750,000 in earmarks placed in Westwood, $175,000 (23%) went to organizations rather than to Westwood's government.

STATE MONEY TO OTHERS IN WEYMOUTH

## State programs also awarded $37,000 to organizations in Weymouth other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Weymouth. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $37,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 19.4% of Weymouth's general-fund spending in FY2025, down from 26.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **26.2%** | **24.9%** | **19.4%** | **15.9%** |

Weymouth's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $111,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Weymouth's state aid did not keep pace with either price measure: FY2025 aid was 11.8% below its FY2006 aid grown by Boston-area consumer prices and 21.6% below grown by the government price index.**

Gross state aid went from $30.6 million in FY2006 to $41.9 million in FY2025, +36.8% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Weymouth's health insurance would have been $30.4 million in FY2025; it was $33.3 million, $2.94 million above the path. Its fixed costs would have been $42.2 million in FY2025; it was $51.6 million, $9.39 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Weymouth's government came to $3.3 million, 36.5% of the $8.99 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Weymouth has $1.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Weymouth came on average 12 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

FAIRNESS INDEX

## Whately scores 46 on the Fairness Index for all state aid and 84 for discretionary money. Fifty is a fair share.

ALL STATE AID

**46** / 100

158th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 45 | 50 | 43 | 43 |

Rank under other weightings: 155th to 163rd.

Weighting-dependent: the range crosses the 45–55 band

Whately received less than its share of state aid on all four measures; its blended score of 45 stays between 44 and 47 under every weighting tested.

DISCRETIONARY MONEY ONLY

**84** / 100

64th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |

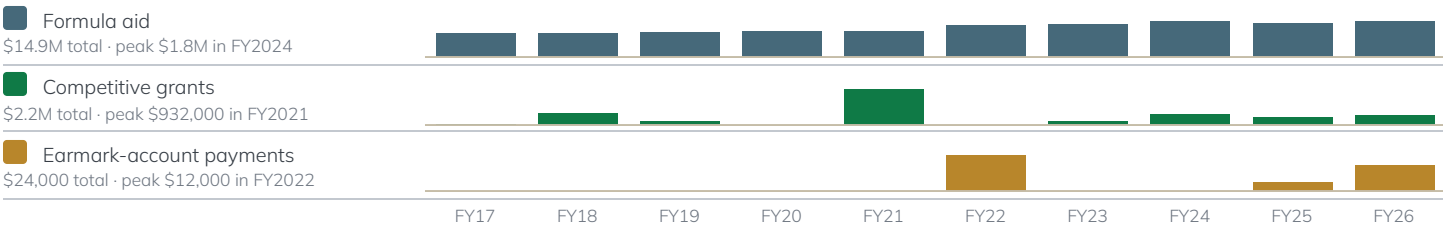
Stable high: above 55 under every weighting



Whately received more than its share of discretionary money on all four measures; its blended score of 84 stays between 82 and 87 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Whately's town government and school districts received $14.9 million in formula aid and $2.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$14.9M** | **$2.2M** | **$24,000** |
| $9,968 per resident (178th of 351) · gross | $1,484 per resident (56th of 351) | $15.89 per resident (228th of 351) |

**Competitive grants to Whately peaked in FY2021 at $932,000, 42% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.1 million, are not shown.

EARMARKS

## Whately received $43,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN WHATELY

## State programs also awarded $252,000 to organizations in Whately other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Whately. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Franklin Regional Council of Governments regional body | Community One Stop for Growth | $200,000 |
| FY2019 | Conway Snowmobile Club, Inc. nonprofit | MassTrails Grants | $15,000 (shared four ways) |
| FY2023 | Conway Snowmobile Club, Inc. nonprofit | MassTrails Grants | $9,851 (shared seven ways) |
| FY2023 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $5,687 (shared 26 ways) |
| FY2019 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $1,696 (shared 26 ways) |

A further $19,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.8% of Whately's general-fund spending in FY2025, down from 13.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **13.1%** | **13.5%** | **11.8%** | **10.7%** |
| $542,000 of $4.1M · median town 14.1% | $673,000 of $5M · median town 12.2% | $788,000 of $6.7M · median town 11.5% | FY2010: 12.8% · median town 10.0% |

Whately's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $464,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Whately's state aid did not keep pace with either price measure: FY2025 aid was 6.2% below its FY2006 aid grown by Boston-area consumer prices and 16.6% below grown by the government price index.**

Gross state aid went from $542,000 in FY2006 to $788,000 in FY2025, +45.5% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+37.9%** | **+48.1%** | **5 of 9** | **4 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Whately's health insurance would have been $383,000 in FY2025; it was $423,000, $40,000 above the path. Its fixed costs would have been $640,000 in FY2025; it was $759,000, $119,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Whately's government came to $43,000, 37.3% of the $116,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Whately came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Whately owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

Chapter 90 by state fiscal year

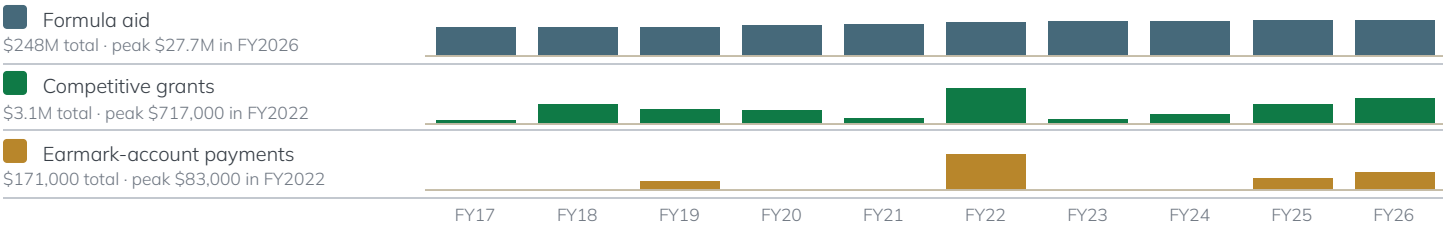
Stable low: below 45 under every weighting



Whitman received less than its share of discretionary money on all four measures; its blended score of 30 stays between 28 and 32 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Whitman's town government and school districts received $248 million in formula aid and $3.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$248M** | **$3.1M** | **$171,000** |
| $16,230 per resident (56th of 351) · gross | $202 per resident (250th of 351) | $11.17 per resident (252nd of 351) |

**Competitive grants to Whitman peaked in FY2022 at $717,000, 23% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $8.7 million, are not shown.

EARMARKS

## Whitman received $228,000 in local earmarks to its government, $235,000 placed in the city or town and $235,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|

STATE MONEY TO OTHERS IN WHITMAN

## State programs also awarded $10,000 to organizations in Whitman other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Whitman. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Metropolitan Area Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $10,000 (shared 12 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 7.2% of Whitman's general-fund spending in FY2025, down from 11.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 11.5% | 8.7% | 7.2% | 6.7% |
| $2.5M of $21.5M · median town 14.1% | $2.6M of $29.6M · median town 12.2% | $3.4M of $46.4M · median town 11.5% | FY2010: 9.6% · median town 10.0% |

Whitman's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $19.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Whitman's state aid did not keep pace with either price measure: FY2025 aid was 12.2% below its FY2006 aid grown by Boston-area consumer prices and 22.0% below grown by the government price index.**

Gross state aid went from $2.5 million in FY2006 to $3.4 million in FY2025, +36.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +63.6% | +73.0% | 7 of 9 | 6 of 9 |
| $1.1M to $1.8M · all towns +54.0% | $3.2M to $5.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Whitman's health insurance would have been $1.36 million in FY2025; it was $1.79 million, $424,000 above the path. Its fixed costs would have been $4.01 million in FY2025; it was $5.56 million, $1.55 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Whitman's government came to $198,000, 28.4% of the $696,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Whitman came on average 13 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Whitman owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY, FY2017–FY2026

## Wilbraham's town government and school districts received $177 million in formula aid and $1.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$177M** | **$1.8M** | **$67,000** |
| $12,134 per resident (126th of 351) · gross | $123 per resident (308th of 351) | $4.62 per resident (292nd of 351) |

**Competitive grants to Wilbraham peaked in FY2018 at $627,000, 35% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $5.1 million, are not shown.

EARMARKS

## Wilbraham received $450,000 in local earmarks to its government, $1.6 million placed in the city or town and $1.6 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Wilbraham $2.3 million and takes back $163,000 in assessments and charges, a net $2.1 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |
|---|---|---|

STATE MONEY TO OTHERS IN WILBRAHAM

## State programs also awarded $252,000 to organizations in Wilbraham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wilbraham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $252,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 3.9% of Wilbraham's general-fund spending in FY2025, down from 5.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **5.1%** | **4.0%** | **3.9%** | **3.7%** |
| $1.4M of $27.9M · median town 14.1% | $1.5M of $37.5M · median town 12.2% | $2M of $51.2M · median town 11.5% | FY2010: 3.9% · median town 10.0% |

Wilbraham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $11.2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wilbraham's state aid did not keep pace with either price measure: FY2025 aid was 9.5% below its FY2006 aid grown by Boston-area consumer prices and 19.6% below grown by the government price index.**

Gross state aid went from $1.4 million in FY2006 to $2 million in FY2025, +40.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+63.3%** | **+84.0%** | **9 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wilbraham's health insurance would have been $1.34 million in FY2025; it was $1.76 million, $413,000 above the path. Its fixed costs would have been $3.78 million in FY2025; it was $5.57 million, $1.79 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wilbraham's government came to $450,000, 66.1% of the $681,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

## SCHOOLS

## Wilbraham's required school contribution is 3.1% of median household income, 58th highest of 351.

Wilbraham has no school district of its own. Its pupils attend Hampden-Wilbraham; Wilbraham accounts for 80% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

**Cost after approval.** Of the one project closed with a final audit, Wilbraham's share of the final cost was $1.8 million against its share of the approved budget of $2.5 million (under by $738,000); the local share moved from $1.2 million to $826,000. Approved budgets include contingency.

## ROADS, BRIDGES AND DAMS

## Wilbraham has $519,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wilbraham came on average 8 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Competitive grants to Williamsburg peaked in FY2023 at $810,000, 52% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.8 million, are not shown.

EARMARKS

## Williamsburg received $10,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $10,000 | $10,000 | $10,000 | No |

STATE MONEY TO OTHERS IN WILLIAMSBURG

## State programs also awarded $222,000 to organizations in Williamsburg other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Williamsburg. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Snow Farm: The New England Craft Program nonprofit | Cultural Facilities Fund | $101,000 |
| FY2023 | Snow Farm: The New England Craft Program nonprofit | Cultural Facilities Fund | $20,000 |
| FY2020 | Snow Farm: The New England Craft Program nonprofit | Cultural Facilities Fund | $12,000 |
| FY2023 | Conway Snowmobile Club, Inc. nonprofit | MassTrails Grants | $9,851 (shared seven ways) |

| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

A further $68,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 14.3% of Williamsburg's general-fund spending in FY2025, down from 20.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **20.7%** | **14.5%** | **14.3%** | **12.0%** |
| $1M of $5M · median town 14.1% | $996,000 of $6.9M · median town 12.2% | $1.4M of $9.7M · median town 11.5% | FY2010: 12.6% · median town 10.0% |

Williamsburg's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $742,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Williamsburg's state aid did not keep pace with either price measure: FY2025 aid was 13.1% below its FY2006 aid grown by Boston-area consumer prices and 22.8% below grown by the government price index.**

Gross state aid went from $1 million in FY2006 to $1.4 million in FY2025, +34.7% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Williamsburg's health insurance would have been $547,000 in FY2025; it was $652,000, $105,000 above the path. Its fixed costs would have been $977,000 in FY2025; it was $1.25 million, $271,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Williamsburg's government came to $10,000, 4.7% of the $214,000 rise in its health insurance.

Williamsburg runs its own district for some grades and belongs to Hampshire for others; Williamsburg accounts for 20% of that district's foundation budget.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Williamsburg, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Williamsburg has $812,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

| one rated poor; about $8M of work on those, by planning estimates | of two town-owned dams | bridges $0 · dams $0 · culverts $74,000 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Williamsburg came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Williamsburg owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

STATE MONEY TO OTHERS IN WILLIAMSTOWN

## State programs also awarded $3.3 million to organizations in Williamstown other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Williamstown. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

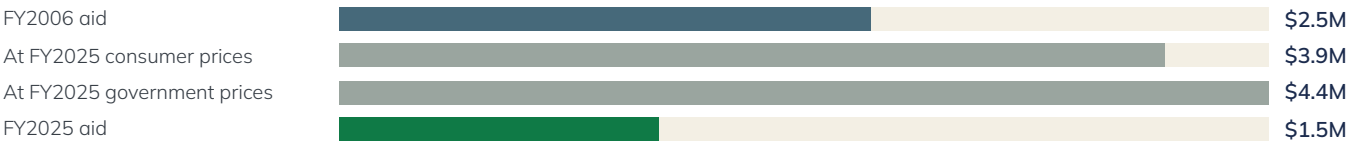
A further $1.2 million in 9 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT



## State aid covered 5.7% of Williamstown's general-fund spending in FY2025, down from 16.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **16.6%** | **12.6%** | **5.7%** | **5.6%** |
| $2.5M of $15.2M · median town 14.1% | $2.3M of $18.4M · median town 12.2% | $1.5M of $26.3M · median town 11.5% | FY2010: 12.9% · median town 10.0% |

Williamstown's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.7 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Williamstown's state aid did not keep pace with either price measure: FY2025 aid was 61.4% below its FY2006 aid grown by Boston-area consumer prices and 65.6% below grown by the government price index.**

Gross state aid went from $2.5 million in FY2006 to $1.5 million in FY2025, −40.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **−34.0%** | **−8.3%** | **4 of 9** | **4 of 9** |
| $2M to $1.3M · all towns +54.0% | $3.2M to $2.9M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Williamstown's health insurance would have been $2.46 million in FY2025; it was $1.30 million, $1.16 million below the path. Its fixed costs would have been $3.98 million in FY2025; it was $2.92 million, $1.06 million below the path.

Flag: fixed costs changed by more than 30% in one year in FY2019 (−36%); health insurance changed by more than 30% in one year in FY2019 (−46%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Williamstown's reported health insurance fell from $2 million in FY2016 to $1.3 million in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Williamstown has no school district of its own. Its pupils attend Mount Greylock and Northern Berkshire; Williamstown accounts for 66% and 5% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

ROADS, BRIDGES AND DAMS

## Williamstown has $1.7 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Williamstown came on average 78 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Williamstown owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

COSTS AND THE 2½% LIMIT

## State aid covered 11.9% of Wilmington's general-fund spending in FY2025, down from 13.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

Wilmington's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wilmington's state aid kept pace with both price measures: FY2025 aid was 15.9% above its FY2006 aid grown by Boston-area consumer prices and 3.0% above grown by the government price index.**

Gross state aid went from $8.7 million in FY2006 to $15.6 million in FY2025, +79.8% in dollars. Flag: in FY2010, $2.1 million of Wilmington's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+59.1%** | **+65.3%** | **7 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wilmington's health insurance would have been $18.1 million in FY2025; it was $23.1 million, $4.97 million above the path. Its fixed costs would have been $22.1 million in FY2025; it was $29.2 million, $7.14 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wilmington's government came to $625,000, 7.3% of the $8.58 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Wilmington has $1.4 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wilmington came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Wilmington owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.

EXPECTED AND ACTUAL

## Wilmington received $5.4 million in earmarks placed in the city or town and competitive grants over ten years, 93% of the $5.9 million its size, need and institutions predict.

PEERS

## Wilmington ranks 7th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $739,000 in earmarks placed in Wilmington, $25,000 (3%) went to organizations rather than to Wilmington's government.

STATE MONEY, FY2017–FY2026

## Winchendon's town government and school districts received $196 million in formula aid and $5.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $196M | $5.4M | $272,000 |
| $18,732 per resident (37th of 351) · gross | $518 per resident (136th of 351) | $26.08 per resident (169th of 351) |

**Competitive grants to Winchendon peaked in FY2018 at $1.3 million, 23% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $8 million, are not shown.

EARMARKS

## Winchendon received $395,000 in local earmarks to its government, $445,000 placed in the city or town and $445,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WINCHENDON

## State programs also awarded $2 million to organizations in Winchendon other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Winchendon. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $127,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 48.0% of Winchendon's general-fund spending in FY2025, down from 50.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **50.0%** | **52.0%** | **48.0%** | **45.1%** |
| $12.6M of $25.2M · median town 14.1% | $13.8M of $26.5M · median town 12.2% | $16.9M of $35.3M · median town 11.5% | FY2010: 49.7% · median town 10.0% |

Winchendon's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Winchendon's state aid did not keep pace with either price measure: FY2025 aid was 13.3% below its FY2006 aid grown by Boston-area consumer prices and 23.0% below grown by the government price index.**

Gross state aid went from $12.6 million in FY2006 to $16.9 million in FY2025, +34.4% in dollars. Flag: in FY2010, $893,000 of Winchendon's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Winchendon's health insurance would have been $2.55 million in FY2025; it was $2.31 million, $237,000 below the path. Its fixed costs would have been $4.97 million in FY2025; it was $5.16 million, $195,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Winchendon's government came to $375,000, 138.8% of the $270,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Winchendon has $568,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Winchendon came on average 12 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN WINCHESTER

## State programs also awarded $418,000 to organizations in Winchester other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Winchester. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

COSTS AND THE 2½% LIMIT

## State aid covered 8.8% of Winchester's general-fund spending in FY2025, down from 9.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.9%** | **10.9%** | **8.8%** | **8.4%** |
| $6M of $61.2M · median town 14.1% | $9.8M of $90.4M · median town 12.2% | $12.7M of $144M · median town 11.5% | FY2010: 8.9% · median town 10.0% |

Winchester's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $25,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Winchester's state aid kept pace with both price measures: FY2025 aid was 35.7% above its FY2006 aid grown by Boston-area consumer prices and 20.6% above grown by the government price index.**

Gross state aid went from $6 million in FY2006 to $12.7 million in FY2025, +110.5% in dollars. Flag: in FY2010, $704,000 of Winchester's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Winchester's health insurance would have been $11.7 million in FY2025; it was $14 million, $2.24 million above the path. Its fixed costs would have been $18.6 million in FY2025; it was $23.3 million, $4.79 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Winchester's government came to $1 million, 21.8% of the $4.58 million rise in its health insurance.

## FAIRNESS INDEX

### Windsor scores 53 on the Fairness Index for all state aid and 95 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**53** / 100

97th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 50 | 52 | 41 | 69 |

Rank under other weightings: 64th to 133rd.

Weighting-dependent: the range crosses the 45–55 band

Windsor received more than its share of state aid on three of four measures; its blended score of 53 stays between 49 and 58 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

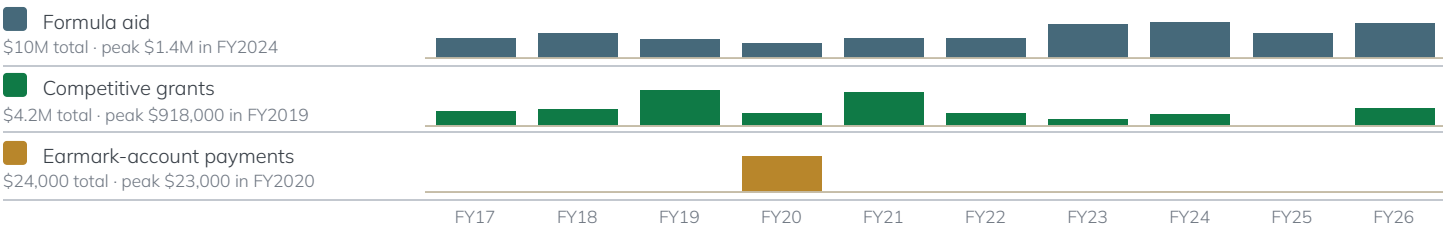
**95** / 100

22nd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 97 | 97 | 88 | 98 |

Rank under other weightings: 17th to 27th.

Stable high: above 55 under every weighting



Windsor received more than its share of discretionary money on all four measures; its blended score of 95 stays between 94 and 97 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Windsor's town government and school districts received $10 million in formula aid and $4.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$10M** | **$4.2M** | **$24,000** |
| $9,357 per resident (201st of 351) · gross | $3,955 per resident (22nd of 351) | $22.23 per resident (190th of 351) |

**Competitive grants to Windsor peaked in FY2019 at $918,000, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1 million, are not shown.

## EARMARKS

### Windsor received $25,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$25,000** | **$25,000** | **$25,000** | **No** |

Placed in the city or town: one clause in one of ten budgets; it came in FY2020. All of it went to Windsor's government, its schools or municipal projects.

Every local earmark in Windsor, FY2017–FY2026, largest first (one clause; the town's share where a clause names several towns)

STATE MONEY TO OTHERS IN WINDSOR

## State programs also awarded $135,000 to organizations in Windsor other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Windsor. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

COSTS AND THE 2½% LIMIT

## State aid covered 12.4% of Windsor's general-fund spending in FY2025, up from 9.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.9%** | **12.1%** | **12.4%** | **12.3%** |
| $152,000 of $1.5M · median town 14.1% | $234,000 of $1.9M · median town 12.2% | $321,000 of $2.6M · median town 11.5% | FY2010: 11.7% · median town 10.0% |

Windsor's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $162,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

### Windsor's state aid kept pace with both price measures: FY2025 aid was 35.7% above its FY2006 aid grown by Boston-area consumer prices and 20.6% above grown by the government price index.

Gross state aid went from $152,000 in FY2006 to $321,000 in FY2025, +110.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+46.7%** | **+43.0%** | **4 of 9** | **4 of 9** |
| $30,000 to $45,000 · all towns +54.0% | $120,000 to $172,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Windsor's health insurance would have been $38,000 in FY2025; it was $45,000, $6,636 above the path. Its fixed costs would have been $150,000 in FY2025; it was $172,000, $22,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2023 (+50%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Windsor's government came to $25,000, 175.8% of the $14,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Windsor has no school district of its own. Its pupils attend Windsor and Central Berkshire; Windsor accounts for 100% and 4% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $1.2 million for schools serving Windsor, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Windsor has $534,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |
|---|---|---|
| **$4.2M** | **$3.2M** | **$534,000** |

| two rated poor; likely about $3.3M of work on those ($2.8M with short spans at the federal unit cost) | of one town-owned dam | bridges $381,000 · dams $0 · culverts $1.3M |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Windsor came on average 20 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Winthrop's town government and school districts received $167 million in formula aid and $6.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$167M** | **$6.8M** | **$2.7M** |
| $8,903 per resident (223rd of 351) · gross | $365 per resident (183rd of 351) | $142 per resident (13th of 351) |

**Competitive grants to Winthrop peaked in FY2022 at $2.2 million, 33% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $14.3 million, are not shown.

EARMARKS

## Winthrop received $2.3 million in local earmarks to its government, $3 million placed in the city or town and $3.5 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$2.3M** | **$3M** | **$3.5M** | **No** |
| $125 per resident (14th of 351) | $158 per resident (16th of 351) · 21% to organizations | $185 per resident (20th of 351) · 18% to organizations | 35 municipalities had none |

Placed in the city or town: 36 clauses in nine of ten budgets; the most recent in FY2026. $2.3 million went to Winthrop's government, its schools or municipal projects; the other $616,000 went to organizations in Winthrop or named with it, some of which serve a wider area.

Clauses that name Winthrop but fund a state facility or a MassHealth rate add-on, $514,000, count under everything placed only.

Everything placed, the third measure, adds $514,000 in four clauses for state facilities located in Winthrop (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Winthrop $16.4 million and takes back $1.3 million in assessments and charges, a net $15.1 million.

STATE MONEY TO OTHERS IN WINTHROP

## State programs also awarded $33,000 to organizations in Winthrop other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Winthrop. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 24.9% of Winthrop’s general-fund spending in FY2025, down from 31.1% in FY2006.

Winthrop's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $492,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Winthrop's state aid did not keep pace with either price measure: FY2025 aid was 6.4% below its FY2006 aid grown by Boston-area consumer prices and 16.8% below grown by the government price index.**

Gross state aid went from $10.8 million in FY2006 to $15.7 million in FY2025, +45.2% in dollars. Flag: in FY2010, $662,000 of Winthrop's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+44.9%** | **+42.2%** | **5 of 9** | **5 of 9** |
| $5.6M to $8.1M · all towns +54.0% | $9.1M to $12.9M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Winthrop's health insurance would have been $6.98 million in FY2025; it was $8.10 million, $1.12 million above the path. Its fixed costs would have been $11.3 million in FY2025; it was $12.9 million, $1.57 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Winthrop's government came to $2.3 million, 90.0% of the $2.51 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

ROADS, BRIDGES AND DAMS

## Winthrop has $511,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Winthrop came on average 13 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Winthrop received $12.7 million in earmarks placed in the city or town and competitive grants over ten years, 59% more than the $8 million its size, need and institutions predict.

PEERS

## Winthrop ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $3 million in earmarks placed in Winthrop, $616,000 (21%) went to organizations rather than to Winthrop's government.

Woburn received less than its share of discretionary money on all four measures; its blended score of 38 stays between 35 and 40 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Woburn's town government and school districts received $286 million in formula aid and $10.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $286M | $10.7M | $890,000 |
| $6,812 per resident (301st of 351) · gross | $255 per resident (226th of 351) | $21.21 per resident (195th of 351) |

**Competitive grants to Woburn peaked in FY2019 at $2.7 million, 25% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $58.9 million, are not shown.

EARMARKS

## Woburn received $460,000 in local earmarks to its government, $3.6 million placed in the city or town and $3.6 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $460,000 | $3.6M | $3.6M | No |
| $10.97 per resident (266th of 351) | $85.34 per resident (91st of 351) · 87% to organizations | $85.93 per resident (98th of 351) · 87% to organizations | 35 municipalities had none |

Placed in the city or town: 40 clauses in ten of ten budgets; the most recent in FY2026. $460,000 went to Woburn's government, its schools or municipal projects; the other $3.1 million went to organizations in Woburn or named with it, some of which serve a wider area.

Clauses that name Woburn but fund a state facility or a MassHealth rate add-on, $25,000, count under everything placed only.

Everything placed, the third measure, adds $25,000 in one clause for state facilities located in Woburn (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN WOBURN

## State programs also awarded $8,000 to organizations in Woburn other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Woburn. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $8,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.8% of Woburn's general-fund spending in FY2025, down from 13.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **13.1%** | **11.8%** | **11.8%** | **8.9%** |
| $12.1M of $92.9M · median town 14.1% | $14.6M of $124M · median town 12.2% | $22.9M of $194M · median town 11.5% | FY2010: 8.0% · median town 10.0% |

Woburn's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $608,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Woburn's state aid kept pace with both price measures: FY2025 aid was 22.0% above its FY2006 aid grown by Boston-area consumer prices and 8.4% above grown by the government price index.**

Gross state aid went from $12.1 million in FY2006 to $22.9 million in FY2025, +89.2% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Woburn's health insurance would have been $21.6 million in FY2025; it was $21.4 million, $221,000 below the path. Its fixed costs would have been $31.5 million in FY2025; it was $33.2 million, $1.68 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Woburn's government came to $310,000, 7.6% of the $4.08 million rise in its health insurance.

**Cost after approval.** After approval, the Board added money to grants for one project serving Woburn; Woburn's share of the additions, by enrollment where a school is regional, was $2.1 million, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Woburn has $4.2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Woburn came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Woburn owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

Woburn owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

## STATE MONEY, FY2017–FY2026

### Worcester's town government and school districts received $4.13 billion in formula aid and $80.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$4.13B** | **$80.2M** | **$7.1M** |
| $19,940 per resident (27th of 351) · gross | $387 per resident (175th of 351) | $34.45 per resident (134th of 351) |

**Competitive grants to Worcester peaked in FY2021 at $32.8 million, 41% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $239 million, are not shown.

## EARMARKS

### Worcester received $7 million in local earmarks to its government, $19.1 million placed in the city or town and $20.2 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$7M** | **$19.1M** | **$20.2M** | **No** |

STATE MONEY TO OTHERS IN WORCESTER

## State programs also awarded $18.8 million to organizations in Worcester other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Worcester. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 49.1% of Worcester's general-fund spending in FY2025, up from 46.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **46.2%** | **48.9%** | **49.1%** | **43.3%** |

**Worcester's state aid kept pace with both price measures: FY2025 aid was 25.2% above its FY2006 aid grown by Boston-area consumer prices and 11.3% above grown by the government price index.**

Gross state aid went from $228 million in FY2006 to $442 million in FY2025, +94.2% in dollars. Flag: in FY2010, $19.1 million of Worcester's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

**Cost after approval.** After approval, the Board added $28.8 million to grants for one project serving Worcester, all of it in the FY2024 supplemental grants for cost escalation. Of the 11 projects closed with a final audit, the final cost was $215 million against an approved budget of $237 million (under by $22.2 million); the local share moved from $102 million to $88.1 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Worcester has $10.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and 24 high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Worcester came on average 15 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Worcester received $120 million in earmarks placed in the city or town and competitive grants over ten years, 17% more than the $103 million its size, need and institutions predict.

PEERS

## Worcester ranks 5th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $19.1 million in earmarks placed in Worcester, $12.1 million (63%) went to organizations rather than to Worcester's government.

## FAIRNESS INDEX

### Worthington scores 45 on the Fairness Index for all state aid and 92 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

45 / 100

159th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 50 | 53 | 36 | 42 |

Rank under other weightings: 142nd to 190th.

Weighting-dependent: the range crosses the 45–55 band

Worthington received less than its share of state aid on two of four measures; its blended score of 45 stays between 42 and 49 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

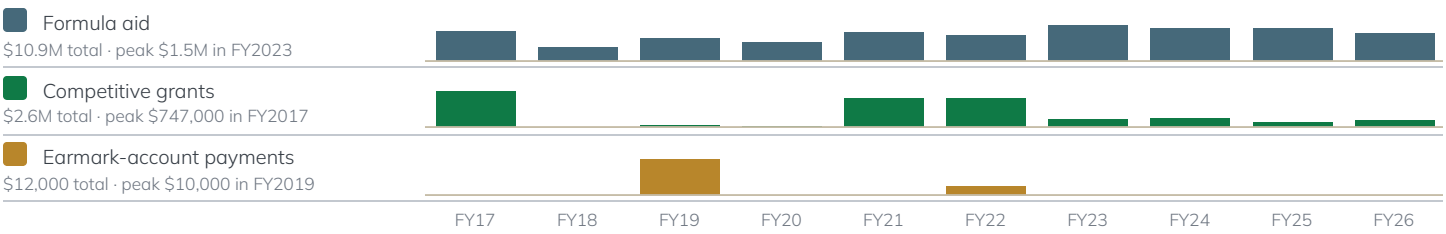
92 / 100

40th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 94 | 95 | 86 | 92 |

Rank under other weightings: 38th to 43rd.

Stable high: above 55 under every weighting



Worthington received more than its share of discretionary money on all four measures; its blended score of 92 stays between 90 and 93 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Worthington's town government and school districts received $10.9 million in formula aid and $2.6 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $10.9M | $2.6M | $12,000 |
| $10,665 per resident (159th of 351) · gross | $2,563 per resident (37th of 351) | $12.24 per resident (245th of 351) |

**Competitive grants to Worthington peaked in FY2017 at $747,000, 29% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $453,000, are not shown.

## EARMARKS

### Worthington received $60,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN WORTHINGTON

## State programs also awarded $711,000 to organizations in Worthington other than the town government, FY2016–FY2027.

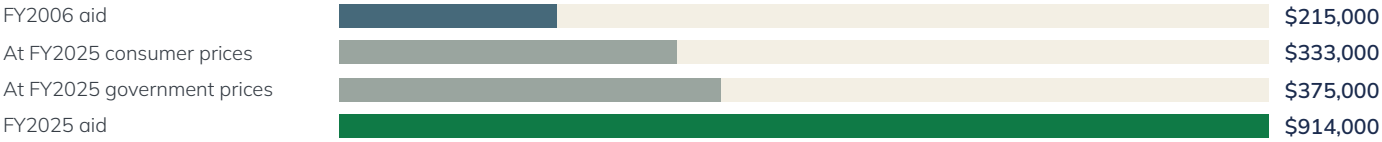
These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Worthington. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Worthington Historical Society nonprofit | Cultural Facilities Fund | $120,000 |
| FY2019 | Worthington Snowmobile Club nonprofit | MassTrails Grants | $40,000 |
| FY2023 | Sevenars Concerts nonprofit | Cultural Facilities Fund | $20,000 |
| FY2025 | Worthington Historical Society nonprofit | Cultural Facilities Fund | $4,000 |
| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

A further $523,000 in 10 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT



## State aid covered 18.2% of Worthington's general-fund spending in FY2025, up from 9.5% in FY2006.

**Worthington's state aid kept pace with both price measures: FY2025 aid was 174.6% above its FY2006 aid grown by Boston-area consumer prices and 144.1% above grown by the government price index.**

Gross state aid went from $215,000 in FY2006 to $914,000 in FY2025, +325.9% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+134.3%** | **+196.8%** | **7 of 9** | **4 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Worthington's health insurance would have been $182,000 in FY2025; it was $342,000, $160,000 above the path. Its fixed costs would have been $328,000 in FY2025; it was $780,000, $452,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2022 (+44%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Worthington's government came to $60,000, 30.6% of the $196,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

## ROADS, BRIDGES AND DAMS

### Worthington has $992,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

| two rated poor; likely about $1.4M of work on those ($666,000 with short spans at the federal unit cost) | the town owns no dams in the state inventory | bridges $965,000 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Worthington came on average 27 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN WRENTHAM

## State programs also awarded $606,000 to organizations in Wrentham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Wrentham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

|---|---|---|---|
| FY2025 | Southeast Regional Planning & Economic Development District regional body | Gaming Commission Community Mitigation Fund | $39,000 (shared six ways) |
| FY2020 | Towns of Foxborough, Plainville and Wrentham nonprofit | Gaming Commission Community Mitigation Fund | $25,000 (shared three ways) |

A further $530,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 10.0% of Wrentham's general-fund spending in FY2025, down from 17.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **17.3%** | **12.9%** | **10.0%** | **7.5%** |
| $5.4M of $31M · median town 14.1% | $5M of $38.9M · median town 12.2% | $5.4M of $54.1M · median town 11.5% | FY2010: 15.0% · median town 10.0% |

Wrentham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Wrentham's state aid did not keep pace with either price measure: FY2025 aid was 35.1% below its FY2006 aid grown by Boston-area consumer prices and 42.3% below grown by the government price index.**

Gross state aid went from $5.4 million in FY2006 to $5.4 million in FY2025, +0.6% in dollars. Flag: in FY2010, $293,000 of Wrentham's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+28.0%** | **+51.3%** | **5 of 9** | **4 of 9** |
| $3.4M to $4.4M · all towns +54.0% | $5.3M to $7.9M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Wrentham's health insurance would have been $4.30 million in FY2025; it was $4.41 million, $107,000 above the path. Its fixed costs would have been $6.56 million in FY2025; it was $7.94 million, $1.39 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Wrentham's government came to $502,000, 52.1% of the $964,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Wrentham runs its own district for some grades and belongs to King Philip, Tri County and Norfolk County for others; Wrentham accounts for 39%, 8% and 4% of their foundation budgets, in that order.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $54.6 million for schools serving Wrentham, FY2017 to August 2026.

**Cost after approval.** After approval, the Board added money to grants for one project serving Wrentham; Wrentham's share of the additions, by enrollment where a school is regional, was $1.7 million, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Wrentham has $2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Wrentham came on average 45 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Yarmouth's town government and school districts received $157 million in formula aid and $9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$157M** | **$9M** | **$296,000** |
| $6,216 per resident (330th of 351) · gross | $356 per resident (186th of 351) | $11.74 per resident (249th of 351) |

**Competitive grants to Yarmouth peaked in FY2025 at $5.7 million, 63% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $63 million, are not shown.

EARMARKS

## Yarmouth received $58,000 in local earmarks to its government, $218,000 placed in the city or town and $218,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN YARMOUTH

## State programs also awarded $548,000 to organizations in Yarmouth other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Yarmouth. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 1.8% of Yarmouth's general-fund spending in FY2025, down from 3.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 3.4% | 2.1% | 1.8% | 0.8% |
| $1.8M of $51.8M · median town 14.1% | $1.5M of $70.7M · median town 12.2% | $1.9M of $103M · median town 11.5% | FY2010: 1.5% · median town 10.0% |

Yarmouth's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $10.7 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Yarmouth's state aid did not keep pace with either price measure: FY2025 aid was 30.6% below its FY2006 aid grown by Boston-area consumer prices and 38.3% below grown by the government price index.**

Gross state aid went from $1.8 million in FY2006 to $1.9 million in FY2025, +7.6% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +43.0% | +57.4% | 5 of 9 | 5 of 9 |
| $2.1M to $3M · all towns +54.0% | $6.1M to $9.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Yarmouth's health insurance would have been $2.59 million in FY2025; it was $2.97 million, $377,000 above the path. Its fixed costs would have been $7.63 million in FY2025; it was $9.61 million, $1.98 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Yarmouth's government came to $58,000, 6.4% of the $893,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Measure | Earmarks | Share of the increase | All towns, pooled |

SCHOOLS

## Yarmouth's required school contribution is 3.0% of median household income, 67th highest of 351.

| Chapter 70 aid, FY2026 | Required local contribution |

| 67th of 351 (1 = highest) | after inflation |

Yarmouth has no school district of its own. Its pupils attend Dennis-Yarmouth and Cape Cod; Yarmouth accounts for 70% and 21% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $41.4 million for schools serving Yarmouth, FY2017 to August 2026.

| Approved, Yarmouth's share | Projects | Statewide |
|---|---|---|
| $41.4M | 2 | $8.66B |
| $1,643 per resident (107th of 351) | approved, July 2016 to August 2026 | shared by 278 of 351 municipalities |

School building grants approved, newest first

| Year | School | District | Program | Maximum grant | Yarmouth's share |
|---|---|---|---|---|---|
| FY2019 | Mattacheese Middle School | Dennis Yarmouth | Core | $45.3M | $31.6M (70%) |
| FY2018 | Cape Cod Regional Technical High School grant increased by Board vote | Cape Cod | Core | $5.3M | $1.1M (21%) |
| FY2018 | Cape Cod Regional Technical High School | Cape Cod | Core | $42.5M | $8.8M (21%) |

**Cost after approval.** After approval, the Board added money to grants for one project serving Yarmouth; Yarmouth's share of the additions, by enrollment where a school is regional, was $1.1 million. Of the one project closed with a final audit, Yarmouth's share of the final cost was $23.9 million against its share of the approved budget of $26.4 million (under by $2.5 million); the local share moved from $17.6 million to $14.5 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Yarmouth has $3.6 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Yarmouth came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).
