FAIRNESS INDEX

## Millis scores 39 on the Fairness Index for all state aid and 42 for discretionary money. Fifty is a fair share.

ALL STATE AID

**39** / 100

230th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 38 | 49 | 38 | 30 |

Rank under other weightings: 215th to 239th.

Stable low: below 45 under every weighting

Millis received less than its share of state aid on all four measures; its blended score of 39 stays between 36 and 42 under every weighting tested.

DISCRETIONARY MONEY ONLY

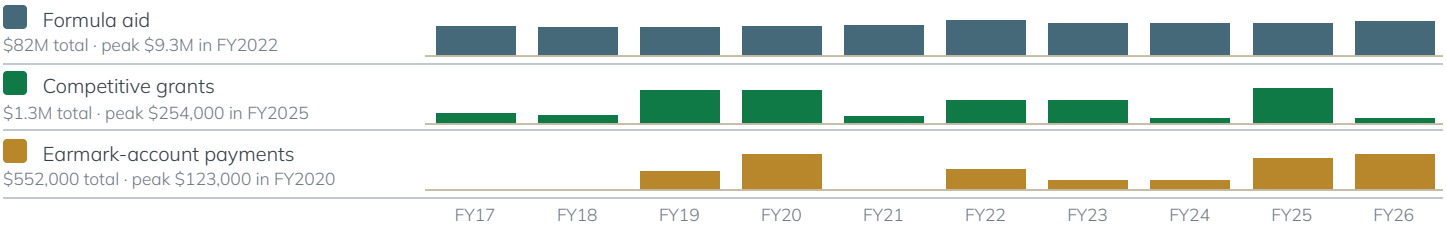
**42** / 100

221st of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 40 | 52 | 43 | 33 |

Rank under other weightings: 208th to 227th.

Weighting-dependent: the range crosses the 45–55 band



Millis received less than its share of discretionary money on three of four measures; its blended score of 42 stays between 39 and 46 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Millis's town government and school districts received $82 million in formula aid and $1.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $82M | $1.3M | $552,000 |
| $9,221 per resident (208th of 351) · gross | $150 per resident (289th of 351) | $62.05 per resident (51st of 351) |

**Competitive grants to Millis were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $7.1 million, are not shown.

EARMARKS

## Millis received $1.3 million in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN MILLIS

## State programs also awarded $299,000 to organizations in Millis other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Millis. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $299,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 15.1% of Millis's general-fund spending in FY2025, down from 20.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **20.9%** | **22.9%** | **15.1%** | **14.2%** |
| $3.9M of $18.9M · median town 14.1% | $6.1M of $26.7M · median town 12.2% | $6.9M of $45.6M · median town 11.5% | FY2010: 23.3% · median town 10.0% |

Millis's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $186,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Millis's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 12.4% above its FY2006 aid grown by Boston-area consumer prices and 0.1% below grown by the government price index.**

Gross state aid went from $3.9 million in FY2006 to $6.9 million in FY2025, +74.3% in dollars. Flag: in FY2010, $752,000 of Millis's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

| FY2017 | Clyde F. Brown Elementary School | Millis | Core | $21.4M | $21.4M |

**Cost after approval.** After approval, the Board added money to grants for one project serving Millis; Millis's share of the additions, by enrollment where a school is regional, was $908,000, all of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Millis's share of the final cost was $48.2 million against its share of the approved budget of $52.8 million (under by $4.5 million); the local share moved from $31.3 million to $27.4 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Millis has $761,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Millis came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Millville $637,000 and takes back $22,000 in assessments and charges, a net $614,000.

COSTS AND THE 2½% LIMIT

## State aid covered 7.7% of Millville's general-fund spending in FY2025, down from 8.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.2%** | **8.3%** | **7.7%** | **7.4%** |
| $376,000 of $4.6M · median town 14.1% | $463,000 of $5.6M · median town 12.2% | $600,000 of $7.8M · median town 11.5% | FY2010: 8.5% · median town 10.0% |

Millville's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Millville's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 2.9% above its FY2006 aid grown by Boston-area consumer prices and 8.6% below grown by the government price index.**

Gross state aid went from $376,000 in FY2006 to $600,000 in FY2025, +59.5% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+68.9%** | **+37.4%** | **6 of 9** | **4 of 9** |
| $90,000 to $153,000 · all towns +54.0% | $297,000 to $408,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Millville's health insurance would have been $113,000 in FY2025; it was $153,000, $40,000 above the path. Its fixed costs would have been $371,000 in FY2025; it was $408,000, $37,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2024 (+43%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Millville's government came to $345,000, 5.5 times the $62,000 rise in its health insurance.

Millville has no school district of its own. Its pupils attend Millville, Blackstone-Millville and Blackstone Valley; Millville accounts for 100%, 25% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $20.3 million for schools serving Millville, FY2017 to August 2026.

**Cost after approval.** Of the two projects closed with a final audit, Millville's share of the final cost was $1.1 million against its share of the approved budget of $1.6 million (under by $485,000); the local share moved from $705,000 to $504,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Millville has $662,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Millville came on average 40 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026;

counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Milton's town government and school districts received $209 million in formula aid and $2.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $209M | $2.2M | $922,000 |
| $7,307 per resident (277th of 351) · gross | $76.91 per resident (338th of 351) | $32.26 per resident (140th of 351) |

**Competitive grants to Milton peaked in FY2020 at $502,000, 23% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $8.1 million, are not shown.

EARMARKS

## Milton received $1 million in local earmarks to its government, $2.1 million placed in the city or town and $7.7 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $1M | $2.1M | $7.7M | No |
| $36.63 per resident (129th of 351) | $74.41 per resident (105th of 351) · 51% to organizations | $270 per resident (10th of 351) · 14% to organizations | 35 municipalities had none |

Placed in the city or town: 46 clauses in ten of ten budgets; the most recent in FY2026. $1 million went to Milton's government, its schools or municipal projects; the other $1.1 million went to organizations in Milton or named with it, some of which serve a wider area.

Clauses that name Milton but fund a state facility or a MassHealth rate add-on, $3.9 million, count under everything placed only.

Everything placed, the third measure, adds $5.6 million in 13 clauses for state facilities located in Milton (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN MILTON

## State programs also awarded $152,000 to organizations in Milton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Milton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | Captain Robert Bennet Forbes House nonprofit | Cultural Facilities Fund | $68,000 |
| FY2023 | Massachusetts Audubon Society, Inc. nonprofit | MassTrails Grants | $60,000 |
| FY2021 | Captain Robert Bennet Forbes House Muesum nonprofit | Cultural Facilities Fund | $12,000 |

A further $12,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 13.3% of Milton's general-fund spending in FY2025, up from 11.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.5%** | **10.6%** | **13.3%** | **9.8%** |
| $7.5M of $64.8M · median town 14.1% | $9.9M of $93.5M · median town 12.2% | $17.9M of $135M · median town 11.5% | FY2010: 6.2% · median town 10.0% |

Milton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $191,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Milton's state aid kept pace with both price measures: FY2025 aid was 54.8% above its FY2006 aid grown by Boston-area consumer prices and 37.6% above grown by the government price index.**

Gross state aid went from $7.5 million in FY2006 to $17.9 million in FY2025, +140.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+61.5%** | **+17.6%** | **4 of 9** | **5 of 9** |
| $13.4M to $21.6M · all towns +54.0% | $20.2M to $23.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Milton's health insurance would have been $16.7 million in FY2025; it was $21.6 million, $4.89 million above the path. Its fixed costs would have been $25.2 million in FY2025; it was $23.7 million, $1.48 million below the path.

Flag: health insurance changed by more than 30% in one year in FY2022 (+41%) and FY2025 (+35%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Milton's government came to $987,000, 12.0% of the $8.22 million rise in its health insurance.

**Cost after approval.** Of the one project closed with a final audit, Milton's share of the final cost was $3.8 million against its share of the approved budget of $3.6 million (over by $164,000); the local share moved from $1.7 million to $2 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Milton has $1.7 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Milton came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Milton owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Milton received $4.5 million in earmarks placed in the city or town and competitive grants over ten years, 50% of the $9 million its size, need and institutions predict.

PEERS

## Milton ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $2.1 million in earmarks placed in Milton, $1.1 million (51%) went to organizations rather than to Milton's government.

Monroe received more than its share of discretionary money on all four measures; its blended score of 98 stays between 97 and 98 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Monroe's town government and school districts received $2.5 million in formula aid and $2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $2.5M | $2M | $6,458 |
| $20,140 per resident (26th of 351) · gross | $16,477 per resident (2nd of 351) | $52.93 per resident (74th of 351) |

**Competitive grants to Monroe peaked in FY2025 at $902,000, 45% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 122 residents, a single payment moves Monroe's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.7 million, are not shown.

## EARMARKS

### Monroe received $12,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $12,000 | $12,000 | $12,000 | No |

STATE MONEY TO OTHERS IN MONROE

## State programs also awarded $20,000 to organizations in Monroe other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Monroe. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Monroe's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $24,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Monroe's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 4.9% above its FY2006 aid grown by Boston-area consumer prices and 6.8% below grown by the government price index.**

Gross state aid went from $112,000 in FY2006 to $181,000 in FY2025, +62.7% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Monroe's health insurance would have been $51,000 in FY2025; it was $53,000, $1,958 above the path. Its fixed costs would have been $121,000 in FY2025; it was $124,000, $3,441 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2019 (+117%) and FY2020 (–47%); health insurance changed by more than 30% in one year in FY2021 (+98%), FY2022 (–51%) and FY2025 (+40%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Monroe's government came to $12,000, 99.7% of the $12,000 rise in its health insurance.

SCHOOLS

## Monroe's required school contribution is $121,000 in FY2026; the Census reports no median household income for Monroe, so its share of income is not available.

Monroe has no school district of its own. Its pupils attend Monroe and Northern Berkshire; Monroe accounts for 100% and 1% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide. Monroe had 23 resident pupils in FY2026, so per-pupil changes swing from year to year.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $65,000 for schools serving Monroe, FY2017 to August 2026.

**Cost after approval.** After approval, the Board added money to grants for one project serving Monroe; Monroe's share of the additions, by enrollment where a school is regional, was $4,000.

ROADS, BRIDGES AND DAMS

## Monroe has $337,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Monroe came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Weighting-dependent: the range crosses the 45–55 band

Monson received less than its share of discretionary money on all four measures; its blended score of 44 stays between 43 and 46 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Monson's town government and school districts received $126 million in formula aid and $2.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $126M | $2.7M | $2,500 |
| $15,493 per resident (68th of 351) · gross | $338 per resident (191st of 351) | $0.31 per resident (334th of 351) |

**Competitive grants to Monson peaked in FY2020 at $826,000, 30% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.4 million, are not shown.

EARMARKS

## Monson received $121,000 in local earmarks in ten enacted budgets on all three measures.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Monson $10.5 million and takes back $814,000 in assessments and charges, a net $9.7 million.

STATE MONEY TO OTHERS IN MONSON

## State programs also awarded $833,000 to organizations in Monson other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Monson. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Trustees of Reservations nonprofit | Dam and Seawall Repair or Removal Program | $225,000 |
| FY2027 | Pulpit Rock Pond Preservation Trust, Inc. nonprofit | Dam and Seawall Repair or Removal Program | $89,000 |

A further $519,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 34.2% of Monson's general-fund spending in FY2025, down from 49.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **49.6%** | **41.0%** | **34.2%** | **30.8%** |
| $10.9M of $22M · median town 14.1% | $9.7M of $23.6M · median town 12.2% | $10.2M of $29.7M · median town 11.5% | FY2010: 45.4% · median town 10.0% |

Monson's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $897,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Monson's state aid did not keep pace with either price measure: FY2025 aid was 39.8% below its FY2006 aid grown by Boston-area consumer prices and 46.5% below grown by the government price index.**

Gross state aid went from $10.9 million in FY2006 to $10.2 million in FY2025, –6.6% in dollars. Flag: in FY2010, $2.6 million of Monson's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Monson's health insurance would have been $2.55 million in FY2025; it was $2.83 million, $279,000 above the path. Its fixed costs would have been $4.83 million in FY2025; it was $6.06 million, $1.23 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Monson's government came to $121,000, 15.3% of the $788,000 rise in its health insurance.

**Cost after approval.** Of the one project closed with a final audit, the final cost was $2.8 million against an approved budget of $5.1 million (under by $2.3 million); the local share moved from $2.1 million to $1.3 million. Approved budgets include contingency.

## ROADS, BRIDGES AND DAMS

### Monson has $910,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns four bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Monson came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## FAIRNESS INDEX

### Montague scores 55 on the Fairness Index for all state aid and 85 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**55** / 100

89th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 57 | 46 | 60 | 56 |

Rank under other weightings: 62nd to 111th.

Weighting-dependent: the range crosses the 45–55 band

Montague received more than its share of state aid on three of four measures; its blended score of 55 stays between 53 and 57 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

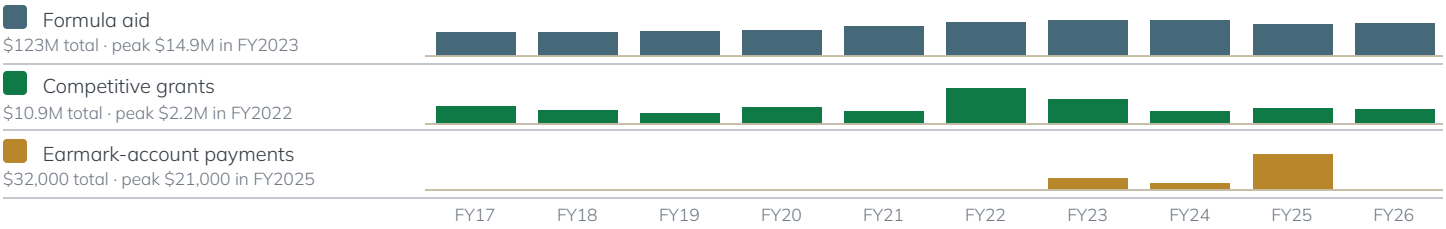
**85** / 100

61st of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 87 | 81 | 87 | 86 |

Rank under other weightings: 52nd to 65th.

Stable high: above 55 under every weighting



Montague received more than its share of discretionary money on all four measures; its blended score of 85 stays between 84 and 86 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Montague's town government and school districts received $123 million in formula aid and $10.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $123M | $10.9M | $32,000 |
| $14,528 per resident (83rd of 351) · gross | $1,282 per resident (64th of 351) | $3.82 per resident (302nd of 351) |

**Competitive grants to Montague peaked in FY2022 at $2.2 million, 20% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $15 million, are not shown.

## EARMARKS

### Montague received $225,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $225,000 | $225,000 | $225,000 | No |

STATE MONEY TO OTHERS IN MONTAGUE

## State programs also awarded $2.2 million to organizations in Montague other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Montague. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 8.7% of Montague's general-fund spending in FY2025, down from 10.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **10.1%** | **9.2%** | **8.7%** | **8.3%** |
| $1.4M of $13.6M · median town 14.1% | $1.6M of $17.7M · median town 12.2% | $2.2M of $25.7M · median town 11.5% | FY2010: 9.5% · median town 10.0% |

Montague's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $8.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Montague's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 5.1% above its FY2006 aid grown by Boston-area consumer prices and 6.6% below grown by the government price index.**

Gross state aid went from $1.4 million in FY2006 to $2.2 million in FY2025, +62.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Montague's health insurance would have been $1.05 million in FY2025; it was $1.30 million, $252,000 above the path. Its fixed costs would have been $2.34 million in FY2025; it was $2.71 million, $373,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Montague's government came to $225,000, 48.9% of the $460,000 rise in its health insurance.

Montague has no school district of its own. Its pupils attend Montague, Gill-Montague and Franklin County; Montague accounts for 100%, 88% and 12% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Montague came on average 13 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Monterey's town government and school districts received $11.3 million in formula aid and $7.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $11.3M | $7.3M | $0 |
| $11,798 per resident (133rd of 351) · gross | $7,628 per resident (6th of 351) | $0 per resident (339th of 351) |

**Competitive grants to Monterey peaked in FY2020 at $2.8 million, 38% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 954 residents, a single payment moves Monterey's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.9 million, are not shown.

## EARMARKS

### No local earmark was placed in Monterey in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN MONTEREY

## State programs also awarded $249,000 to organizations in Monterey other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Monterey. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

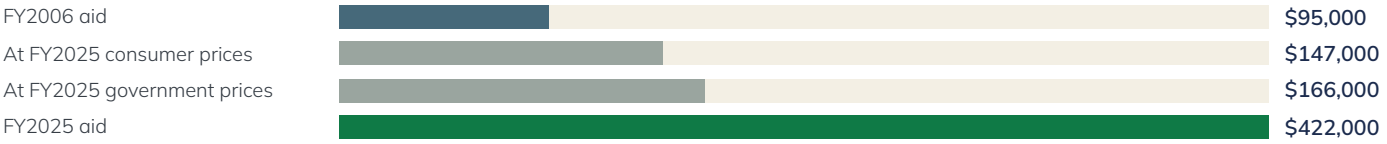
COSTS AND THE 2½% LIMIT



## State aid covered 7.6% of Monterey's general-fund spending in FY2025, up from 3.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **3.6%** | **7.4%** | **7.6%** | **7.6%** |
| $95,000 of $2.6M · median town 14.1% | $290,000 of $3.9M · median town 12.2% | $422,000 of $5.6M · median town 11.5% | FY2010: 5.9% · median town 10.0% |

Monterey's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $286,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Monterey's state aid kept pace with both price measures: FY2025 aid was 186.6% above its FY2006 aid grown by Boston-area consumer prices and 154.7% above grown by the government price index.**

Gross state aid went from $95,000 in FY2006 to $422,000 in FY2025, +344.5% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–1.1%** | **+40.3%** | **4 of 9** | **3 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Monterey's health insurance would have been $194,000 in FY2025; it was $154,000, $40,000 below the path. Its fixed costs would have been $404,000 in FY2025; it was $454,000, $50,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Monterey's reported health insurance fell from $156,000 in FY2016 to $154,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Monterey has no school district of its own. Its pupils attend Southern Berkshire; Monterey accounts for 13% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Monterey, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Monterey has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Monterey came on average 31 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Monterey owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

**Monterey owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

Montgomery received less than its share of discretionary money on three of four measures; its blended score of 44 stays between 40 and 47 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Montgomery's town government and school districts received $7.4 million in formula aid and $225,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $7.4M | $225,000 | $72,000 |
| $9,334 per resident (204th of 351) · gross | $283 per resident (216th of 351) | $89.87 per resident (29th of 351) |

**Competitive grants to Montgomery peaked in FY2024 at $99,000, 44% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 796 residents, a single payment moves Montgomery's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $553,000, are not shown.

EARMARKS

## Montgomery received $36,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN MONTGOMERY

## State programs also awarded $3,958 to organizations in Montgomery other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Montgomery. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 7.2% of Montgomery's general-fund spending in FY2025, down from 8.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.2%** | **6.4%** | **7.2%** | **6.7%** |
| $105,000 of $1.3M · median town 14.1% | $111,000 of $1.7M · median town 12.2% | $155,000 of $2.1M · median town 11.5% | FY2010: 6.1% · median town 10.0% |

Montgomery's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $227,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Montgomery's state aid did not keep pace with either price measure: FY2025 aid was 5.0% below its FY2006 aid grown by Boston-area consumer prices and 15.5% below grown by the government price index.**

Gross state aid went from $105,000 in FY2006 to $155,000 in FY2025, +47.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–2.0%** | **+35.1%** | **5 of 9** | **5 of 9** |
| $51,000 to $50,000 · all towns +54.0% | $112,000 to $152,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Montgomery's health insurance would have been $63,000 in FY2025; it was $50,000, $14,000 below the path. Its fixed costs would have been $140,000 in FY2025; it was $152,000, $11,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2025 (–34%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Montgomery's reported health insurance fell from $51,000 in FY2016 to $50,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Measure | Earmarks | Share of the increase | All towns, pooled |
|---|---|---|---|
| To the city or town government | $36,000 | no increase | 13.0% |
| Placed in the city or town | $36,000 | no increase | 41.2% |
| Everything placed | $36,000 | no increase | 45.2% |

SCHOOLS

## Montgomery's required school contribution is 2.3% of median household income, 282nd highest of 351.

| Chapter 70 aid, FY2026 | Required local contribution |
|---|---|
| **$360,000** | **$899,000** |

| Share of household income | Real aid per pupil, FY2017–26 |
| **2.3%** | **–8%** |
| 282nd of 351 (1 = highest) | after inflation |

Montgomery has no school district of its own. Its pupils attend Montgomery and Gateway; Montgomery accounts for 100% and 9% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Montgomery, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Montgomery has $886,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns three bridges rated poor and no high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

| Town-owned bridges | High- or significant-hazard dams | Bridge, dam and culvert grants, FY2017–FY2026 |
| **8** | **0** | **$0** |
| three rated poor; likely about $1.6M of work on those ($898,000 with short spans at the federal unit cost) | the town owns no dams in the state inventory | bridges $0 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Montgomery came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Montgomery owns two poor bridges of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

STATE MONEY TO OTHERS IN MOUNT WASHINGTON

## State programs also awarded $32,000 to organizations in Mount Washington other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Mount Washington. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |

COSTS AND THE 2½% LIMIT

## State aid covered 44.6% of Mount Washington's general-fund spending in FY2025, up from 23.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **23.5%** | **52.4%** | **44.6%** | **44.6%** |
| $115,000 of $486,000 · median town 14.1% | $346,000 of $660,000 · median town 12.2% | $414,000 of $927,000 · median town 11.5% | FY2010: 30.1% · median town 10.0% |

**Mount Washington's state aid kept pace with both price measures: FY2025 aid was 133.0% above its FY2006 aid grown by Boston-area consumer prices and 107.1% above grown by the government price index.**

Gross state aid went from $115,000 in FY2006 to $414,000 in FY2025, +261.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **−11.8%** | **+5.1%** | **2 of 9** | **2 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Mount Washington's health insurance would have been $67,000 in FY2025; it was $48,000, $20,000 below the path. Its fixed costs would have been $121,000 in FY2025; it was $102,000, $19,000 below the path.

Flag: health insurance changed by more than 30% in one year in FY2017 (+34%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Mount Washington's reported health insurance fell from $54,000 in FY2016 to $48,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Mount Washington operates no schools. DESE carries it as a non-operating district, and its pupils attend schools in other districts. Mount Washington had five resident pupils in FY2026, so per-pupil changes swing from year to year.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Mount Washington, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Mount Washington has $583,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Mount Washington came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Nahant's town government and school districts received $19.7 million in formula aid and $891,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $19.7M | $891,000 | $179,000 |
| $5,917 per resident (337th of 351) · gross | $268 per resident (221st of 351) | $53.97 per resident (69th of 351) |

**Competitive grants to Nahant were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.5 million, are not shown.

EARMARKS

## Nahant received $420,000 in local earmarks to its government, $437,000 placed in the city or town and $2.3 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $420,000 | $437,000 | $2.3M | No |
| $126 per resident (13th of 351) | $131 per resident (37th of 351) · 4% to organizations | $697 per resident (3rd of 351) · 1% to organizations | 35 municipalities had none |

Placed in the city or town: 14 clauses in six of ten budgets; the most recent in FY2026. $420,000 went to Nahant's government, its schools or municipal projects; the other $17,000 went to organizations in Nahant or named with it, some of which serve a wider area.

Clauses that name Nahant but fund a state facility or a MassHealth rate add-on, $1.9 million, count under everything placed only.

Everything placed, the third measure, adds $1.9 million in 11 clauses for state facilities located in Nahant (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN NAHANT

## State programs also awarded $203,000 to organizations in Nahant other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Nahant. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2018 | Northeastern University nonprofit | CZM Coastal Resilience Grant | $203,000 |

COSTS AND THE 2½% LIMIT

## State aid covered 7.9% of Nahant's general-fund spending in FY2025, down from 9.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.2%** | **8.9%** | **7.9%** | **5.5%** |
| $845,000 of $9.1M · median town 14.1% | $913,000 of $10.3M · median town 12.2% | $1.2M of $14.6M · median town 11.5% | FY2010: 7.4% · median town 10.0% |

Nahant's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $49,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Nahant's state aid did not keep pace with either price measure: FY2025 aid was 11.7% below its FY2006 aid grown by Boston-area consumer prices and 21.5% below grown by the government price index.**

Gross state aid went from $845,000 in FY2006 to $1.2 million in FY2025, +37.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+54.9%** | **+58.4%** | **6 of 9** | **5 of 9** |
| $741,000 to $1.1M · all towns +54.0% | $1.7M to $2.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Nahant's health insurance would have been $926,000 in FY2025; it was $1.15 million, $223,000 above the path. Its fixed costs would have been $2.13 million in FY2025; it was $2.70 million, $571,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Nahant's government came to $365,000, 89.6% of the $407,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Nahant has $70,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Nahant came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Nahant received $1.4 million in earmarks placed in the city or town and competitive grants over ten years, 68% of the $2.1 million its size, need and institutions predict.

PEERS

## Nahant ranks 2nd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $437,000 in earmarks placed in Nahant, $17,000 (4%) went to organizations rather than to Nahant's government.

STATE MONEY TO OTHERS IN NANTUCKET

## State programs also awarded $2.9 million to organizations in Nantucket other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Nantucket. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

**Nantucket's state aid kept pace with both price measures: FY2025 aid was 188.3% above its FY2006 aid grown by Boston-area consumer prices and 156.2% above grown by the government price index.**

Gross state aid went from $1.1 million in FY2006 to $5 million in FY2025, +347.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Nantucket's health insurance would have been $17.9 million in FY2025; it was $20.4 million, $2.47 million above the path. Its fixed costs would have been $22.6 million in FY2025; it was $28.7 million, $6.09 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2022 (+78%) and FY2023 (–33%); health insurance changed by more than 30% in one year in FY2022 (+100%) and FY2023 (–41%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Nantucket's government came to $50,000, 0.8% of the $6.04 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Nantucket came on average 63 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Nantucket received $9 million in earmarks placed in the city or town and competitive grants over ten years, 51% of the $17.4 million its size, need and institutions predict.

PEERS

## Nantucket ranks 11th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $250,000 in earmarks placed in Nantucket, $200,000 (80%) went to organizations rather than to Nantucket's government.

STATE MONEY, FY2017–FY2026

## Natick's town government and school districts received $244 million in formula aid and $3.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $244M | $3.2M | $2.1M |
| $6,624 per resident (311th of 351) · gross | $86.76 per resident (331st of 351) | $58.15 per resident (61st of 351) |

**Competitive grants to Natick peaked in FY2023 at $677,000, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $36 million, are not shown.

EARMARKS

## Natick received $2.1 million in local earmarks to its government, $2.9 million placed in the city or town and $3 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $2.1M | $2.9M | $3M | No |
| $57.74 per resident (62nd of 351) | $78.89 per resident (96th of 351) · 27% to organizations | $82.28 per resident (103rd of 351) · 26% to organizations | 35 municipalities had none |

Placed in the city or town: 51 clauses in ten of ten budgets; the most recent in FY2026. $2.1 million went to Natick's government, its schools or municipal projects; the other $780,000 went to organizations in Natick or named with it, some of which serve a wider area.

Clauses that name Natick but fund a state facility or a MassHealth rate add-on, $125,000, count under everything placed only.

Everything placed, the third measure, adds $125,000 in one clause for state facilities located in Natick (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN NATICK

## State programs also awarded $348,000 to organizations in Natick other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Natick. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 9.9% of Natick's general-fund spending in FY2025, down from 12.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **12.1%** | **10.3%** | **9.9%** | **9.2%** |
| $11M of $90.9M · median town 14.1% | $13M of $126M · median town 12.2% | $19M of $192M · median town 11.5% | FY2010: 9.1% · median town 10.0% |

Natick's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $276,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Natick's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 11.1% above its FY2006 aid grown by Boston-area consumer prices and 1.3% below grown by the government price index.**

Gross state aid went from $11 million in FY2006 to $19 million in FY2025, +72.3% in dollars. Flag: in FY2010, $917,000 of Natick's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Natick's health insurance would have been $16.9 million in FY2025; it was $18.5 million, $1.57 million above the path. Its fixed costs would have been $29.2 million in FY2025; it was $36.3 million, $7.18 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Natick's government came to $1.9 million, 38.1% of the $4.94 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Natick has $2.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Natick came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Natick owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

EXPECTED AND ACTUAL

## Natick received $8.5 million in earmarks placed in the city or town and competitive grants over ten years, 72% of the $11.8 million its size, need and institutions predict.

PEERS

## Natick ranks 3rd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $2.9 million in earmarks placed in Natick, $780,000 (27%) went to organizations rather than to Natick's government.

STATE MONEY, FY2017–FY2026

## Needham's town government and school districts received $216 million in formula aid and $1.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$216M** | **$1.1M** | **$904,000** |
| $6,664 per resident (306th of 351) · gross | $33.58 per resident (351st of 351) | $27.85 per resident (156th of 351) |

**Competitive grants to Needham peaked in FY2024 at $410,000, 38% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $32.1 million, are not shown.

EARMARKS

## Needham received $1.4 million in local earmarks to its government, $4.7 million placed in the city or town and $4.9 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.4M** | **$4.7M** | **$4.9M** | **No** |
| $43.24 per resident (95th of 351) | $144 per resident (31st of 351) · 70% to organizations | $150 per resident (33rd of 351) · 67% to organizations | 35 municipalities had none |

Placed in the city or town: 36 clauses in ten of ten budgets; the most recent in FY2026. $1.4 million went to Needham's government, its schools or municipal projects; the other $3.3 million went to organizations in Needham or named with it, some of which serve a wider area.

Clauses that name Needham but fund a state facility or a MassHealth rate add-on, $175,000, count under everything placed only.

Everything placed, the third measure, adds $175,000 in two clauses for state facilities located in Needham (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Needham $18.1 million and takes back $1.7 million in assessments and charges, a net $16.4 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |
|---|---|---|

STATE MONEY TO OTHERS IN NEEDHAM

## State programs also awarded $686,000 to organizations in Needham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Needham. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town’s share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2027 | Affordable Housing and Services Collaborative, Inc. regional body | Community One Stop for Growth | $500,000 |
| FY2026 | Plugged In Band Program nonprofit | Cultural Facilities Fund | $35,000 |
| FY2023 | Needham History Center & Museum nonprofit | Cultural Facilities Fund | $29,000 |
| FY2019 | Department of Conservation and Recreation state agency | MassTrails Grants | $2,500 (shared four ways) |

A further $119,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family’s name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.9% of Needham's general-fund spending in FY2025, down from 9.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.2%** | **7.9%** | **6.9%** | **6.2%** |
| $7.9M of $85.7M · median town 14.1% | $10.8M of $136M · median town 12.2% | $16.2M of $233M · median town 11.5% | FY2010: 7.2% · median town 10.0% |

Needham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $183,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Needham's state aid kept pace with both price measures: FY2025 aid was 31.6% above its FY2006 aid grown by Boston-area consumer prices and 17.0% above grown by the government price index.**

Gross state aid went from $7.9 million in FY2006 to $16.2 million in FY2025, +104.1% in dollars. Flag: in FY2010, $745,000 of Needham's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Needham's health insurance would have been $20.2 million in FY2025; it was $24.6 million, $4.36 million above the path. Its fixed costs would have been $33.8 million in FY2025; it was $44.2 million, $10.4 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Needham's government came to $1.3 million, 15.3% of the $8.38 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** Of the one project closed with a final audit, Needham's share of the final cost was $54.1 million against its share of the approved budget of $65.9 million (under by $11.8 million); the local share moved from $51.9 million to $41.4 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Needham has $9.2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Needham came on average 50 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Needham owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

## STATE MONEY, FY2017–FY2026

### New Ashford's town government and school districts received $3.4 million in formula aid and $751,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $3.4M | $751,000 | $2,500 |
| $13,073 per resident (110th of 351) · gross | $2,924 per resident (33rd of 351) | $9.73 per resident (262nd of 351) |

**Competitive grants to New Ashford peaked in FY2018 at $478,000, 64% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 257 residents, a single payment moves New Ashford's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $223,000, are not shown.

## EARMARKS

### No local earmark was placed in New Ashford in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN NEW ASHFORD

## State programs also awarded $1,535 to organizations in New Ashford other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving New Ashford. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |

| FY2020 | Department of Conservation and Recreation state agency | MassTrails Grants | $813 (shared 16 ways) |
| FY2022 | Department of Conservation and Recreation state agency | MassTrails Grants | $722 (shared 18 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 48.7% of New Ashford's general-fund spending in FY2025, up from 40.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **40.0%** | **41.9%** | **48.7%** | **47.4%** |
| $181,000 of $452,000 · median town 14.1% | $238,000 of $569,000 · median town 12.2% | $268,000 of $550,000 · median town 11.5% | FY2010: 31.6% · median town 10.0% |

**New Ashford's state aid did not keep pace with either price measure: FY2025 aid was 4.4% below its FY2006 aid grown by Boston-area consumer prices and 15.0% below grown by the government price index.**

Gross state aid went from $181,000 in FY2006 to $268,000 in FY2025, +48.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| not reported | **–100.0%** | **0 of 2** | not reported |
| FY2016 or FY2025 not reported · all towns +54.0% | $61 to $0 · all towns +53.0% | fixed costs grew faster than allowed levy growth · seven years not reported | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, New Ashford's fixed costs would have been $76 in FY2025; it was $0, $76 below the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (−48%) and FY2018 (−100%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

New Ashford's health insurance is not reported for FY2016 or FY2025, so its earmarks are not set against it.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Measure | Earmarks | Share of the increase | All towns, pooled |

| Placed in the city or town | $0 | not reported | 41.2% |
| Everything placed | $0 | not reported | 45.2% |

## SCHOOLS

## New Ashford's required school contribution is 0.9% of median household income, the fifth-lowest of 351.

New Ashford operates no schools. DESE carries it as a non-operating district, and its pupils attend schools in other districts. New Ashford had 12 resident pupils in FY2026, so per-pupil changes swing from year to year.

## SCHOOL BUILDINGS

## No school building grant was approved for a school serving New Ashford, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

## New Ashford has $237,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to New Ashford came on average 42 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

New Bedford received more than its share of discretionary money on three of four measures; its blended score of 58 stays between 54 and 61 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### New Bedford's town government and school districts received $2.75 billion in formula aid and $47.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$2.75B** | **$47.1M** | **$755,000** |
| $27,251 per resident (7th of 351) · gross | $466 per resident (147th of 351) | $7.47 per resident (272nd of 351) |

**Competitive grants to New Bedford were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $148 million, are not shown.

## EARMARKS

### New Bedford received $1.5 million in local earmarks to its government, $12.7 million placed in the city or town and $12.8 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.5M** | **$12.7M** | **$12.8M** | **No** |

Placed in the city or town: 133 clauses in ten of ten budgets; the most recent in FY2026. $1.5 million went to New Bedford's government, its schools or municipal projects; the other $11.3 million went to organizations in New Bedford or named with it, some of which serve a wider area.

Clauses that name New Bedford but fund a state facility or a MassHealth rate add-on, $45,000, count under everything placed only.

Everything placed, the third measure, adds $45,000 in two clauses for state facilities located in New Bedford (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN NEW BEDFORD

## State programs also awarded $13.6 million to organizations in New Bedford other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving New Bedford. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government.

Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 52.7% of New Bedford's general-fund spending in FY2025, down from 55.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **55.7%** | **52.3%** | **52.7%** | **45.7%** |
| $132M of $238M · median town 14.1% | $154M of $294M · median town 12.2% | $273M of $519M · median town 11.5% | FY2010: 50.9% · median town 10.0% |

New Bedford's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $33.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**New Bedford's state aid kept pace with both price measures: FY2025 aid was 33.1% above its FY2006 aid grown by Boston-area consumer prices and 18.3% above grown by the government price index.**

Gross state aid went from $132 million in FY2006 to $273 million in FY2025, +106.4% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, New Bedford's health insurance would have been $61.8 million in FY2025; it was $92.3 million, $30.4 million above the path. Its fixed costs would have been $79.6 million in FY2025; it was $116 million, $36.8 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2023 (+67%); health insurance changed by more than 30% in one year in FY2023 (+82%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to New Bedford's government came to $1.4 million, 3.3% of the $42.8 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## New Bedford has $6.4 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and four high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to New Bedford came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## FAIRNESS INDEX

### New Braintree scores 56 on the Fairness Index for all state aid and 80 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**56** / 100

78th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 61 | 58 | 53 | 51 |

Rank under other weightings: 63rd to 93rd.

Weighting-dependent: the range crosses the 45–55 band

New Braintree received more than its share of state aid on all four measures; its blended score of 56 stays between 53 and 58 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

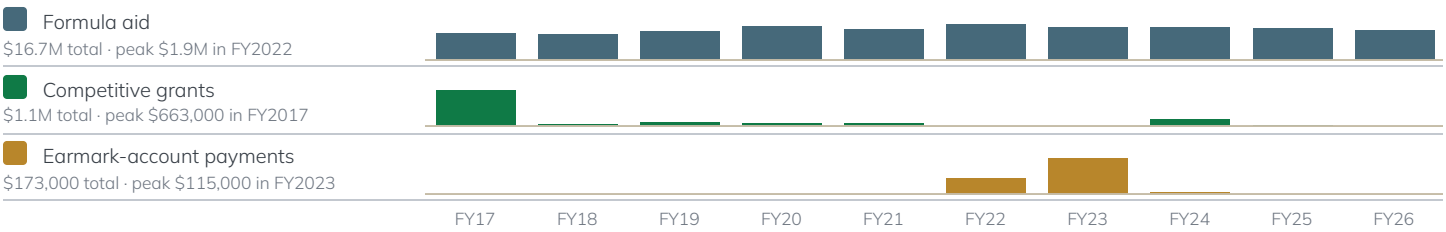
**80** / 100

80th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 85 | 84 | 70 | 79 |

Rank under other weightings: 74th to 87th.

Stable high: above 55 under every weighting



New Braintree received more than its share of discretionary money on all four measures; its blended score of 80 stays between 77 and 82 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### New Braintree's town government and school districts received $16.7 million in formula aid and $1.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $16.7M | $1.1M | $173,000 |
| $17,191 per resident (49th of 351) · gross | $1,081 per resident (73rd of 351) | $178 per resident (8th of 351) |

**Competitive grants to New Braintree peaked in FY2017 at $663,000, 63% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 973 residents, a single payment moves New Braintree's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.4 million, are not shown.

## EARMARKS

### New Braintree received $290,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $290,000 | $290,000 | $290,000 | No |

STATE MONEY TO OTHERS IN NEW BRAINTREE

## State programs also awarded $277,000 to organizations in New Braintree other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving New Braintree. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | East Quabbin Land Trust, Inc. nonprofit | MassTrails Grants | $102,000 (shared two ways) |
| FY2025 | East Quabbin Land Trust, Inc. nonprofit | MassTrails Grants | $80,000 (shared two ways) |

A further $95,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 9.0% of New Braintree's general-fund spending in FY2025, down from 9.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

New Braintree's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $695,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**New Braintree's state aid kept pace with both price measures: FY2025 aid was 17.8% above its FY2006 aid grown by Boston-area consumer prices and 4.7% above grown by the government price index.**

Gross state aid went from $152,000 in FY2006 to $278,000 in FY2025, +82.7% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, New Braintree's health insurance would have been $9,589 in FY2025; it was $49,000, $39,000 above the path. Its fixed costs would have been $149,000 in FY2025; it was $196,000, $47,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2018 (–43%), FY2019 (+78%) and FY2023 (+38%); health insurance changed by more than 30% in one year in FY2018 (+43%), FY2019 (+69%), FY2020 (–79%), FY2021 (+236%), FY2022 (+128%) and FY2023 (+111%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to New Braintree's government came to $290,000, 7.1 times the $41,000 rise in its health insurance.

New Braintree has no school district of its own. Its pupils attend Quabbin and Pathfinder; New Braintree accounts for 6% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $95,000 for schools serving New Braintree, FY2017 to August 2026.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to New Braintree came on average 21 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

New Braintree owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.

STATE MONEY TO OTHERS IN NEW MARLBOROUGH

## State programs also awarded $1.3 million to organizations in New Marlborough other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving New Marlborough. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | Berkshire Regional Planning Commission regional body | Community Compact Efficiency & Regionalization Grant | $8,696 (shared 23 ways) |

A further $1.3 million in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 2.6% of New Marlborough's general-fund spending in FY2025, down from 2.9% in FY2006.

New Marlborough's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $369,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**New Marlborough's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 11.5% above its FY2006 aid grown by Boston-area consumer prices and 0.9% below grown by the government price index.**

Gross state aid went from $94,000 in FY2006 to $162,000 in FY2025, +72.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +28.7% | +36.7% | 3 of 9 | 4 of 9 |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, New Marlborough's health insurance would have been $179,000 in FY2025; it was $185,000, $5,522 above the path. Its fixed costs would have been $444,000 in FY2025; it was $486,000, $42,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2017 (+43%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to New Marlborough's government came to $0, 0.0% of the $41,000 rise in its health insurance.

New Marlborough has no school district of its own. Its pupils attend Southern Berkshire; New Marlborough accounts for 18% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to New Marlborough came on average 19 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving New Salem. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | 1794 Meetinghouse nonprofit | Cultural Facilities Fund | $8,000 |
| FY2023 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $5,687 (shared 26 ways) |
| FY2019 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $1,696 (shared 26 ways) |

A further $56,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.9% of New Salem's general-fund spending in FY2025, down from 8.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.3%** | **7.6%** | **6.9%** | **6.9%** |
| $158,000 of $1.9M · median town 14.1% | $208,000 of $2.7M · median town 12.2% | $278,000 of $4M · median town 11.5% | FY2010: 5.2% · median town 10.0% |

New Salem's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $545,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**New Salem's state aid kept pace with both price measures: FY2025 aid was 13.6% above its FY2006 aid grown by Boston-area consumer prices and 0.9% above grown by the government price index.**

Gross state aid went from $158,000 in FY2006 to $278,000 in FY2025, +76.1% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+32.7%** | **+10.3%** | **4 of 9** | **3 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, New Salem's health insurance would have been $71,000 in FY2025; it was $76,000, $4,430 above the path. Its fixed costs would have been $175,000 in FY2025; it was $154,000, $20,000 below the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to New Salem's government came to $106,000, 5.7 times the $19,000 rise in its health insurance.

New Salem has no school district of its own. Its pupils attend New Salem-Wendell, Ralph C Mahar and Franklin County; New Salem accounts for 42%, 5% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $2.6 million for schools serving New Salem, FY2017 to August 2026.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to New Salem came on average 32 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

New Salem owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

## STATE MONEY, FY2017–FY2026

### Newbury's town government and school districts received $54.4 million in formula aid and $2.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$54.4M** | **$2.3M** | **$295,000** |
| $8,033 per resident (254th of 351) · gross | $339 per resident (190th of 351) | $43.46 per resident (98th of 351) |

**Competitive grants to Newbury were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.9 million, are not shown.

## EARMARKS

### Newbury received $263,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN NEWBURY

## State programs also awarded $4,167 to organizations in Newbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Newbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 5.1% of Newbury's general-fund spending in FY2025, down from 8.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.7%** | **4.6%** | **5.1%** | **4.4%** |
| $1.3M of $14.6M · median town 14.1% | $823,000 of $17.9M · median town 12.2% | $1.3M of $25.1M · median town 11.5% | FY2010: 6.7% · median town 10.0% |

Newbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Newbury's state aid did not keep pace with either price measure: FY2025 aid was 34.9% below its FY2006 aid grown by Boston-area consumer prices and 42.1% below grown by the government price index.**

Gross state aid went from $1.3 million in FY2006 to $1.3 million in FY2025, +1.0% in dollars. Flag: in FY2010, $658,000 of Newbury's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+44.0%** | **+75.9%** | **7 of 9** | **5 of 9** |
| $677,000 to $975,000 · all towns +54.0% | $1.2M to $2.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Newbury's health insurance would have been $845,000 in FY2025; it was $975,000, $130,000 above the path. Its fixed costs would have been $1.52 million in FY2025; it was $2.15 million, $622,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2018 (+43%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Newbury's government came to $223,000, 74.7% of the $298,000 rise in its health insurance.

Newbury has no school district of its own. Its pupils attend Newbury, Triton and Whittier; Newbury accounts for 100%, 29% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

Not counted: Whittier Regional Vocational Technical High School (Whittier), approved FY2024 for up to $163 million. It lapsed when local funding was not secured.

**Cost after approval.** Of the one project closed with a final audit, Newbury's share of the final cost was $10.9 million against its share of the approved budget of $11.3 million (under by $324,000); the local share moved from $6.4 million to $6.3 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Newbury has $813,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Newbury came on average 21 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Newburyport's town government and school districts received $127 million in formula aid and $8.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$127M** | **$8.2M** | **$340,000** |
| $6,797 per resident (302nd of 351) · gross | $442 per resident (154th of 351) | $18.22 per resident (214th of 351) |

**Competitive grants to Newburyport peaked in FY2024 at $1.8 million, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $25.9 million, are not shown.

EARMARKS

## Newburyport received $958,000 in local earmarks to its government, $1.4 million placed in the city or town and $1.4 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|

STATE MONEY TO OTHERS IN NEWBURYPORT

## State programs also awarded $381,000 to organizations in Newburyport other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Newburyport. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $150,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.5% of Newburyport's general-fund spending in FY2025, down from 17.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **17.4%** | **12.2%** | **11.5%** | **9.1%** |
| $7.9M of $45.2M · median town 14.1% | $7.4M of $60.8M · median town 12.2% | $10.3M of $89.3M · median town 11.5% | FY2010: 9.8% · median town 10.0% |

Newburyport's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $122,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Newburyport's state aid did not keep pace with either price measure: FY2025 aid was 15.3% below its FY2006 aid grown by Boston-area consumer prices and 24.8% below grown by the government price index.**

Gross state aid went from $7.9 million in FY2006 to $10.3 million in FY2025, +31.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+43.5%** | **+45.3%** | **4 of 9** | **3 of 9** |
| $7.7M to $11M · all towns +54.0% | $11.4M to $16.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Newburyport's health insurance would have been $9.60 million in FY2025; it was $11 million, $1.43 million above the path. Its fixed costs would have been $14.3 million in FY2025; it was $16.6 million, $2.33 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Newburyport's government came to $918,000, 27.5% of the $3.34 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Newburyport has $1.6 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Newburyport came on average 21 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Newton's town government and school districts received $538 million in formula aid and $7.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $538M | $7.2M | $2.7M |
| $6,038 per resident (335th of 351) · gross | $80.63 per resident (337th of 351) | $30.23 per resident (147th of 351) |

**Competitive grants to Newton peaked in FY2024 at $1.5 million, 20% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $62.1 million, are not shown.

EARMARKS

## Newton received $1.9 million in local earmarks to its government, $3.9 million placed in the city or town and $4 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $1.9M | $3.9M | $4M | No |
| $20.94 per resident (211th of 351) | $43.34 per resident (185th of 351) · 52% to organizations | $44.58 per resident (187th of 351) · 50% to organizations | 35 municipalities had none |

Placed in the city or town: 72 clauses in ten of ten budgets; the most recent in FY2026. $1.9 million went to Newton's government, its schools or municipal projects; the other $2 million went to organizations in Newton or named with it, some of which serve a wider area.

Clauses that name Newton but fund a state facility or a MassHealth rate add-on, $110,000, count under everything placed only.

Everything placed, the third measure, adds $110,000 in two clauses for state facilities located in Newton (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN NEWTON

## State programs also awarded $2.2 million to organizations in Newton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Newton. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $360,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.9% of Newton's general-fund spending in FY2025, down from 7.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **7.8%** | **7.2%** | **6.9%** | **5.5%** |
| $22M of $283M · median town 14.1% | $26.1M of $361M · median town 12.2% | $36.4M of $530M · median town 11.5% | FY2010: 6.2% · median town 10.0% |

**Newton's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 6.5% above its FY2006 aid grown by Boston-area consumer prices and 5.4% below grown by the government price index.**

Gross state aid went from $22 million in FY2006 to $36.4 million in FY2025, +65.2% in dollars. Flag: in FY2010, $4.1 million of Newton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Newton's health insurance would have been $81.6 million in FY2025; it was $86.7 million, $5.02 million above the path. Its fixed costs would have been $96.3 million in FY2025; it was $120 million, $23.8 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Newton's government came to $1.5 million, 7.2% of the $21.3 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Newton came on average 21 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Newton owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

EXPECTED AND ACTUAL

## Newton received $19.4 million in earmarks placed in the city or town and competitive grants over ten years, about the $19.9 million its size, need and institutions predict.

PEERS

## Newton ranks 10th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $3.9 million in earmarks placed in Newton, $2 million (52%) went to organizations rather than to Newton's government.

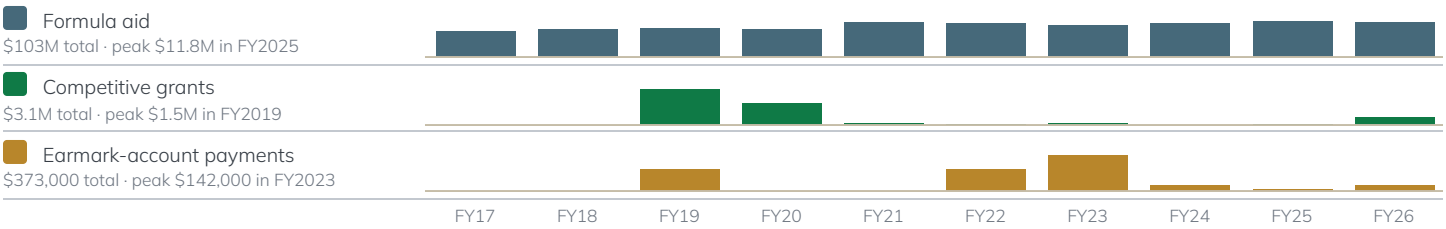
Weighting-dependent: the range crosses the 45–55 band



Norfolk received less than its share of discretionary money on three of four measures; its blended score of 47 stays between 42 and 52 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Norfolk's town government and school districts received $103 million in formula aid and $3.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$103M** | **$3.1M** | **$373,000** |
| $8,835 per resident (225th of 351) · gross | $264 per resident (223rd of 351) | $31.94 per resident (141st of 351) |

**Competitive grants to Norfolk peaked in FY2019 at $1.5 million, 50% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $7 million, are not shown.

EARMARKS

## Norfolk received $629,000 in local earmarks in ten enacted budgets on all three measures.

COSTS AND THE 2½% LIMIT

## State aid covered 9.9% of Norfolk's general-fund spending in FY2025, down from 18.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **18.9%** | **12.2%** | **9.9%** | **8.6%** |
| $5M of $26.5M · median town 14.1% | $4.5M of $36.4M · median town 12.2% | $5.5M of $55.1M · median town 11.5% | FY2010: 15.4% · median town 10.0% |

Norfolk's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Norfolk's state aid did not keep pace with either price measure: FY2025 aid was 29.6% below its FY2006 aid grown by Boston-area consumer prices and 37.4% below grown by the government price index.**

Gross state aid went from $5 million in FY2006 to $5.5 million in FY2025, +9.2% in dollars. Flag: in FY2010, $325,000 of Norfolk's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Norfolk's health insurance would have been $2.87 million in FY2025; it was $3.08 million, $208,000 above the path. Its fixed costs would have been $5.44 million in FY2025; it was $6.68 million, $1.24 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Norfolk's government came to $554,000, 71.0% of the $780,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Norfolk runs its own district for some grades and belongs to King Philip, Tri County and Norfolk County for others; Norfolk accounts for 35%, 5% and 5% of their foundation budgets, in that order.

## SCHOOL BUILDINGS

| FY2019 | H. Olive Day School | Norfolk | Accelerated Repair (Roof) | $1.1M | $1.1M |

**Cost after approval.** After approval, the Board added money to grants for one project serving Norfolk; Norfolk's share of the additions, by enrollment where a school is regional, was $1.1 million, all of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Norfolk's share of the final cost was $3.2 million against its share of the approved budget of $2.9 million (over by $323,000); the local share moved from $1.8 million to $2.2 million. Approved budgets include contingency.

## ROADS, BRIDGES AND DAMS

## Norfolk has $885,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Norfolk came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026;

counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Norfolk owns three high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

## FAIRNESS INDEX

### North Adams scores 71 on the Fairness Index for all state aid and 92 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**71** / 100

11th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 71 | 60 | 74 | 79 |

Rank under other weightings: 7th to 16th.

Stable high: above 55 under every weighting

North Adams received more than its share of state aid on all four measures; its blended score of 71 stays between 68 and 74 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

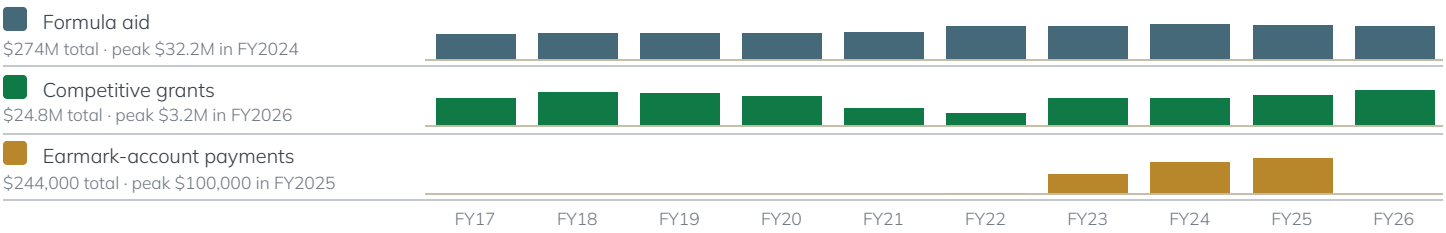
**92** / 100

41st of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 93 | 89 | 90 | 95 |

Rank under other weightings: 35th to 45th.

Stable high: above 55 under every weighting



North Adams received more than its share of discretionary money on all four measures; its blended score of 92 stays between 90 and 93 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### North Adams's town government and school districts received $274 million in formula aid and $24.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $274M | $24.8M | $244,000 |
| $21,747 per resident (20th of 351) · gross | $1,967 per resident (48th of 351) | $19.38 per resident (206th of 351) |

**Competitive grants to North Adams were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $31.1 million, are not shown.

## EARMARKS

### North Adams received $262,000 in local earmarks to its government, $412,000 placed in the city or town and $6.5 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $262,000 | $412,000 | $6.5M | No |
| $20.82 per resident (212th of 351) | $32.72 per resident (225th of 351) · 36% to organizations | $512 per resident (4th of 351) · 2% to organizations | 35 municipalities had none |

Placed in the city or town: nine clauses in six of ten budgets; the most recent in FY2025. $262,000 went to North Adams's government, its schools or municipal projects; the other $150,000 went to organizations in North Adams or named with it, some of which serve a wider area.

Clauses that name North Adams but fund a state facility or a MassHealth rate add-on, $5.9 million, count under everything placed only.

Everything placed, the third measure, adds $6 million in three clauses for state facilities located in North Adams (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN NORTH ADAMS

## State programs also awarded $2.3 million to organizations in North Adams other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving North Adams. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2027 | Massachusetts Museum of Contemporary Art Foundation, Inc. nonprofit | Community One Stop for Growth | $650,000 |
| FY2019 | Massachusetts Museum of Contemporary Art nonprofit | Cultural Facilities Fund | $150,000 |
| FY2022 | Massachusetts Museum of Contemporary Art nonprofit | Cultural Facilities Fund | $150,000 |
| FY2026 | Massachusetts Museum of Contemporary Art nonprofit | Cultural Facilities Fund | $150,000 |
| FY2022 | Barbara and Eric Rudd Art Foundation nonprofit | Cultural Facilities Fund | $100,000 |
| FY2025 | Massachusetts Museum of Contemporary Art Foundation, Inc. nonprofit | Community One Stop for Growth | $85,000 |
| FY2019 | Appalachian Mountain Club nonprofit | MassTrails Grants | $51,000 |
| FY2024 | MASS MoCA and Town of Williamstown nonprofit | MassTrails Grants | $41,000 (shared two ways) |
| FY2023 | Greylock Flume nonprofit | Cultural Facilities Fund | $35,000 |
| FY2024 | Wheel Estates Tenants Association nonprofit | Community One Stop for Growth | $30,000 |
| FY2020 | Department of Conservation and Recreation state agency | MassTrails Grants | $813 (shared 16 ways) |
| FY2022 | Department of Conservation and Recreation state agency | MassTrails Grants | $722 (shared 18 ways) |

A further $808,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 43.3% of North Adams's general-fund spending in FY2025, down from 47.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **47.4%** | **46.7%** | **43.3%** | **35.5%** |
| $20.1M of $42.3M · median town 14.1% | $18.7M of $40M · median town 12.2% | $23.1M of $53.3M · median town 11.5% | FY2010: 42.0% · median town 10.0% |

North Adams's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**North Adams's state aid did not keep pace with either price measure: FY2025 aid was 25.9% below its FY2006 aid grown by Boston-area consumer prices and 34.1% below grown by the government price index.**

Gross state aid went from $20.1 million in FY2006 to $23.1 million in FY2025, +15.0% in dollars. Flag: in FY2010, $660,000 of North Adams's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+51.9%** | **+47.2%** | **4 of 9** | **5 of 9** |
| $4.3M to $6.5M · all towns +54.0% | $7.3M to $10.8M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, North Adams's health insurance would have been $5.36 million in FY2025; it was $6.52 million, $1.16 million above the path. Its fixed costs would have been $9.12 million in FY2025; it was $10.8 million, $1.63 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to North Adams's government came to $262,000, 11.8% of the $2.23 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** After approval, the Board added money to grants for one project serving North Adams; North Adams's share of the additions, by enrollment where a school is regional, was $180,000.

ROADS, BRIDGES AND DAMS

## North Adams has $504,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and five high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to North Adams came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

North Adams owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.

EXPECTED AND ACTUAL

## North Adams received $25.7 million in earmarks placed in the city or town and competitive grants over ten years, 23% more than the $20.9 million its size, need and institutions predict.

PEERS

## North Adams ranks 8th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $412,000 in earmarks placed in North Adams, $150,000 (36%) went to organizations rather than to North Adams's government.

## STATE MONEY, FY2017–FY2026

### North Andover's town government and school districts received $201 million in formula aid and $6.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $201M | $6.7M | $884,000 |
| $6,381 per resident (325th of 351) · gross | $213 per resident (246th of 351) | $28.07 per resident (155th of 351) |

**Competitive grants to North Andover peaked in FY2023 at $1.5 million, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $17.6 million, are not shown.

## EARMARKS

### North Andover received $912,000 in local earmarks to its government, $999,000 placed in the city or town and $999,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN NORTH ANDOVER

## State programs also awarded $280,000 to organizations in North Andover other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving North Andover. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2026 | Merrimack Valley Planning Commission regional body | Community One Stop for Growth | $109,000 |
| FY2026 | Institute for Industrial Art and History nonprofit | Cultural Facilities Fund | $28,000 |
| FY2024 | North Andover Historical Society nonprofit | Cultural Facilities Fund | $20,000 |
| FY2023 | CSO) Management (Merrimac Valley Planning Commission regional body | Community Compact Efficiency & Regionalization Grant | $4,167 (shared 18 ways) |

A further $118,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 12.2% of North Andover's general-fund spending in FY2025, down from 12.6% in FY2006.

North Andover's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $197,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**North Andover's state aid kept pace with both price measures: FY2025 aid was 15.8% above its FY2006 aid grown by Boston-area consumer prices and 2.9% above grown by the government price index.**

Gross state aid went from $8.7 million in FY2006 to $15.7 million in FY2025, +79.5% in dollars. Flag: in FY2010, $412,000 of North Andover's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+40.8%** | **+44.4%** | **5 of 9** | **4 of 9** |
| $9.2M to $13M · all towns +54.0% | $15.3M to $22.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, North Andover's health insurance would have been $11.5 million in FY2025; it was $13 million, $1.46 million above the path. Its fixed costs would have been $19.2 million in FY2025; it was $22.1 million, $2.99 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to North Andover's government came to $803,000, 21.3% of the $3.76 million rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to North Andover came on average 43 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

North Andover owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY TO OTHERS IN NORTH ATTLEBOROUGH

## State programs also awarded $945,000 to organizations in North Attleborough other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving North Attleborough. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | American Environmental Building Coalition Corp nonprofit | Community One Stop for Growth | $380,000 |
| FY2025 | Southeast Regional Planning & Economic Development District regional body | Gaming Commission Community Mitigation Fund | $39,000 (shared six ways) |
| FY2021 | SRPEDD nonprofit | Community Compact Efficiency & Regionalization Grant | $3,028 (shared 26 ways) |

A further $523,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **34.4%** | **31.2%** | **24.3%** | **19.4%** |

North Attleborough's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**North Attleborough's state aid did not keep pace with either price measure: FY2025 aid was 28.8% below its FY2006 aid grown by Boston-area consumer prices and 36.7% below grown by the government price index.**

Gross state aid went from $23.6 million in FY2006 to $26.1 million in FY2025, +10.4% in dollars. Flag: in FY2010, $1.4 million of North Attleborough's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+51.8%** | **+45.4%** | **4 of 9** | **4 of 9** |
| $8.6M to $13M · all towns +54.0% | $12.6M to $18.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, North Attleborough's health insurance would have been $10.7 million in FY2025; it was $13 million, $2.30 million above the path. Its fixed costs would have been $15.7 million in FY2025; it was $18.3 million, $2.58 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to North Attleborough's government came to $766,000, 17.3% of the $4.43 million rise in its health insurance.

**Cost after approval.** After approval, the Board added money to grants for two projects serving North Attleborough; North Attleborough's share of the additions, by enrollment where a school is regional, was $5.1 million, $5.1 million of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, North Attleborough's share of the final cost was $1.6 million against its share of the approved budget of $1.6 million (over by $41,000); the local share moved from $766,000 to $829,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## North Attleborough has $456,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to North Attleborough came on average 20 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN NORTH BROOKFIELD

## State programs also awarded $56,000 to organizations in North Brookfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving North Brookfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 39.2% of North Brookfield's general-fund spending in FY2025, down from 52.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **52.5%** | **43.8%** | **39.2%** | **29.8%** |
| $5.6M of $10.7M · median town 14.1% | $5.4M of $12.3M · median town 12.2% | $6.4M of $16.4M · median town 11.5% | FY2010: 41.7% · median town 10.0% |

North Brookfield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $587,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**North Brookfield's state aid did not keep pace with either price measure: FY2025 aid was 25.8% below its FY2006 aid grown by Boston-area consumer prices and 34.1% below grown by the government price index.**

Gross state aid went from $5.6 million in FY2006 to $6.4 million in FY2025, +15.0% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+2.3%** | **+26.9%** | **2 of 9** | **2 of 9** |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to North Brookfield came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

North Brookfield owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

COSTS AND THE 2½% LIMIT

## State aid covered 12.1% of North Reading's general-fund spending in FY2025, down from 17.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **17.6%** | **15.1%** | **12.1%** | **11.9%** |
| $6.8M of $38.8M · median town 14.1% | $8.9M of $59.3M · median town 12.2% | $10.2M of $84.1M · median town 11.5% | FY2010: 17.7% · median town 10.0% |

North Reading's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $180,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**North Reading's state aid did not keep pace with either price measure: FY2025 aid was 3.4% below its FY2006 aid grown by Boston-area consumer prices and 14.2% below grown by the government price index.**

Gross state aid went from $6.8 million in FY2006 to $10.2 million in FY2025, +49.8% in dollars. Flag: in FY2010, $713,000 of North Reading's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+54.7%** | **+59.4%** | **7 of 9** | **4 of 9** |
| $5.2M to $8.1M · all towns +54.0% | $9.6M to $15.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, North Reading's health insurance would have been $6.54 million in FY2025; it was $8.10 million, $1.56 million above the path. Its fixed costs would have been $12 million in FY2025; it was $15.3 million, $3.31 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to North Reading's government came to $1.1 million, 36.7% of the $2.86 million rise in its health insurance.

North Reading runs its own school district and also belongs to Northeast Metropolitan; North Reading accounts for 3% of that district's foundation budget.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $5 million for schools serving North Reading, FY2017 to August 2026.

| FY2022 | Northeast Metropolitan Regional Vocational High School | Northeast Metropolitan | Core | $141M | $4.3M (3%) |

**Cost after approval.** After approval, the Board added money to grants for one project serving North Reading; North Reading's share of the additions, by enrollment where a school is regional, was $685,000, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## North Reading has $539,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to North Reading came on average 17 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN NORTHAMPTON

## State programs also awarded $3.9 million to organizations in Northampton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Northampton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

**Northampton's state aid did not keep pace with either price measure: FY2025 aid was 36.3% below its FY2006 aid grown by Boston-area consumer prices and 43.4% below grown by the government price index.**

Gross state aid went from $17.1 million in FY2006 to $16.9 million in FY2025, –1.2% in dollars. Flag: in FY2010, $3.1 million of Northampton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Northampton's health insurance would have been $12.2 million in FY2025; it was $14.2 million, $2.00 million above the path. Its fixed costs would have been $21.3 million in FY2025; it was $25.2 million, $3.91 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Northampton's government came to $158,000, 3.6% of the $4.43 million rise in its health insurance.

**Cost after approval.** Of the two projects closed with a final audit, the final cost was $2.7 million against an approved budget of $3.6 million (under by $887,000); the local share moved from $1.8 million to $1.5 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Northampton has $4.8 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns six bridges rated poor and seven high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Northampton came on average 31 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Northampton owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

EXPECTED AND ACTUAL

## Northampton received $22.7 million in earmarks placed in the city or town and competitive grants over ten years, about the $22.9 million its size, need and institutions predict.

PEERS

## Northampton ranks 3rd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $2.3 million in earmarks placed in Northampton, $2.1 million (91%) went to organizations rather than to Northampton's government.

STATE MONEY TO OTHERS IN NORTHBOROUGH

## State programs also awarded $750,000 to organizations in Northborough other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Northborough. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government.

Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $750,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 8.4% of Northborough's general-fund spending in FY2025, down from 12.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **12.2%** | **10.2%** | **8.4%** | **8.0%** |
| $4.7M of $38M · median town 14.1% | $5.4M of $52.7M · median town 12.2% | $6.2M of $73.7M · median town 11.5% | FY2010: 10.9% · median town 10.0% |

Northborough's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Northborough's state aid did not keep pace with either price measure: FY2025 aid was 14.3% below its FY2006 aid grown by Boston-area consumer prices and 23.8% below grown by the government price index.**

Gross state aid went from $4.7 million in FY2006 to $6.2 million in FY2025, +33.0% in dollars. Flag: in FY2010, $616,000 of Northborough's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+33.0%** | **+53.3%** | **4 of 9** | **3 of 9** |
| $4.6M to $6.1M · all towns +54.0% | $6.7M to $10.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Northborough's health insurance would have been $5.73 million in FY2025; it was $6.10 million, $370,000 above the path. Its fixed costs would have been $8.37 million in FY2025; it was $10.3 million, $1.91 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Northborough's government came to $398,000, 26.3% of the $1.51 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Northborough has $1.6 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns three bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Northborough came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Northborough owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

## FAIRNESS INDEX

### Northbridge scores 56 on the Fairness Index for all state aid and 37 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**56** / 100

71st of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 54 | 52 | 55 | 63 |

Rank under other weightings: 58th to 94th.

Weighting-dependent: the range crosses the 45–55 band

Northbridge received more than its share of state aid on all four measures; its blended score of 56 stays between 54 and 58 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

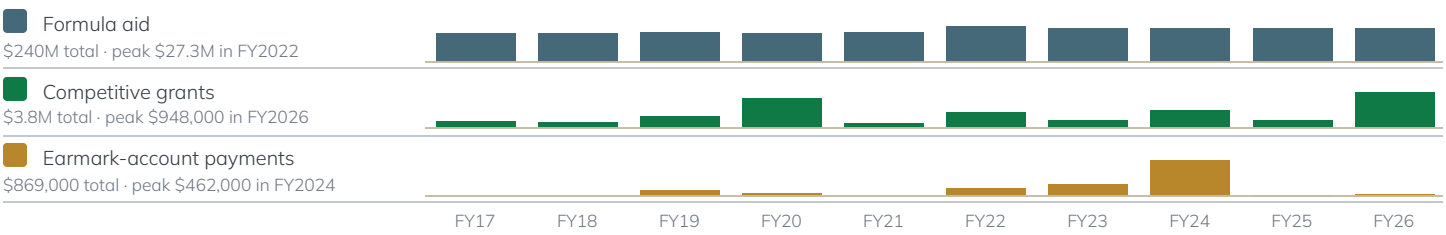
**37** / 100

242nd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 34 | 32 | 37 | 43 |

Rank under other weightings: 226th to 255th.

Stable low: below 45 under every weighting



Northbridge received less than its share of discretionary money on all four measures; its blended score of 37 stays between 35 and 39 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Northbridge's town government and school districts received $240 million in formula aid and $3.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$240M** | **$3.8M** | **$869,000** |
| $14,554 per resident (82nd of 351) · gross | $230 per resident (237th of 351) | $52.80 per resident (75th of 351) |

**Competitive grants to Northbridge peaked in FY2026 at $948,000, 25% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $8.4 million, are not shown.

## EARMARKS

### Northbridge received $446,000 in local earmarks to its government, $2 million placed in the city or town and $2 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN NORTHBRIDGE

## State programs also awarded $359,000 to organizations in Northbridge other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Northbridge. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |

| FY2026 | ValleyCAST nonprofit | Cultural Facilities Fund | $87,000 |

A further $272,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 35.1% of Northbridge's general-fund spending in FY2025, down from 45.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **45.0%** | **44.1%** | **35.1%** | **32.6%** |
| $17.7M of $39.4M · median town 14.1% | $18.1M of $40.9M · median town 12.2% | $19.7M of $56M · median town 11.5% | FY2010: 46.7% · median town 10.0% |

Northbridge's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Northbridge's state aid did not keep pace with either price measure: FY2025 aid was 28.6% below its FY2006 aid grown by Boston-area consumer prices and 36.5% below grown by the government price index.**

Gross state aid went from $17.7 million in FY2006 to $19.7 million in FY2025, +10.8% in dollars. Flag: in FY2010, $1.9 million of Northbridge's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–3.8%** | **+7.6%** | **3 of 9** | **3 of 9** |
| $5.4M to $5.2M · all towns +54.0% | $8M to $8.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Northbridge's health insurance would have been $6.78 million in FY2025; it was $5.22 million, $1.55 million below the path. Its fixed costs would have been $9.98 million in FY2025; it was $8.59 million, $1.38 million below the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Northbridge's reported health insurance fell from $5.4 million in FY2016 to $5.2 million in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** Of the one project closed with a final audit, Northbridge's share of the final cost was $89.1 million against its share of the approved budget of $101 million (under by $11.9 million); the local share moved from $53.4 million to $45.4 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Northbridge has $1.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns four bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Northbridge came on average 27 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Northbridge owns two poor bridges of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

Northbridge owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

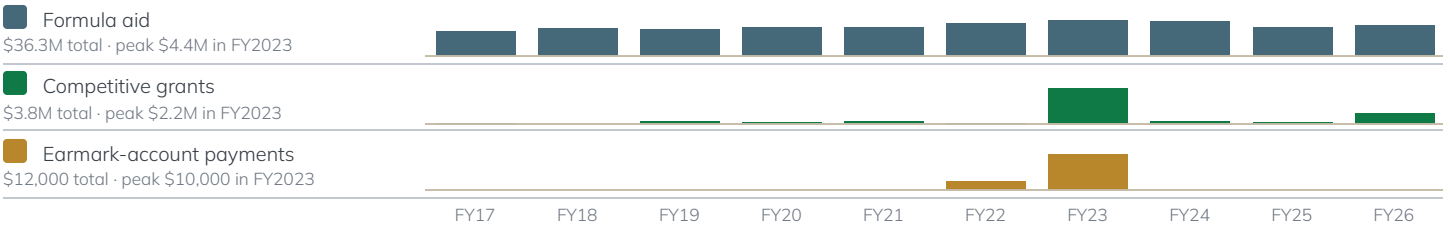
| 87 | 87 | 84 | 88 |

Rank under other weightings: 54th to 60th.

Stable high: above 55 under every weighting



Northfield received more than its share of discretionary money on all four measures; its blended score of 86 stays between 86 and 87 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Northfield's town government and school districts received $36.3 million in formula aid and $3.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$36.3M** | **$3.8M** | **$12,000** |
| $12,644 per resident (117th of 351) · gross | $1,336 per resident (60th of 351) | $4.35 per resident (296th of 351) |

**Competitive grants to Northfield peaked in FY2023 at $2.2 million, 58% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $2.6 million, are not shown.

## EARMARKS

### Northfield received $10,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$10,000** | **$10,000** | **$10,000** | **No** |

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Northfield $635,000 and takes back $7,410 in assessments and charges, a net $628,000.

STATE MONEY TO OTHERS IN NORTHFIELD

## State programs also awarded $58,000 to organizations in Northfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Northfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | Mount Grace Land Conservation Trust nonprofit | MassTrails Grants | $49,000 (shared two ways) |
| FY2023 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $5,687 (shared 26 ways) |
| FY2020 | Connecticut River Paddlers' Trail and Connecticut River Conservancy nonprofit | MassTrails Grants | $2,000 (shared five ways) |
| FY2019 | Franklin Regional Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $1,696 (shared 26 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 6.0% of Northfield's general-fund spending in FY2025, down from 9.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.2%** | **5.2%** | **6.0%** | **5.9%** |
| $542,000 of $5.9M · median town 14.1% | $434,000 of $8.4M · median town 12.2% | $591,000 of $9.9M · median town 11.5% | FY2010: 5.7% · median town 10.0% |

Northfield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.7 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Northfield's state aid did not keep pace with either price measure: FY2025 aid was 29.6% below its FY2006 aid grown by Boston-area consumer prices and 37.4% below grown by the government price index.**

Gross state aid went from $542,000 in FY2006 to $591,000 in FY2025, +9.2% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Northfield's health insurance would have been $254,000 in FY2025; it was $248,000, $5,876 below the path. Its fixed costs would have been $570,000 in FY2025; it was $583,000, $12,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Northfield's government came to $10,000, 22.3% of the $45,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

### SCHOOLS

## Northfield's required school contribution is 2.7% of median household income, 159th highest of 351.

Northfield has no school district of its own. Its pupils attend Pioneer and Franklin County; Northfield accounts for 46% and 8% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

### SCHOOL BUILDINGS

### ROADS, BRIDGES AND DAMS

## Northfield has $1.8 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Northfield came on average 40 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

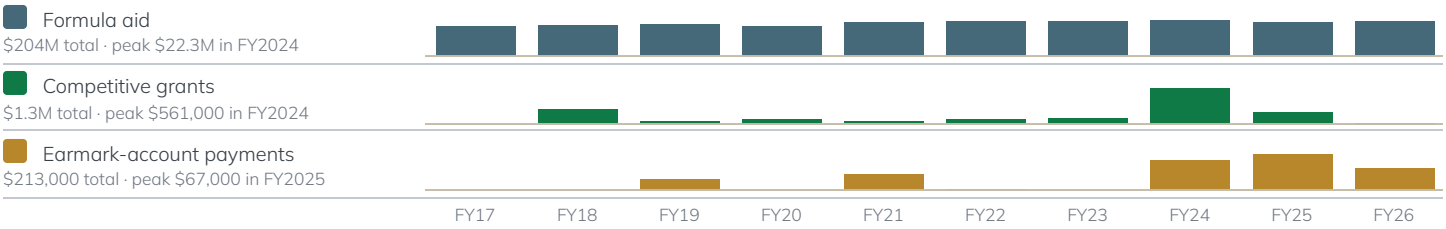
Rank under other weightings: 344th to 348th.

Stable low: below 45 under every weighting



Norton received less than its share of discretionary money on all four measures; its blended score of 10 stays between 10 and 11 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Norton's town government and school districts received $204 million in formula aid and $1.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$204M** | **$1.3M** | **$213,000** |
| $10,594 per resident (164th of 351) · gross | $69.10 per resident (340th of 351) | $11.09 per resident (253rd of 351) |

**Competitive grants to Norton peaked in FY2024 at $561,000, 42% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $9 million, are not shown.

EARMARKS

## Norton received $349,000 in local earmarks to its government, $569,000 placed in the city or town and $569,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN NORTON

## State programs also awarded $135,000 to organizations in Norton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Norton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 23.0% of Norton's general-fund spending in FY2025, down from 36.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **36.6%** | **28.4%** | **23.0%** | **20.8%** |
| $16.2M of $44.2M · median town 14.1% | $14.9M of $52.4M · median town 12.2% | $18M of $78M · median town 11.5% | FY2010: 30.3% · median town 10.0% |

Norton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $584,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Norton's state aid did not keep pace with either price measure: FY2025 aid was 28.5% below its FY2006 aid grown by Boston-area consumer prices and 36.4% below grown by the government price index.**

Gross state aid went from $16.2 million in FY2006 to $18 million in FY2025, +11.0% in dollars. Flag: in FY2010, $1.3 million of Norton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+26.3%** | **+44.0%** | **3 of 9** | **3 of 9** |
| $6.9M to $8.7M · all towns +54.0% | $10.2M to $14.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Norton's health insurance would have been $8.60 million in FY2025; it was $8.69 million, $95,000 above the path. Its fixed costs would have been $12.7 million in FY2025; it was $14.6 million, $1.94 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Norton's government came to $284,000, 15.7% of the $1.81 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** Of the four projects closed with a final audit, Norton's share of the final cost was $11.4 million against its share of the approved budget of $11.2 million (over by $197,000); the local share moved from $5.1 million to $5.7 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Norton has $400,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Norton came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Norton owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

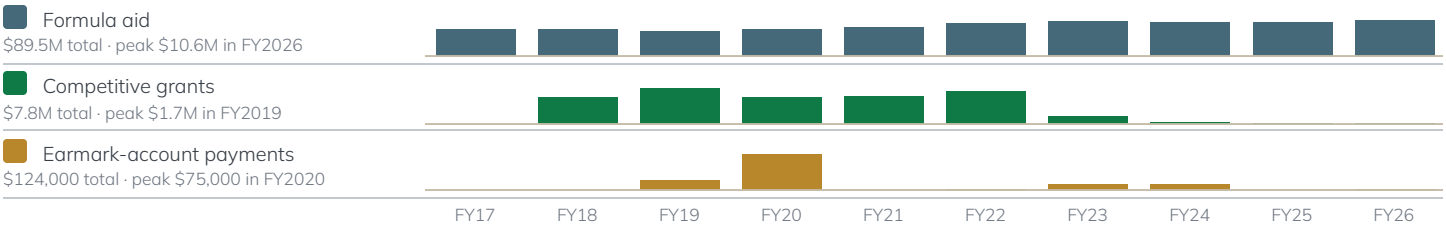
Rank under other weightings: 94th to 131st.

Stable high: above 55 under every weighting



Norwell received more than its share of discretionary money on all four measures; its blended score of 70 stays between 64 and 76 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Norwell's town government and school districts received $89.5 million in formula aid and $7.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$89.5M** | **$7.8M** | **$124,000** |
| $7,878 per resident (260th of 351) · gross | $687 per resident (114th of 351) | $10.88 per resident (255th of 351) |

**Competitive grants to Norwell peaked in FY2019 at $1.7 million, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.7 million, are not shown.

EARMARKS

## Norwell received $108,000 in local earmarks to its government, $654,000 placed in the city or town and $654,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN NORWELL

## State programs also awarded $15,000 to organizations in Norwell other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Norwell. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 9.5% of Norwell's general-fund spending in FY2025, down from 12.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 12.5% | 10.7% | 9.5% | 7.2% |
| $4.3M of $34.2M · median town 14.1% | $5.1M of $48.2M · median town 12.2% | $6.7M of $70.3M · median town 11.5% | FY2010: 8.9% · median town 10.0% |

Norwell's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $81,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Norwell's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 0.8% above its FY2006 aid grown by Boston-area consumer prices and 10.4% below grown by the government price index.**

Gross state aid went from $4.3 million in FY2006 to $6.7 million in FY2025, +56.3% in dollars. Flag: in FY2010, $657,000 of Norwell's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +42.8% | +112.1% | 6 of 9 | 4 of 9 |
| $4.4M to $6.4M · all towns +54.0% | $5.4M to $11.4M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Norwell's health insurance would have been $5.55 million in FY2025; it was $6.35 million, $798,000 above the path. Its fixed costs would have been $6.69 million in FY2025; it was $11.4 million, $4.67 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (+52%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Norwell's government came to $108,000, 5.6% of the $1.90 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Norwell has $201,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Norwell came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Norwell owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Norwell received $8.7 million in earmarks placed in the city or town and competitive grants over ten years, 83% more than the $4.8 million its size, need and institutions predict.

PEERS

## Norwell ranks 8th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $654,000 in earmarks placed in Norwell, $547,000 (84%) went to organizations rather than to Norwell's government.

## STATE MONEY, FY2017–FY2026

### Norwood's town government and school districts received $247 million in formula aid and $5.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$247M** | **$5.2M** | **$820,000** |
| $7,831 per resident (261st of 351) · gross | $166 per resident (270th of 351) | $25.99 per resident (170th of 351) |

**Competitive grants to Norwood peaked in FY2024 at $1.7 million, 32% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $38 million, are not shown.

## EARMARKS

### Norwood received $600,000 in local earmarks to its government, $725,000 placed in the city or town and $725,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN NORWOOD

## State programs also awarded $965,000 to organizations in Norwood other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Norwood. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Neponset River Land Holding Association nonprofit | Dam and Seawall Repair or Removal Program | $460,000 |
| FY2020 | Norwood Historical Society nonprofit | Cultural Facilities Fund | $80,000 |
| FY2023 | Norwood Space Center nonprofit | Community One Stop for Growth | $25,000 |

A further $400,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 15.1% of Norwood's general-fund spending in FY2025, up from 10.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **10.6%** | **8.6%** | **15.1%** | **13.4%** |
| $9.3M of $87.5M · median town 14.1% | $10.3M of $120M · median town 12.2% | $23.5M of $155M · median town 11.5% | FY2010: 8.2% · median town 10.0% |

Norwood's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $826,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Norwood's state aid kept pace with both price measures: FY2025 aid was 63.5% above its FY2006 aid grown by Boston-area consumer prices and 45.3% above grown by the government price index.**

Gross state aid went from $9.3 million in FY2006 to $23.5 million in FY2025, +153.6% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Norwood's health insurance would have been $17.3 million in FY2025; it was $17.9 million, $575,000 above the path. Its fixed costs would have been $22.5 million in FY2025; it was $26.8 million, $4.34 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Norwood's government came to $395,000, 9.8% of the $4.03 million rise in its health insurance.

| FY2018 | Blue Hills Regional Technical High School | Blue Hills | Core | $44.4M | $4.6M (10%) |

**Cost after approval.** After approval, the Board added money to grants for one project serving Norwood; Norwood's share of the additions, by enrollment where a school is regional, was $7.2 million, all of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Norwood's share of the final cost was $9.2 million against its share of the approved budget of $8.8 million (over by $395,000); the local share moved from $4.2 million to $4.7 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Norwood has $1.9 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Norwood came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Norwood owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY TO OTHERS IN OAK BLUFFS

## State programs also awarded $511,000 to organizations in Oak Bluffs other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Oak Bluffs. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

COSTS AND THE 2½% LIMIT

## State aid covered 6.6% of Oak Bluffs's general-fund spending in FY2025, down from 8.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.0%** | **5.3%** | **6.6%** | **3.7%** |
| $1.7M of $21M · median town 14.1% | $1.5M of $27.7M · median town 12.2% | $2.8M of $41.8M · median town 11.5% | FY2010: 3.9% · median town 10.0% |

Oak Bluffs's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $994,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Oak Bluffs's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 5.9% above its FY2006 aid grown by Boston-area consumer prices and 5.9% below grown by the government price index.**

Gross state aid went from $1.7 million in FY2006 to $2.8 million in FY2025, +64.3% in dollars. Flag: in FY2010, $568,000 of Oak Bluffs's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+57.7%** | **+55.8%** | **7 of 9** | **5 of 9** |
| $2.3M to $3.6M · all towns +54.0% | $3.5M to $5.5M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Oak Bluffs's health insurance would have been $2.85 million in FY2025; it was $3.60 million, $749,000 above the path. Its fixed costs would have been $4.38 million in FY2025; it was $5.47 million, $1.09 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Oak Bluffs's government came to $0, 0.0% of the $1.32 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Oak Bluffs has $94,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Oak Bluffs came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Oak Bluffs received $14.7 million in earmarks placed in the city or town and competitive grants over ten years, 3.1 times the $4.8 million its size, need and institutions predict.

PEERS

## Oak Bluffs ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

All of the $505,000 in earmarks placed in Oak Bluffs went to organizations; none went to Oak Bluffs's government.

STATE MONEY, FY2017–FY2026

## Oakham's town government and school districts received $30.7 million in formula aid and $1.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$30.7M** | **$1.3M** | **$30,000** |
| $18,722 per resident (38th of 351) · gross | $794 per resident (95th of 351) | $18.28 per resident (213th of 351) |

**Competitive grants to Oakham peaked in FY2018 at $1,000,000, 77% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $946,000, are not shown.

EARMARKS

## Oakham received $20,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|

STATE MONEY TO OTHERS IN OAKHAM

## State programs also awarded $45,000 to organizations in Oakham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Oakham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2018 | Oakham Historical Museum nonprofit | Cultural Facilities Fund | $10,000 |
| FY2025 | Heart of New England BSA nonprofit | MassTrails Grants | $9,490 (shared two ways) |
| FY2018 | Oakham Historical Museum nonprofit | Cultural Facilities Fund | $7,000 |

A further $19,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 8.6% of Oakham's general-fund spending in FY2025, down from 13.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

Oakham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Oakham's state aid did not keep pace with either price measure: FY2025 aid was 7.1% below its FY2006 aid grown by Boston-area consumer prices and 17.5% below grown by the government price index.**

Gross state aid went from $288,000 in FY2006 to $415,000 in FY2025, +44.0% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Oakham's health insurance would have been $23,000 in FY2025; it was $91,000, $68,000 above the path. Its fixed costs would have been $114,000 in FY2025; it was $280,000, $165,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2018 (+63%) and FY2023 (+81%); health insurance changed by more than 30% in one year in FY2020 (–34%), FY2022 (+73%), FY2023 (+98%) and FY2024 (+30%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Oakham's government came to $20,000, 27.7% of the $72,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

## SCHOOLS

## Oakham's required school contribution is 3.2% of median household income, 32nd highest of 351.

Oakham has no school district of its own. Its pupils attend Quabbin and Pathfinder; Oakham accounts for 12% and 3% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $191,000 for schools serving Oakham, FY2017 to August 2026.

**Cost after approval.** Of the one project closed with a final audit, Oakham's share of the final cost was $293,000 against its share of the approved budget of $344,000 (under by $50,000); the local share moved from $153,000 to $120,000. Approved budgets include contingency.

## ROADS, BRIDGES AND DAMS

## Oakham has $812,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Oakham came on average 33 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Oakham owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

STATE MONEY TO OTHERS IN ORANGE

## State programs also awarded $879,000 to organizations in Orange other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Orange. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a

program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |

A further $793,000 in 7 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 32.7% of Orange's general-fund spending in FY2025, down from 39.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **39.9%** | **37.8%** | **32.7%** | **31.1%** |
| $7.2M of $18M · median town 14.1% | $7.3M of $19.3M · median town 12.2% | $9.2M of $28.1M · median town 11.5% | FY2010: 39.9% · median town 10.0% |

Orange's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $6.8 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Orange's state aid did not keep pace with either price measure: FY2025 aid was 17.4% below its FY2006 aid grown by Boston-area consumer prices and 26.6% below grown by the government price index.**

Gross state aid went from $7.2 million in FY2006 to $9.2 million in FY2025, +28.1% in dollars. Flag: in FY2010, $365,000 of Orange's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Orange's health insurance would have been $2.33 million in FY2025; it was $2.06 million, $277,000 below the path. Its fixed costs would have been $4.05 million in FY2025; it was $4.12 million, $70,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Orange's government came to $125,000, 66.7% of the $187,000 rise in its health insurance.

| Year | School | District | Program | Maximum grant | Orange's share |
|---|---|---|---|---|---|
| FY2026 | Franklin County Technical High School | Franklin County | Core | $114M | $16.9M (15%) |
| FY2020 | Dexter Park School | Orange | Core | $34.6M | $34.6M |

**Cost after approval.** Of the one project closed with a final audit, Orange's share of the final cost was $55.9 million against its share of the approved budget of $57.7 million (under by $1.8 million); the local share moved from $23.1 million to $22.8 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Orange has $2.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and five high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Orange came on average 38 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

| Year | Annual apportionment | One-time supplements | Reimbursed in the year (any year's money) | Year-end balance, FY2017-on money |

STATE MONEY, FY2017–FY2026

## Orleans's town government and school districts received $31.8 million in formula aid and $5.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$31.8M** | **$5.3M** | **$18,000** |
| $4,954 per resident (347th of 351) · gross | $820 per resident (92nd of 351) | $2.86 per resident (307th of 351) |

**Competitive grants to Orleans peaked in FY2025 at $1.1 million, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $18.2 million, are not shown.

EARMARKS

## Orleans received $12,000 in local earmarks to its government, $737,000 placed in the city or town and $737,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN ORLEANS

## State programs also awarded $633,000 to organizations in Orleans other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Orleans. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2019 | Orleans Historical Society nonprofit | Cultural Facilities Fund | $200,000 |
| FY2027 | Orleans Historical Society nonprofit | Cultural Facilities Fund | $200,000 |
| FY2023 | Orleans Historical Society nonprofit | Cultural Facilities Fund | $35,000 |
| FY2026 | Orleans Conservation Trust nonprofit | MassTrails Grants | $24,000 |
| FY2023 | Lower Cape Community TV nonprofit | Community One Stop for Growth | $15,000 |

A further $159,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 1.5% of Orleans's general-fund spending in FY2025, down from 3.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **3.3%** | **1.8%** | **1.5%** | **0.3%** |
| $717,000 of $21.9M · median town 14.1% | $521,000 of $28.8M · median town 12.2% | $767,000 of $50.1M · median town 11.5% | FY2010: 0.2% · median town 10.0% |

Orleans's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $906,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Orleans's state aid did not keep pace with either price measure: FY2025 aid was 31.0% below its FY2006 aid grown by Boston-area consumer prices and 38.6% below grown by the government price index.**

Gross state aid went from $717,000 in FY2006 to $767,000 in FY2025, +7.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Orleans's health insurance would have been $2.60 million in FY2025; it was $3.15 million, $549,000 above the path. Its fixed costs would have been $5.11 million in FY2025; it was $6.35 million, $1.24 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Orleans's government came to $12,000, 1.1% of the $1.07 million rise in its health insurance.

**Cost after approval.** After approval, the Board added money to grants for two projects serving Orleans; Orleans's share of the additions, by enrollment where a school is regional, was $1.9 million, $1.8 million of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Orleans's share of the final cost was $2.2 million against its share of the approved budget of $2.4 million (under by $230,000); the local share moved from $1.6 million to $1.3 million. Approved budgets include contingency.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Orleans came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Orleans received $6.5 million in earmarks placed in the city or town and competitive grants over ten years, 77% of the $8.4 million its size, need and institutions predict.

PEERS

## Orleans ranks 2nd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $737,000 in earmarks placed in Orleans, $725,000 (98%) went to organizations rather than to Orleans's government.

## FAIRNESS INDEX

### Otis scores 43 on the Fairness Index for all state aid and 93 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**43** / 100

185th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 37 | 52 | 34 | 49 |

Rank under other weightings: 153rd to 222nd.

Weighting-dependent: the range crosses the 45–55 band

Otis received less than its share of state aid on three of four measures; its blended score of 43 stays between 38 and 47 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

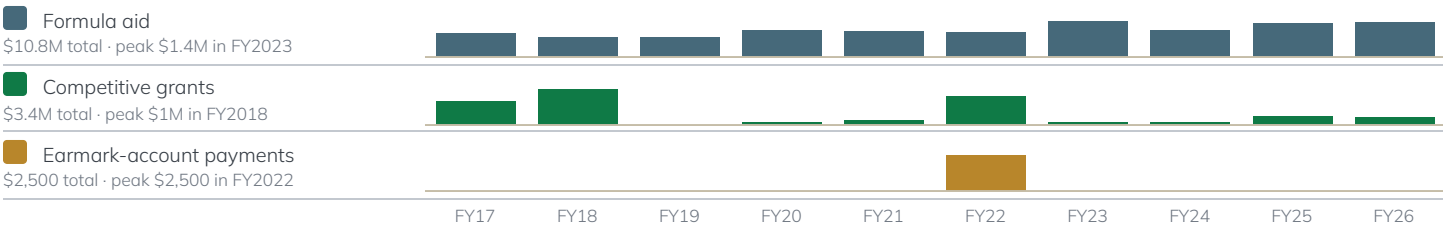
**93** / 100

34th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 92 | 96 | 89 | 95 |

Rank under other weightings: 31st to 36th.

Stable high: above 55 under every weighting



Otis received more than its share of discretionary money on all four measures; its blended score of 93 stays between 92 and 94 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Otis's town government and school districts received $10.8 million in formula aid and $3.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $10.8M | $3.4M | $2,500 |
| $6,679 per resident (305th of 351) · gross | $2,109 per resident (43rd of 351) | $1.54 per resident (321st of 351) |

**Competitive grants to Otis peaked in FY2018 at $1 million, 30% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.1 million, are not shown.

## EARMARKS

### No local earmark was placed in Otis in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $0 | $0 | $0 | Yes |
| enacted, ten budgets | enacted, ten budgets | enacted, ten budgets | one of 35 municipalities |

The Comptroller records $2,500 in payments to Otis's town government and school districts from accounts classified as earmarks over the same ten years. Those accounts can carry prior-year and statewide-program money; no enacted clause was placed in Otis.

Otis is one of the 35 cities and towns with no earmark placed in them in any of the ten budgets. The list counts enacted earmarks only. All 35 received competitive grant payments in the same ten years; Otis's appear under State money above.

STATE MONEY TO OTHERS IN OTIS

## State programs also awarded $434,000 to organizations in Otis other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Otis. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | Otis Historical Commission regional body | Cultural Facilities Fund | $200,000 |
| FY2026 | Otis Historical Commission regional body | Cultural Facilities Fund | $148,000 |
| FY2023 | Knox Trail Sno Riders nonprofit | MassTrails Grants | $60,000 |

COSTS AND THE 2½% LIMIT

## State aid covered 4.0% of Otis's general-fund spending in FY2025, up from 2.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **2.6%** | **3.3%** | **4.0%** | **3.6%** |
| $95,000 of $3.6M · median town 14.1% | $162,000 of $4.9M · median town 12.2% | $302,000 of $7.5M · median town 11.5% | FY2010: 1.7% · median town 10.0% |

Otis's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $327,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Otis's state aid kept pace with both price measures: FY2025 aid was 104.3% above its FY2006 aid grown by Boston-area consumer prices and 81.6% above grown by the government price index.**

Gross state aid went from $95,000 in FY2006 to $302,000 in FY2025, +216.9% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+3.5%** | **+35.3%** | **4 of 9** | **2 of 9** |
| $226,000 to $233,000 · all towns +54.0% | $438,000 to $592,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Otis's health insurance would have been $282,000 in FY2025; it was $233,000, $48,000 below the path. Its fixed costs would have been $546,000 in FY2025; it was $592,000, $46,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2024 (+33%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Otis's government came to $0, 0.0% of the $7,891 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

## SCHOOLS

### Otis's required school contribution is 2.2% of median household income, 295th highest of 351.

Otis has no school district of its own. Its pupils attend Farmington River; Otis accounts for 60% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

### No school building grant was approved for a school serving Otis, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

### Otis has $354,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Otis came on average 15 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026;

counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Oxford received more than its share of discretionary money on all four measures; its blended score of 59 stays between 58 and 60 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Oxford's town government and school districts received $186 million in formula aid and $6.6 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$186M** | **$6.6M** | **$208,000** |
| $13,864 per resident (96th of 351) · gross | $491 per resident (139th of 351) | $15.58 per resident (229th of 351) |

**Competitive grants to Oxford peaked in FY2024 at $1.6 million, 24% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $9.3 million, are not shown.

EARMARKS

## Oxford received $185,000 in local earmarks to its government, $210,000 placed in the city or town and $210,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$185,000** | **$210,000** | **$210,000** | **No** |
| $13.82 per resident (250th of 351) | $15.69 per resident (287th of 351) · 12% to organizations | $15.69 per resident (288th of 351) · 12% to organizations | 35 municipalities had none |

Placed in the city or town: five clauses in three of ten budgets; the most recent in FY2026. $185,000 went to Oxford's government, its schools or municipal projects; the other $25,000 went to organizations in Oxford or named with it, some of which serve a wider area.

| Town-accepted | 91.4 | 82% |
| Unaccepted public ways | 4.0 | 4% |

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Oxford $16.2 million and takes back $852,000 in assessments and charges, a net $15.3 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |
|---|---|---|

STATE MONEY TO OTHERS IN OXFORD

## State programs also awarded $531,000 to organizations in Oxford other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Oxford. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2027 | Chaubunagungamaug Band Of Nipmuck Indians tribal nation | Municipal Vulnerability Preparedness (MVP) Action Grant | $525,000 |
| FY2025 | Central Massachusetts Regional Planning Commission - Charlton regional body | Community Compact Efficiency & Regionalization Grant | $5,875 (shared four ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 30.3% of Oxford's general-fund spending in FY2025, down from 39.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **39.1%** | **35.1%** | **30.3%** | **28.4%** |
| $10.9M of $27.8M · median town 14.1% | $12.9M of $36.9M · median town 12.2% | $15.1M of $49.7M · median town 11.5% | FY2010: 35.9% · median town 10.0% |

Oxford's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Oxford's state aid did not keep pace with either price measure: FY2025 aid was 10.5% below its FY2006 aid grown by Boston-area consumer prices and 20.5% below grown by the government price index.**

Gross state aid went from $10.9 million in FY2006 to $15.1 million in FY2025, +38.8% in dollars. Flag: in FY2010, $1.1 million of Oxford's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+12.0%** | **+30.8%** | **3 of 9** | **2 of 9** |
| $4.3M to $4.9M · all towns +54.0% | $6.9M to $9.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Oxford's health insurance would have been $5.41 million in FY2025; it was $4.85 million, $557,000 below the path. Its fixed costs would have been $8.67 million in FY2025; it was $9.08 million, $412,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Oxford's government came to $150,000, 28.8% of the $521,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Everything placed | $175,000 | 33.6% | 45.2% |

SCHOOLS

## Oxford's required school contribution is 2.7% of median household income, 168th highest of 351.

| Chapter 70 aid, FY2026 | Required local contribution |
|---|---|
| **$13.9M** | **$13.8M** |

Oxford runs its own school district and also belongs to Southern Worcester; Oxford accounts for 11% of that district's foundation budget.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Oxford, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Oxford has $1.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and three high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |
|---|---|---|

| **15** | **3** | **$1.1M** |
| two rated poor; about $3.6M of work on those, by planning estimates | of three town-owned dams | bridges $0 · dams $1.1M · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Oxford came on average 15 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Oxford owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

EXPECTED AND ACTUAL

## Oxford received $6.8 million in earmarks placed in the city or town and competitive grants over ten years, about the $6.5 million its size, need and institutions predict.

PEERS

## Oxford ranks 9th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $210,000 in earmarks placed in Oxford, $25,000 (12%) went to organizations rather than to Oxford's government.

STATE MONEY, FY2017–FY2026

## Palmer's town government and school districts received $200 million in formula aid and $8.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$200M** | **$8.9M** | **$40,000** |
| $16,159 per resident (58th of 351) · gross | $720 per resident (110th of 351) | $3.24 per resident (304th of 351) |

**Competitive grants to Palmer were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $5.8 million, are not shown.

EARMARKS

## Palmer received $85,000 in local earmarks to its government, $370,000 placed in the city or town and $370,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$85,000** | **$370,000** | **$370,000** | **No** |

STATE MONEY TO OTHERS IN PALMER

## State programs also awarded $12,000 to organizations in Palmer other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Palmer. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

COSTS AND THE 2½% LIMIT

## State aid covered 38.0% of Palmer's general-fund spending in FY2025, down from 46.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **46.6%** | **40.5%** | **38.0%** | **33.7%** |
| $14.4M of $30.9M · median town 14.1% | $13.1M of $32.2M · median town 12.2% | $15M of $39.6M · median town 11.5% | FY2010: 45.8% · median town 10.0% |

Palmer's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Palmer's state aid did not keep pace with either price measure: FY2025 aid was 32.7% below its FY2006 aid grown by Boston-area consumer prices and 40.2% below grown by the government price index.**

Gross state aid went from $14.4 million in FY2006 to $15 million in FY2025, +4.3% in dollars. Flag: in FY2010, $2 million of Palmer's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+2.8%** | **+39.5%** | **6 of 9** | **3 of 9** |
| $4.5M to $4.6M · all towns +54.0% | $6M to $8.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Palmer's health insurance would have been $5.63 million in FY2025; it was $4.64 million, $995,000 below the path. Its fixed costs would have been $7.46 million in FY2025; it was $8.33 million, $870,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Palmer's government came to $85,000, 66.8% of the $127,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Palmer has $1.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Palmer came on average 29 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Palmer owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

**Palmer owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

EXPECTED AND ACTUAL

## Palmer received $9.9 million in earmarks placed in the city or town and competitive grants over ten years, 46% more than the $6.8 million its size, need and institutions predict.

PEERS

## Palmer ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $370,000 in earmarks placed in Palmer, $285,000 (77%) went to organizations rather than to Palmer's government.

## STATE MONEY, FY2017–FY2026

### Paxton's town government and school districts received $49 million in formula aid and $466,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$49M** | **$466,000** | **$314,000** |
| $9,789 per resident (185th of 351) · gross | $93.21 per resident (330th of 351) | $62.84 per resident (49th of 351) |

**Competitive grants to Paxton peaked in FY2023 at $100,000, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.5 million, are not shown.

## EARMARKS

### Paxton received $157,000 in local earmarks to its government, $165,000 placed in the city or town and $215,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$157,000** | **$165,000** | **$215,000** | **No** |
| $31.39 per resident (153rd of 351) | $32.99 per resident (223rd of 351) · 5% to organizations | $42.98 per resident (190th of 351) · 4% to organizations | 35 municipalities had none |

Placed in the city or town: six clauses in four of ten budgets; the most recent in FY2026. $157,000 went to Paxton's government, its schools or municipal projects; the other $8,000 went to organizations in Paxton or named with it, some of which serve a wider area.

Clauses that name Paxton but fund a state facility or a MassHealth rate add-on, $50,000, count under everything placed only.

Everything placed, the third measure, adds $50,000 in one clause for state facilities located in Paxton (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

### ROADS: WHO MAINTAINS WHAT

Of 46.6 miles of public road in Paxton, the state maintains 5.4 (12%); local government and others maintain the rest.

|---|---|---|
| MassDOT | 5.4 | 12% |
| Town-accepted | 38.7 | 83% |

### STATE FACILITIES IN TOWN THAT RECEIVED EARMARKS

| Year | Amount | Enacted budget text (excerpt) |
|---|---|---|
| FY2019 | $50,000 | “the operation and rehabilitation of Moore State Park in the town of Paxton” |

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

### WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Paxton $893,000 and takes back $43,000 in assessments and charges, a net $851,000.

| Sent: estimated receipts | Taken back: assessments and charges | Net |

### COSTS AND THE 2½% LIMIT

## State aid covered 5.3% of Paxton’s general-fund spending in FY2025, down from 11.6% in FY2006.

### STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.6%** | **8.1%** | **5.3%** | **5.0%** |
| $1M of $8.7M · median town 14.1% | $964,000 of $11.8M · median town 12.2% | $845,000 of $16M · median town 11.5% | FY2010: 8.6% · median town 10.0% |

Paxton’s own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town’s assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Paxton’s state aid did not keep pace with either price measure: FY2025 aid was 46.0% below its FY2006 aid grown by Boston-area consumer prices and 52.0% below grown by the government price index.**

Gross state aid went from $1 million in FY2006 to $845,000 in FY2025, −16.2% in dollars. Flag: in FY2010, $338,000 of Paxton’s gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Paxton's health insurance would have been $560,000 in FY2025; it was $575,000, $15,000 above the path. Its fixed costs would have been $978,000 in FY2025; it was $1.66 million, $685,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Paxton's government came to $132,000, 104.6% of the $126,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Placed in the city or town | $140,000 | 110.9% | 41.2% |
| Everything placed | $190,000 | 150.5% | 45.2% |

## SCHOOLS

## Paxton's required school contribution is 2.5% of median household income, 213th highest of 351.

Paxton has no school district of its own. Its pupils attend Wachusett and Southern Worcester; Paxton accounts for 9% and 3% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

## No school building grant was approved for a school serving Paxton, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

## Paxton has $939,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Paxton came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Paxton owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Paxton received $759,000 in earmarks placed in the city or town and competitive grants over ten years, 36% of the $2.1 million its size, need and institutions predict.

PEERS

## Paxton ranks 7th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $165,000 in earmarks placed in Paxton, $8,000 (5%) went to organizations rather than to Paxton's government.

STATE MONEY, FY2017–FY2026

## Peabody's town government and school districts received $501 million in formula aid and $6.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$501M** | **$6.8M** | **$1.2M** |
| $9,164 per resident (211th of 351) · gross | $124 per resident (306th of 351) | $21.60 per resident (193rd of 351) |

**Competitive grants to Peabody peaked in FY2022 at $1.4 million, 20% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $56.7 million, are not shown.

EARMARKS

## Peabody received $1.5 million in local earmarks to its government, $2.1 million placed in the city or town and $2.1 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.5M** | **$2.1M** | **$2.1M** | **No** |
| $26.84 per resident (181st of 351) | $37.54 per resident (210th of 351) · 28% to organizations | $37.72 per resident (216th of 351) · 28% to organizations | 35 municipalities had none |

Placed in the city or town: 36 clauses in ten of ten budgets; the most recent in FY2026. $1.5 million went to Peabody's government, its schools or municipal projects; the other $585,000 went to organizations in Peabody or named with it, some of which serve a wider area.

Clauses that name Peabody but fund a state facility or a MassHealth rate add-on, $10,000, count under everything placed only.

Everything placed, the third measure, adds $10,000 in one clause for state facilities located in Peabody (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN PEABODY

## State programs also awarded $569,000 to organizations in Peabody other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Peabody. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $569,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family’s name.

COSTS AND THE 2½% LIMIT

## State aid covered 23.2% of Peabody’s general-fund spending in FY2025, up from 21.6% in FY2006.

Peabody's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Peabody's state aid kept pace with both price measures: FY2025 aid was 13.2% above its FY2006 aid grown by Boston-area consumer prices and 0.6% above grown by the government price index.**

Gross state aid went from $27.4 million in FY2006 to $48.1 million in FY2025, +75.6% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Peabody's health insurance would have been $28.8 million in FY2025; it was $27.8 million, $1.09 million below the path. Its fixed costs would have been $43.4 million in FY2025; it was $45.8 million, $2.37 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Peabody's government came to $1.3 million, 28.3% of the $4.65 million rise in its health insurance.

Not counted: West Memorial Elementary School (Peabody), approved FY2022 for up to $349,000. It lapsed or was withdrawn after approval.

**Cost after approval.** After approval, the Board added money to grants for one project serving Peabody; Peabody's share of the additions, by enrollment where a school is regional, was $452,000, all of it in the FY2024 supplemental grants for cost escalation. Of the two projects closed with a final audit, Peabody's share of the final cost was $1.9 million against its share of the approved budget of $3.5 million (under by $1.7 million); the local share moved from $1.7 million to $898,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Peabody has $2.8 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and six high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Peabody came on average 18 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Peabody received $12.6 million in earmarks placed in the city or town and competitive grants over ten years, 72% of the $17.5 million its size, need and institutions predict.

PEERS

## Peabody ranks 8th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $2.1 million in earmarks placed in Peabody, $585,000 (28%) went to organizations rather than to Peabody's government.

## FAIRNESS INDEX

### Pelham scores 47 on the Fairness Index for all state aid and 60 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

47 / 100

148th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 53 | 49 | 45 | 42 |

Rank under other weightings: 129th to 163rd.

Weighting-dependent: the range crosses the 45–55 band

Pelham received less than its share of state aid on three of four measures; its blended score of 47 stays between 45 and 49 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

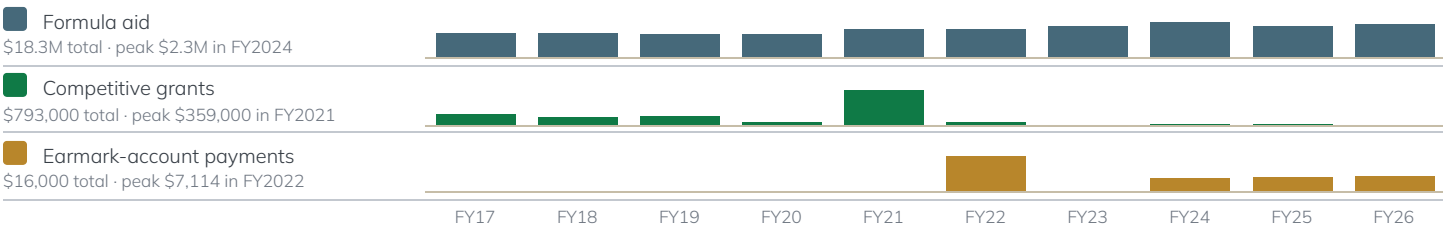
60 / 100

149th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 65 | 62 | 59 | 54 |

Rank under other weightings: 143rd to 159th.

Stable high: above 55 under every weighting



Pelham received more than its share of discretionary money on all four measures; its blended score of 60 stays between 58 and 62 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Pelham's town government and school districts received $18.3 million in formula aid and $793,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $18.3M | $793,000 | $16,000 |
| $13,701 per resident (101st of 351) · gross | $594 per resident (123rd of 351) | $11.93 per resident (246th of 351) |

**Competitive grants to Pelham peaked in FY2021 at $359,000, 45% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $605,000, are not shown.

## EARMARKS

### Pelham received $16,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN PELHAM

## State programs also awarded $15,000 to organizations in Pelham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Pelham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

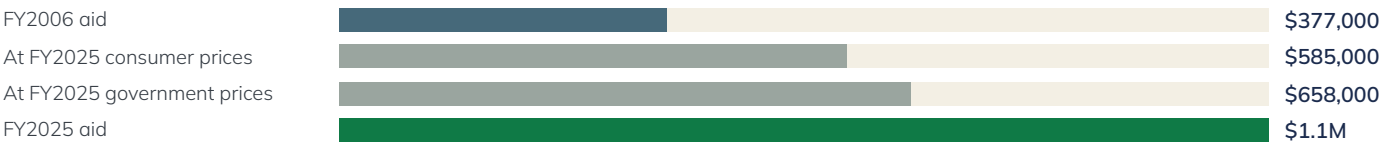
COSTS AND THE 2½% LIMIT



## State aid covered 19.9% of Pelham's general-fund spending in FY2025, up from 11.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

Pelham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $665,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Pelham's state aid kept pace with both price measures: FY2025 aid was 83.0% above its FY2006 aid grown by Boston-area consumer prices and 62.7% above grown by the government price index.**

Gross state aid went from $377,000 in FY2006 to $1.1 million in FY2025, +183.8% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Pelham's health insurance would have been $158,000 in FY2025; it was $204,000, $46,000 above the path. Its fixed costs would have been $446,000 in FY2025; it was $622,000, $176,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Pelham's government came to $16,000, 20.4% of the $77,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Pelham came on average 32 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN PEMBROKE

## State programs also awarded $29,000 to organizations in Pembroke other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Pembroke. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 22.5% of Pembroke's general-fund spending in FY2025, down from 27.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

**Pembroke's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 1.9% above its FY2006 aid grown by Boston-area consumer prices and 9.5% below grown by the government price index.**

Gross state aid went from $10.8 million in FY2006 to $17 million in FY2025, +58.0% in dollars. Flag: in FY2010, $476,000 of Pembroke's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

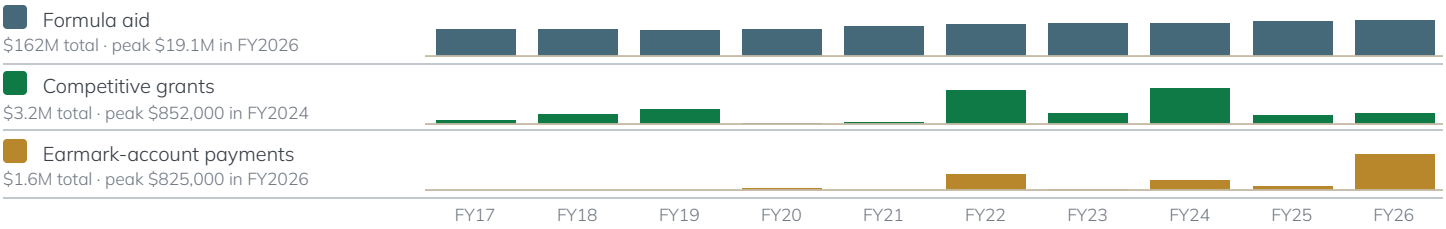
| 43 | 43 | 51 | 39 |

Rank under other weightings: 200th to 222nd.

Weighting-dependent: the range crosses the 45–55 band



Pepperell received less than its share of discretionary money on three of four measures; its blended score of 44 stays between 42 and 46 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Pepperell's town government and school districts received $162 million in formula aid and $3.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $162M | $3.2M | $1.6M |
| $13,867 per resident (95th of 351) · gross | $271 per resident (220th of 351) | $136 per resident (14th of 351) |

**Competitive grants to Pepperell peaked in FY2024 at $852,000, 27% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $7.3 million, are not shown.

## EARMARKS

### Pepperell received $658,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $658,000 | $658,000 | $658,000 | No |

STATE MONEY TO OTHERS IN PEPPERELL

## State programs also awarded $154,000 to organizations in Pepperell other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Pepperell. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | The Fitzpatrick Collaborative, Inc. regional body | Community One Stop for Growth | $30,000 |
| FY2025 | Northern Middlesex Council of Governments regional body | Community Compact Efficiency & Regionalization Grant | $12,000 (shared eight ways) |

A further $112,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 5.7% of Pepperell's general-fund spending in FY2025, down from 8.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 8.4% | 7.1% | 5.7% | 5.7% |
| $1.3M of $16M · median town 14.1% | $1.6M of $22.3M · median town 12.2% | $2.1M of $35.8M · median town 11.5% | FY2010: 7.4% · median town 10.0% |

Pepperell's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $10.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Pepperell's state aid did not keep pace with either price measure: FY2025 aid was 1.4% below its FY2006 aid grown by Boston-area consumer prices and 12.3% below grown by the government price index.**

Gross state aid went from $1.3 million in FY2006 to $2.1 million in FY2025, +53.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +94.6% | +97.8% | 7 of 9 | 6 of 9 |
| $643,000 to $1.3M · all towns +54.0% | $1.6M to $3.2M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Pepperell's health insurance would have been $803,000 in FY2025; it was $1.25 million, $448,000 above the path. Its fixed costs would have been $2.00 million in FY2025; it was $3.17 million, $1.17 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Pepperell's government came to $298,000, 48.9% of the $608,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Everything placed | $298,000 | 48.9% | 45.2% |

SCHOOLS

## Pepperell's required school contribution is 2.6% of median household income, 189th highest of 351.

Pepperell has no school district of its own. Its pupils attend North Middlesex and Nashoba Valley; Pepperell accounts for 49% and 20% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $3.6 million for schools serving Pepperell, FY2017 to August 2026.

| Approved, Pepperell's share | Projects | Statewide |
|---|---|---|
| $3.6M | 4 | $8.66B |

| FY2017 | Hawthorne Brook Middle School | North Middlesex | Accelerated Repair (Window/Door) | $1.4M | $694,000 (49%) |

**Cost after approval.** Of the one project closed with a final audit, Pepperell's share of the final cost was $690,000 against its share of the approved budget of $732,000 (under by $42,000); the local share moved from $409,000 to $390,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Pepperell has $465,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Pepperell came on average 11 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Pepperell owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

## STATE MONEY, FY2017–FY2026

### Peru's town government and school districts received $14.1 million in formula aid and $2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$14.1M** | **$2M** | **$24,000** |
| $22,437 per resident (16th of 351) · gross | $3,220 per resident (29th of 351) | $37.81 per resident (119th of 351) |

**Competitive grants to Peru peaked in FY2026 at $1 million, 49% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 630 residents, a single payment moves Peru's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $596,000, are not shown.

## EARMARKS

### Peru received $25,000 in local earmarks in ten enacted budgets on all three measures.

Placed in the city or town: one clause in one of ten budgets; it came in FY2020. All of it went to Peru's government, its schools or municipal projects.

STATE MONEY TO OTHERS IN PERU

## State programs also awarded $8,696 to organizations in Peru other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Peru. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 12.0% of Peru's general-fund spending in FY2025, up from 11.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.3%** | **13.0%** | **12.0%** | **12.0%** |
| $181,000 of $1.6M · median town 14.1% | $259,000 of $2M · median town 12.2% | $330,000 of $2.8M · median town 11.5% | FY2010: 13.4% · median town 10.0% |

Peru's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $742,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Peru's state aid kept pace with both price measures: FY2025 aid was 17.7% above its FY2006 aid grown by Boston-area consumer prices and 4.6% above grown by the government price index.**

Gross state aid went from $181,000 in FY2006 to $330,000 in FY2025, +82.5% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+91.6%** | **+54.9%** | **3 of 9** | **5 of 9** |
| $63,000 to $120,000 · all towns +54.0% | $151,000 to $234,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Peru's health insurance would have been $78,000 in FY2025; it was $120,000, $42,000 above the path. Its fixed costs would have been $189,000 in FY2025; it was $234,000, $45,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2020 (+32%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Peru's government came to $25,000, 43.5% of the $58,000 rise in its health insurance.

Peru has no school district of its own. Its pupils attend Peru and Central Berkshire; Peru accounts for 100% and 6% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Peru came on average 32 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN PETERSHAM

## State programs also awarded $69,000 to organizations in Petersham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Petersham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

|---|---|---|---|
| FY2020 | Petersham Art Center nonprofit | Cultural Facilities Fund | $7,000 |

A further $62,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 21.0% of Petersham's general-fund spending in FY2025, down from 21.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| 21.7% | 27.8% | 21.0% | 20.2% |
| $562,000 of $2.6M · median town 14.1% | $990,000 of $3.6M · median town 12.2% | $1.1M of $5.4M · median town 11.5% | FY2010: 23.0% · median town 10.0% |

Petersham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $526,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Petersham's state aid kept pace with both price measures: FY2025 aid was 30.7% above its FY2006 aid grown by Boston-area consumer prices and 16.2% above grown by the government price index.**

Gross state aid went from $562,000 in FY2006 to $1.1 million in FY2025, +102.8% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| +29.4% | +54.9% | 7 of 9 | 6 of 9 |
| $82,000 to $106,000 · all towns +54.0% | $306,000 to $474,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Petersham's health insurance would have been $102,000 in FY2025; it was $106,000, $3,694 above the path. Its fixed costs would have been $382,000 in FY2025; it was $474,000, $92,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2019 (+32%), FY2020 (–54%) and FY2021 (+65%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Petersham's government came to $0, 0.0% of the $24,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Petersham runs its own district for some grades and belongs to Ralph C Mahar and Montachusett for others; Petersham accounts for 9% and 1% of their foundation budgets, in that order.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Petersham, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Petersham has $944,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

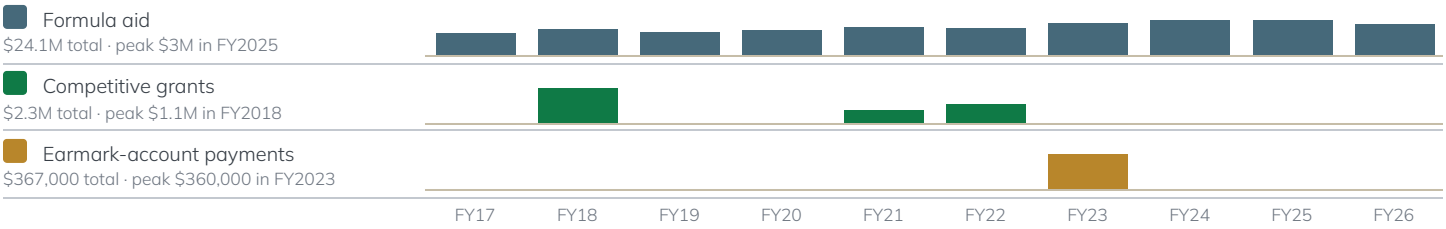
Stable high: above 55 under every weighting



Phillipston received more than its share of discretionary money on all four measures; its blended score of 83 stays between 83 and 84 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Phillipston's town government and school districts received $24.1 million in formula aid and $2.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$24.1M** | **$2.3M** | **$367,000** |
| $12,743 per resident (116th of 351) · gross | $1,191 per resident (68th of 351) | $194 per resident (6th of 351) |

**Competitive grants to Phillipston peaked in FY2018 at $1.1 million, 49% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.3 million, are not shown.

EARMARKS

## Phillipston received $50,000 in local earmarks to its government, $150,000 placed in the city or town and $150,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN PHILLIPSTON

## State programs also awarded $88,000 to organizations in Phillipston other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Phillipston. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $88,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.0% of Phillipston's general-fund spending in FY2025, down from 9.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

Phillipston's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.8 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Phillipston's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 2.7% above its FY2006 aid grown by Boston-area consumer prices and 8.7% below grown by the government price index.**

Gross state aid went from $203,000 in FY2006 to $324,000 in FY2025, +59.3% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Phillipston's health insurance would have been $81,000 in FY2025; it was $156,000, $75,000 above the path. Its fixed costs would have been $233,000 in FY2025; it was $338,000, $104,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2018 (+35%), FY2021 (+42%) and FY2023 (+48%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Phillipston's government came to $50,000, 55.0% of the $91,000 rise in its health insurance.

Phillipston has no school district of its own. Its pupils attend Narragansett and Montachusett; Phillipston accounts for 15% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Phillipston came on average 31 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Phillipston owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

STATE MONEY TO OTHERS IN PITTSFIELD

## State programs also awarded $13.1 million to organizations in Pittsfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Pittsfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 37.5% of Pittsfield's general-fund spending in FY2025, down from 38.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

**Pittsfield's state aid kept pace with both price measures: FY2025 aid was 22.0% above its FY2006 aid grown by Boston-area consumer prices and 8.4% above grown by the government price index.**

Gross state aid went from $40.5 million in FY2006 to $76.5 million in FY2025, +89.2% in dollars. Flag: in FY2010, $3.2 million of Pittsfield's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Pittsfield came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Pittsfield received $33.5 million in earmarks placed in the city or town and competitive grants over ten years, 93% of the $36.3 million its size, need and institutions predict.

PEERS

## Pittsfield ranks 2nd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $5.7 million in earmarks placed in Pittsfield, $5.2 million (92%) went to organizations rather than to Pittsfield's government.

FAIRNESS INDEX

## Plainfield scores 52 on the Fairness Index for all state aid and 94 for discretionary money. Fifty is a fair share.

ALL STATE AID

**52** / 100

103rd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 61 | 54 | 50 | 45 |

Rank under other weightings: 79th to 124th.

Weighting-dependent: the range crosses the 45–55 band

Plainfield received less than its share of state aid on two of four measures; its blended score of 53 stays between 49 and 56 under every weighting tested.

DISCRETIONARY MONEY ONLY

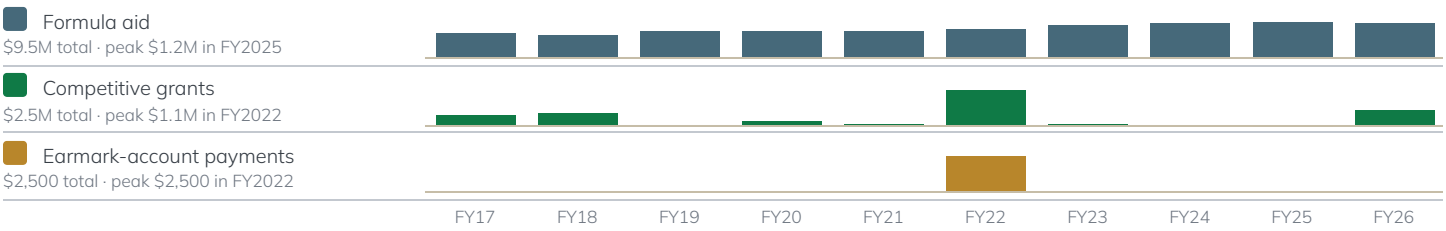
**94** / 100

30th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 96 | 95 | 91 | 93 |

Rank under other weightings: 24th to 34th.

Stable high: above 55 under every weighting



Plainfield received more than its share of discretionary money on all four measures; its blended score of 94 stays between 93 and 95 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Plainfield's town government and school districts received $9.5 million in formula aid and $2.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $9.5M | $2.5M | $2,500 |
| $15,369 per resident (70th of 351) · gross | $4,077 per resident (20th of 351) | $4.06 per resident (299th of 351) |

**Competitive grants to Plainfield peaked in FY2022 at $1.1 million, 42% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 616 residents, a single payment moves Plainfield's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $607,000, are not shown.

EARMARKS

## No local earmark was placed in Plainfield in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

The Comptroller records $2,500 in payments to Plainfield's town government and school districts from accounts classified as earmarks over the same ten years. Those accounts can carry prior-year and statewide-program money; no enacted clause was placed in Plainfield.

Plainfield is one of the 35 cities and towns with no earmark placed in them in any of the ten budgets. The list counts enacted earmarks only. All 35 received competitive grant payments in the same ten years; Plainfield's appear under State money above.

STATE MONEY TO OTHERS IN PLAINFIELD

## State programs also awarded $288,000 to organizations in Plainfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Plainfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 5.6% of Plainfield's general-fund spending in FY2025, down from 7.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **7.2%** | **6.8%** | **5.6%** | **5.5%** |
| $82,000 of $1.1M · median town 14.1% | $117,000 of $1.7M · median town 12.2% | $188,000 of $3.4M · median town 11.5% | FY2010: 7.4% · median town 10.0% |

Plainfield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $411,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Plainfield's state aid kept pace with both price measures: FY2025 aid was 48.1% above its FY2006 aid grown by Boston-area consumer prices and 31.6% above grown by the government price index.**

Gross state aid went from $82,000 in FY2006 to $188,000 in FY2025, +129.6% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–27.1%** | **+49.8%** | **4 of 9** | **4 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Plainfield's health insurance would have been $64,000 in FY2025; it was $38,000, $27,000 below the path. Its fixed costs would have been $200,000 in FY2025; it was $240,000, $40,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2022 (–33%); fixed costs changed by more than 30% in one year in FY2024 (+52%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Plainfield's reported health insurance fell from $52,000 in FY2016 to $38,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

## SCHOOLS

### Plainfield's required school contribution is 4.5% of median household income, 3rd highest of 351.

Plainfield has no school district of its own. Its pupils attend Plainfield and Mohawk Trail; Plainfield accounts for 100% and 8% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

### No school building grant was approved for a school serving Plainfield, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

### Plainfield has $173,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Plainfield came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Plainville's town government and school districts received $94.6 million in formula aid and $1.6 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $94.6M | $1.6M | $242,000 |
| $9,512 per resident (194th of 351) · gross | $160 per resident (275th of 351) | $24.37 per resident (178th of 351) |

**Competitive grants to Plainville peaked in FY2020 at $586,000, 37% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $9.6 million, are not shown.

## EARMARKS

### Plainville received $408,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN PLAINVILLE

## State programs also awarded $67,000 to organizations in Plainville other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Plainville. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 10.0% of Plainville's general-fund spending in FY2025, down from 23.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **23.8%** | **14.9%** | **10.0%** | **7.7%** |
| $4.7M of $19.8M · median town 14.1% | $4.3M of $29.2M · median town 12.2% | $4.4M of $44.4M · median town 11.5% | FY2010: 18.8% · median town 10.0% |

Plainville's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Plainville's state aid did not keep pace with either price measure: FY2025 aid was 39.5% below its FY2006 aid grown by Boston-area consumer prices and 46.2% below grown by the government price index.**

Gross state aid went from $4.7 million in FY2006 to $4.4 million in FY2025, –6.1% in dollars. Flag: in FY2010, $1.1 million of Plainville's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+69.5%** | **+79.0%** | **6 of 9** | **5 of 9** |
| $2.1M to $3.5M · all towns +54.0% | $3.5M to $6.3M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Plainville's health insurance would have been $2.58 million in FY2025; it was $3.50 million, $922,000 above the path. Its fixed costs would have been $4.38 million in FY2025; it was $6.27 million, $1.90 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2024 (+55%); health insurance changed by more than 30% in one year in FY2024 (+133%) and FY2025 (–37%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Plainville's government came to $383,000, 26.7% of the $1.44 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Plainville runs its own district for some grades and belongs to King Philip, Tri County and Norfolk County for others; Plainville accounts for 26%, 11% and 2% of their foundation budgets, in that order.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $11.5 million for schools serving Plainville, FY2017 to August 2026.

**Cost after approval.** After approval, the Board added money to grants for one project serving Plainville; Plainville's share of the additions, by enrollment where a school is regional, was $2.2 million, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Plainville has $73,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Plainville came on average 27 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

Stable low: below 45 under every weighting

Plymouth received less than its share of discretionary money on all four measures; its blended score of 37 stays between 35 and 39 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Plymouth's town government and school districts received $448 million in formula aid and $17.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$448M** | **$17.1M** | **$556,000** |
| $7,006 per resident (289th of 351) · gross | $268 per resident (222nd of 351) | $8.70 per resident (266th of 351) |

**Competitive grants to Plymouth peaked in FY2023 at $3.7 million, 21% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $76.3 million, are not shown.

EARMARKS

## Plymouth received $680,000 in local earmarks to its government, $3.4 million placed in the city or town and $3.5 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$680,000** | **$3.4M** | **$3.5M** | **No** |
| $10.63 per resident (268th of 351) | $52.98 per resident (162nd of 351) · 80% to organizations | $55.26 per resident (159th of 351) · 77% to organizations | 35 municipalities had none |

Placed in the city or town: 50 clauses in nine of ten budgets; the most recent in FY2026. $680,000 went to Plymouth's government, its schools or municipal projects; the other $2.7 million went to organizations in Plymouth or named with it, some of which serve a wider area.

Clauses that name Plymouth but fund a state facility or a MassHealth rate add-on, $146,000, count under everything placed only.

Everything placed, the third measure, adds $146,000 in two clauses for state facilities located in Plymouth (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

### ROADS: WHO MAINTAINS WHAT

Of 499.7 miles of public road in Plymouth, the state maintains 38.6 (8%); local government and others maintain the rest.

| Jurisdiction | Miles | Share |
|---|---|---|
| MassDOT | 38.6 | 8% |
| Town-accepted | 237.1 | 47% |
| Unaccepted public ways | 160.8 | 32% |

### STATE FACILITIES IN TOWN THAT RECEIVED EARMARKS

| Year | Amount | Enacted budget text (excerpt) |
|---|---|---|
| FY2024 | $86,000 | “Cape Cod Community College for an inter-campus transit program to provide bus service between Cape Cod Community College, Bridgewater State…” |
| FY2018 | $60,000 | “the secretary of the commonwealth to fund a portion of the costs associated with the Plymouth 400th Anniversary Celebration, which may include new…” |

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

### WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Plymouth $41.1 million and takes back $11 million in assessments and charges, a net $30.1 million.

STATE MONEY TO OTHERS IN PLYMOUTH

## State programs also awarded $2.1 million to organizations in Plymouth other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Plymouth. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2020 | Plimoth Plantation nonprofit | Cultural Facilities Fund | $200,000 |
| FY2022 | General Society of Mayflower Descendants nonprofit | Cultural Facilities Fund | $200,000 |

Printed: the 15 largest of 20 awards; the web page lists all of them.

A further $337,000 in 10 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 12.7% of Plymouth's general-fund spending in FY2025, down from 18.2% in FY2006.

**Plymouth's state aid did not keep pace with either price measure: FY2025 aid was 0.2% below its FY2006 aid grown by Boston-area consumer prices and 11.3% below grown by the government price index.**

Gross state aid went from $24 million in FY2006 to $37.1 million in FY2025, +54.7% in dollars. Flag: in FY2010, $1.7 million of Plymouth's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+39.5%** | **+29.9%** | **5 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Plymouth's health insurance would have been $46.4 million in FY2025; it was $51.8 million, $5.41 million above the path. Its fixed costs would have been $67.4 million in FY2025; it was $70.1 million, $2.69 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Plymouth's government came to $525,000, 3.6% of the $14.7 million rise in its health insurance.

## ROADS, BRIDGES AND DAMS

### Plymouth has $2.8 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Plymouth came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Plymouth received $21.7 million in earmarks placed in the city or town and competitive grants over ten years, 7% more than the $20.3 million its size, need and institutions predict.

PEERS

## Plymouth ranks 7th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $3.4 million in earmarks placed in Plymouth, $2.7 million (80%) went to organizations rather than to Plymouth's government.

STATE MONEY, FY2017–FY2026

## Plympton's town government and school districts received $27.1 million in formula aid and $803,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$27.1M** | **$803,000** | **$179,000** |
| $9,237 per resident (207th of 351) · gross | $274 per resident (218th of 351) | $60.89 per resident (53rd of 351) |

**Competitive grants to Plympton peaked in FY2019 at $307,000, 38% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.6 million, are not shown.

EARMARKS

## Plympton received $335,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN PLYMPTON

## State programs also awarded $101,000 to organizations in Plympton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Plympton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $101,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 9.8% of Plympton's general-fund spending in FY2025, down from 10.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **10.8%** | **10.5%** | **9.8%** | **9.0%** |
| $757,000 of $7M · median town 14.1% | $1M of $9.7M · median town 12.2% | $1.5M of $15.1M · median town 11.5% | FY2010: 10.4% · median town 10.0% |

Plympton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $945,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Plympton's state aid kept pace with both price measures: FY2025 aid was 26.5% above its FY2006 aid grown by Boston-area consumer prices and 12.4% above grown by the government price index.**

Gross state aid went from $757,000 in FY2006 to $1.5 million in FY2025, +96.2% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+93.7%** | **+93.6%** | **5 of 9** | **7 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Plympton's health insurance would have been $350,000 in FY2025; it was $543,000, $193,000 above the path. Its fixed costs would have been $1.02 million in FY2025; it was $1.59 million, $564,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Plympton's government came to $280,000, 106.6% of the $263,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Plympton runs its own district for some grades and belongs to Silver Lake for others; Plympton accounts for 10% of that district's foundation budget.

## SCHOOL BUILDINGS

### No school building grant was approved for a school serving Plympton, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

### Plympton has $115,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Plympton came on average 17 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Plympton owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

STATE MONEY TO OTHERS IN PRINCETON

## State programs also awarded $98,000 to organizations in Princeton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Princeton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | Appalachian Mountain Club nonprofit | MassTrails Grants | $57,000 |

A further $41,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 5.9% of Princeton's general-fund spending in FY2025, down from 11.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **11.5%** | **5.2%** | **5.9%** | **5.6%** |
| $887,000 of $7.7M · median town 14.1% | $469,000 of $9M · median town 12.2% | $775,000 of $13.2M · median town 11.5% | FY2010: 9.0% · median town 10.0% |

Princeton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Princeton's state aid did not keep pace with either price measure: FY2025 aid was 43.7% below its FY2006 aid grown by Boston-area consumer prices and 49.9% below grown by the government price index.**

Gross state aid went from $887,000 in FY2006 to $775,000 in FY2025, −12.7% in dollars. Flag: in FY2010, $388,000 of Princeton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+10.0%** | **+44.0%** | **3 of 9** | **5 of 9** |
| $279,000 to $307,000 · all towns +54.0% | $701,000 to $1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Princeton's health insurance would have been $348,000 in FY2025; it was $307,000, $42,000 below the path. Its fixed costs would have been $876,000 in FY2025; it was $1.01 million, $134,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Princeton's government came to $240,000, 8.6 times the $28,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

SCHOOLS

## Princeton's required school contribution is 2.3% of median household income, 278th highest of 351.

Princeton has no school district of its own. Its pupils attend Wachusett and Montachusett; Princeton accounts for 6% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Princeton came on average 36 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Princeton received $2.5 million in earmarks placed in the city or town and competitive grants over ten years, 65% more than the $1.5 million its size, need and institutions predict.

PEERS

## Princeton ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $1.1 million in earmarks placed in Princeton, $815,000 (77%) went to organizations rather than to Princeton's government.

STATE MONEY TO OTHERS IN PROVINCETOWN

## State programs also awarded $2.3 million to organizations in Provincetown other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Provincetown. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $206,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 2.8% of Provincetown's general-fund spending in FY2025, down from 4.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.3%** | **3.3%** | **2.8%** | **1.2%** |
| $930,000 of $21.7M · median town 14.1% | $834,000 of $25.4M · median town 12.2% | $1.2M of $43.8M · median town 11.5% | FY2010: 0.3% · median town 10.0% |

Provincetown's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $25,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Provincetown's state aid did not keep pace with either price measure: FY2025 aid was 13.6% below its FY2006 aid grown by Boston-area consumer prices and 23.2% below grown by the government price index.**

Gross state aid went from $930,000 in FY2006 to $1.2 million in FY2025, +34.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+10.2%** | **+49.3%** | **6 of 9** | **4 of 9** |
| $3.6M to $3.9M · all towns +54.0% | $6.1M to $9.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Provincetown's health insurance would have been $4.47 million in FY2025; it was $3.94 million, $525,000 below the path. Its fixed costs would have been $7.58 million in FY2025; it was $9.06 million, $1.48 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Provincetown's government came to $212,000, 58.1% of the $365,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Provincetown runs its own school district and also belongs to Cape Cod; Provincetown accounts for 1% of that district's foundation budget.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $419,000 for schools serving Provincetown, FY2017 to August 2026.

| FY2018 | Cape Cod Regional Technical High School | Cape Cod | Core | $42.5M | $373,000 (1%) |

**Cost after approval.** After approval, the Board added money to grants for one project serving Provincetown; Provincetown's share of the additions, by enrollment where a school is regional, was $47,000. Of the one project closed with a final audit, Provincetown's share of the final cost was $1 million against its share of the approved budget of $1.1 million (under by $106,000); the local share moved from $749,000 to $616,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Provincetown has $1.2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Provincetown came on average 59 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Provincetown received $8.2 million in earmarks placed in the city or town and competitive grants over ten years, 30% more than the $6.3 million its size, need and institutions predict.

PEERS

## Provincetown ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $572,000 in earmarks placed in Provincetown, $360,000 (63%) went to organizations rather than to Provincetown's government.

STATE MONEY, FY2017–FY2026

## Quincy's town government and school districts received $789 million in formula aid and $17.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $789M | $17.9M | $2.8M |
| $7,723 per resident (267th of 351) · gross | $176 per resident (267th of 351) | $27.72 per resident (157th of 351) |

**Competitive grants to Quincy peaked in FY2017 at $3.9 million, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $84.7 million, are not shown.

EARMARKS

## Quincy received $2.3 million in local earmarks to its government, $10.5 million placed in the city or town and $11.8 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $2.3M | $10.5M | $11.8M | No |
| $22.38 per resident (200th of 351) | $103 per resident (63rd of 351) · 78% to organizations | $116 per resident (55th of 351) · 69% to organizations | 35 municipalities had none |

Placed in the city or town: 100 clauses in ten of ten budgets; the most recent in FY2026. $2.3 million went to Quincy's government, its schools or municipal projects; the other $8.2 million went to organizations in Quincy or named with it, some of which serve a wider area.

Clauses that name Quincy but fund a state facility or a MassHealth rate add-on, $1.4 million, count under everything placed only.

Everything placed, the third measure, adds $1.4 million in 13 clauses for state facilities located in Quincy (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN QUINCY

## State programs also awarded $509,000 to organizations in Quincy other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Quincy. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2027 | Affordable Housing and Services Collaborative, Inc. regional body | Community One Stop for Growth | $250,000 |
| FY2022 | United States Naval Shipbuilding Museum nonprofit | Cultural Facilities Fund | $50,000 |

A further $209,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 15.0% of Quincy's general-fund spending in FY2025, up from 14.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **14.2%** | **16.7%** | **15.0%** | **13.9%** |
| $36.6M of $258M · median town 14.1% | $46.9M of $281M · median town 12.2% | $71.9M of $479M · median town 11.5% | FY2010: 14.4% · median town 10.0% |

Quincy's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $120,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Quincy's state aid kept pace with both price measures: FY2025 aid was 26.4% above its FY2006 aid grown by Boston-area consumer prices and 12.4% above grown by the government price index.**

Gross state aid went from $36.6 million in FY2006 to $71.9 million in FY2025, +96.1% in dollars. Flag: in FY2010, $1.2 million of Quincy's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+222.5%** | **+69.2%** | **3 of 9** | **4 of 9** |
| $39.9M to $129M · all towns +54.0% | $71.5M to $121M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Quincy's health insurance would have been $49.8 million in FY2025; it was $129 million, $78.8 million above the path. Its fixed costs would have been $89.3 million in FY2025; it was $121 million, $31.7 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2021 (+45%); health insurance changed by more than 30% in one year in FY2021 (+117%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost. Flag: in FY2022, FY2023 and FY2025 reported health insurance exceeded all general-fund fixed costs; the health-insurance report includes the employee share for self-insured towns.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Quincy's government came to $2.1 million, 2.3% of the $88.7 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

ROADS, BRIDGES AND DAMS

## Quincy has $3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Quincy came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Quincy received $31.7 million in earmarks placed in the city or town and competitive grants over ten years, 36% more than the $23.3 million its size, need and institutions predict.

PEERS

## Quincy ranks 4th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $10.5 million in earmarks placed in Quincy, $8.2 million (78%) went to organizations rather than to Quincy's government.

STATE MONEY TO OTHERS IN RANDOLPH

## State programs also awarded $161,000 to organizations in Randolph other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Randolph. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 26.6% of Randolph's general-fund spending in FY2025, up from 24.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **24.9%** | **25.1%** | **26.6%** | **19.8%** |
| $17.5M of $70.5M · median town 14.1% | $21.7M of $86.5M · median town 12.2% | $33.6M of $127M · median town 11.5% | FY2010: 19.9% · median town 10.0% |

Randolph's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Randolph's state aid kept pace with both price measures: FY2025 aid was 23.6% above its FY2006 aid grown by Boston-area consumer prices and 9.9% above grown by the government price index.**

Gross state aid went from $17.5 million in FY2006 to $33.6 million in FY2025, +91.7% in dollars. Flag: in FY2010, $847,000 of Randolph's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+96.5%** | **+53.4%** | **5 of 9** | **5 of 9** |
| $6.8M to $13.3M · all towns +54.0% | $15.6M to $24M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Randolph's health insurance would have been $8.47 million in FY2025; it was $13.3 million, $4.86 million above the path. Its fixed costs would have been $19.5 million in FY2025; it was $24 million, $4.45 million above the path.

Flag: health insurance changed by more than 30% in one year in FY2017 (+49%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Randolph's government came to $1.1 million, 16.5% of the $6.55 million rise in its health insurance.

**Cost after approval.** After approval, the Board added money to grants for one project serving Randolph; Randolph's share of the additions, by enrollment where a school is regional, was $4.6 million, all of it in the FY2024 supplemental grants for cost escalation. Of the three projects closed with a final audit, Randolph's share of the final cost was $32.8 million against its share of the approved budget of $33.3 million (under by $517,000); the local share moved from $14.5 million to $15.6 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Randolph has $2.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Randolph came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Randolph received $6.5 million in earmarks placed in the city or town and competitive grants over ten years, 61% of the $10.6 million its size, need and institutions predict.

PEERS

## Randolph ranks 7th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $1.2 million in earmarks placed in Randolph, $75,000 (6%) went to organizations rather than to Randolph's government.

## STATE MONEY, FY2017–FY2026

### Raynham's town government and school districts received $171 million in formula aid and $1.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$171M** | **$1.3M** | **$252,000** |
| $11,019 per resident (146th of 351) · gross | $86.59 per resident (332nd of 351) | $16.26 per resident (225th of 351) |

**Competitive grants to Raynham peaked in FY2026 at $547,000, 41% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $16.7 million, are not shown.

## EARMARKS

### Raynham received $355,000 in local earmarks to its government, $890,000 placed in the city or town and $890,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN RAYNHAM

## State programs also awarded $354,000 to organizations in Raynham other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Raynham. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2021 | SRPEDD nonprofit | Community Compact Efficiency & Regionalization Grant | $3,028 (shared 26 ways) |

A further $351,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 3.3% of Raynham's general-fund spending in FY2025, down from 7.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **7.4%** | **3.7%** | **3.3%** | **2.4%** |
| $1.9M of $25.9M · median town 14.1% | $1.3M of $36M · median town 12.2% | $1.7M of $50.3M · median town 11.5% | FY2010: 4.0% · median town 10.0% |

Raynham's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $13.6 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Raynham's state aid did not keep pace with either price measure: FY2025 aid was 43.4% below its FY2006 aid grown by Boston-area consumer prices and 49.7% below grown by the government price index.**

Gross state aid went from $1.9 million in FY2006 to $1.7 million in FY2025, −12.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

| $1.9M to $2.2M · all towns +54.0% | $3.8M to $5.8M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Raynham's health insurance would have been $2.33 million in FY2025; it was $2.21 million, $118,000 below the path. Its fixed costs would have been $4.73 million in FY2025; it was $5.79 million, $1.07 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Raynham's government came to $330,000, 95.5% of the $345,000 rise in its health insurance.

Raynham has no school district of its own. Its pupils attend Bridgewater-Raynham, Bristol Plymouth and Bristol County; Raynham accounts for 38%, 14% and 3% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $34.8 million for schools serving Raynham, FY2017 to August 2026.

| FY2018 | Bristol County Agricultural High School | Bristol County | Core | $53.3M | $1.5M (3%) |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Raynham; Raynham's share of the additions, by enrollment where a school is regional, was $2.8 million, $2.8 million of it in the FY2024 supplemental grants for cost escalation. with a final audit, Raynham's share of the final cost was $3 million against its share of the approved budget of $3 million (over by $76,000); the local share moved from $1.4 million to $1.6 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Raynham has $1.8 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Raynham came on average 37 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Raynham received $2.5 million in earmarks placed in the city or town and competitive grants over ten years, 58% of the $4.3 million its size, need and institutions predict.

PEERS

## Raynham ranks 5th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $890,000 in earmarks placed in Raynham, $535,000 (60%) went to organizations rather than to Raynham's government.

COSTS AND THE 2½% LIMIT

## State aid covered 13.1% of Reading's general-fund spending in FY2025, down from 18.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **18.7%** | **15.5%** | **13.1%** | **12.4%** |
| $12.2M of $65.2M · median town 14.1% | $13.5M of $87.3M · median town 12.2% | $16.3M of $124M · median town 11.5% | FY2010: 16.7% · median town 10.0% |

Reading's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $150,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Reading's state aid did not keep pace with either price measure: FY2025 aid was 13.5% below its FY2006 aid grown by Boston-area consumer prices and 23.1% below grown by the government price index.**

Gross state aid went from $12.2 million in FY2006 to $16.3 million in FY2025, +34.1% in dollars. Flag: in FY2010, $424,000 of Reading's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+43.3%** | **+42.8%** | **6 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Reading's health insurance would have been $11.8 million in FY2025; it was $13.6 million, $1.74 million above the path. Its fixed costs would have been $20.5 million in FY2025; it was $23.5 million, $2.95 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2023 (+34%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Reading's government came to $625,000, 15.2% of the $4.10 million rise in its health insurance.

**Cost after approval.** After approval, the Board added money to grants for one project serving Reading; Reading's share of the additions, by enrollment where a school is regional, was $832,000, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Reading has $2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Reading came on average 28 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Rehoboth's town government and school districts received $100 million in formula aid and $909,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $100M | $909,000 | $58,000 |
| $7,696 per resident (268th of 351) · gross | $69.78 per resident (339th of 351) | $4.49 per resident (294th of 351) |

**Competitive grants to Rehoboth peaked in FY2025 at $249,000, 27% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $5.4 million, are not shown.

EARMARKS

## Rehoboth received $167,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN REHOBOTH

## State programs also awarded $128,000 to organizations in Rehoboth other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Rehoboth. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2021 | SRPEDD nonprofit | Community Compact Efficiency & Regionalization Grant | $3,028 (shared 26 ways) |

A further $125,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 4.0% of Rehoboth's general-fund spending in FY2025, down from 6.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

Rehoboth's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $5.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Rehoboth's state aid did not keep pace with either price measure: FY2025 aid was 21.1% below its FY2006 aid grown by Boston-area consumer prices and 29.9% below grown by the government price index.**

Gross state aid went from $1.2 million in FY2006 to $1.5 million in FY2025, +22.3% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rehoboth's health insurance would have been $812,000 in FY2025; it was $1.07 million, $263,000 above the path. Its fixed costs would have been $2.23 million in FY2025; it was $3.15 million, $922,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rehoboth's government came to $142,000, 33.3% of the $425,000 rise in its health insurance.

Rehoboth has no school district of its own. Its pupils attend Dighton-Rehoboth, Bristol County and Bristol Plymouth; Rehoboth accounts for 57%, 7% and 3% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $8.9 million for schools serving Rehoboth, FY2017 to August 2026.

**Cost after approval.** After approval, the Board added money to grants for two projects serving Rehoboth; Rehoboth's share of the additions, by enrollment where a school is regional, was $679,000, $693,000 of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Rehoboth's share of the final cost was $7.9 million against its share of the approved budget of $7.7 million (over by $199,000); the local share moved from $3.7 million to $4 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Rehoboth has $1.6 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns four bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rehoboth came on average 16 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Rehoboth owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

FAIRNESS INDEX

## Revere scores 64 on the Fairness Index for all state aid and 48 for discretionary money. Fifty is a fair share.

ALL STATE AID

**64** / 100
29th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 65 | 59 | 64 | 68 |

Rank under other weightings: 23rd to 37th.

Stable high: above 55 under every weighting

Revere received more than its share of state aid on all four measures; its blended score of 64 stays between 62 and 65 under every weighting tested.

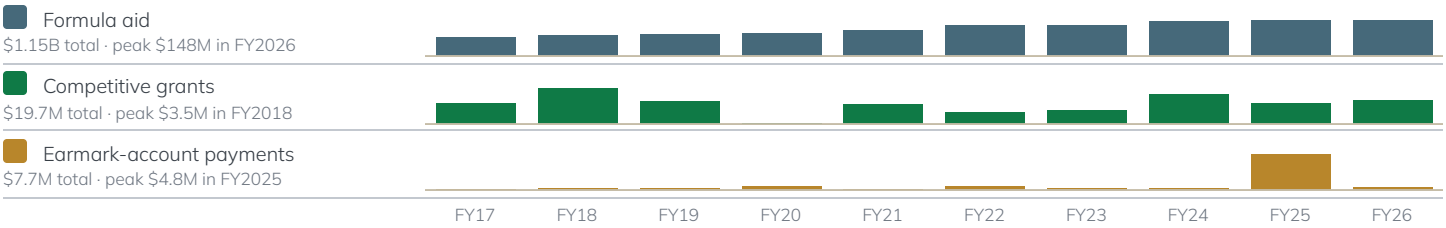
DISCRETIONARY MONEY ONLY

**48** / 100
198th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 46 | 40 | 57 | 49 |

Rank under other weightings: 184th to 216th.

Weighting-dependent: the range crosses the 45–55 band



Revere received less than its share of discretionary money on three of four measures; its blended score of 48 stays between 45 and 51 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Revere's town government and school districts received $1.15 billion in formula aid and $19.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$1.15B** | **$19.7M** | **$7.7M** |
| $19,109 per resident (33rd of 351) · gross | $328 per resident (199th of 351) | $128 per resident (17th of 351) |

**Competitive grants to Revere were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $84.3 million, are not shown.

EARMARKS

## Revere received $1.3 million in local earmarks to its government, $1.6 million placed in the city or town and $3.7 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$1.3M** | **$1.6M** | **$3.7M** | **No** |
| $21.07 per resident (210th of 351) | $25.99 per resident (256th of 351) · 19% to organizations | $61.66 per resident (144th of 351) · 8% to organizations | 35 municipalities had none |

Placed in the city or town: 36 clauses in seven of ten budgets; the most recent in FY2026. $1.3 million went to Revere's government, its schools or municipal projects; the other $295,000 went to organizations in Revere or named with it, some of which serve a wider area.

Clauses that name Revere but fund a state facility or a MassHealth rate add-on, $2.1 million, count under everything placed only.

Everything placed, the third measure, adds $2.1 million in 19 clauses for state facilities located in Revere (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN REVERE

## State programs also awarded $868,000 to organizations in Revere other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Revere. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | Revere and Housing Families nonprofit | Housing grants (EOHLC) | $143,000 |
| FY2022 | The Neighborhood Developers nonprofit | Community One Stop for Growth | $100,000 |

| FY2024 | Women Encouraging Empowerment nonprofit | Community One Stop for Growth | $20,000 |

A further $222,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

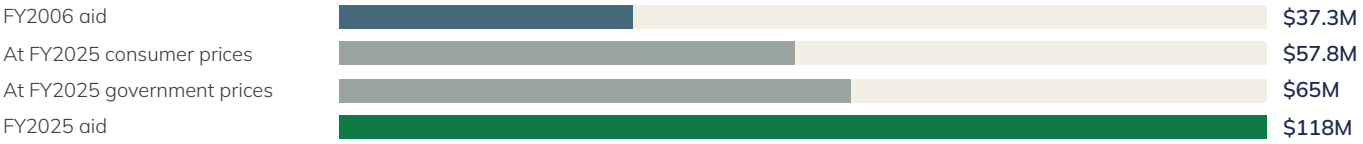
COSTS AND THE 2½% LIMIT



## State aid covered 39.3% of Revere's general-fund spending in FY2025, up from 32.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **32.5%** | **40.1%** | **39.3%** | **33.1%** |
| $37.3M of $115M · median town 14.1% | $65.2M of $163M · median town 12.2% | $118M of $299M · median town 11.5% | FY2010: 29.4% · median town 10.0% |

Revere's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $4.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Revere's state aid kept pace with both price measures: FY2025 aid was 103.7% above its FY2006 aid grown by Boston-area consumer prices and 81.1% above grown by the government price index.**

Gross state aid went from $37.3 million in FY2006 to $118 million in FY2025, +215.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+219.0%** | **+134.1%** | **5 of 9** | **6 of 9** |
| $21.9M to $70M · all towns +54.0% | $34.5M to $80.7M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Revere's health insurance would have been $27.4 million in FY2025; it was $70 million, $42.6 million above the path. Its fixed costs would have been $43 million in FY2025; it was $80.7 million, $37.6 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (+51%), FY2018 (–38%), FY2019 (+88%), FY2022 (–31%) and FY2023 (+63%); health insurance changed by more than 30% in one year in FY2017 (+79%), FY2018 (–55%), FY2019 (+159%), FY2022 (–39%) and FY2023 (+89%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Revere's government came to $999,000, 2.1% of the $48 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** After approval, the Board added money to grants for one project serving Revere; Revere's share of the additions, by enrollment where a school is regional, was $4.5 million, all of it in the FY2024 supplemental grants for cost escalation. Of the three projects closed with a final audit, Revere's share of the final cost was $6.3 million against its share of the approved budget of $7.5 million (under by $1.3 million); the local share moved from $2.2 million to $1.9 million. Approved budgets include contingency.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Revere came on average 14 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Richmond's town government and school districts received $11.3 million in formula aid and $1.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $11.3M | $1.1M | $2,500 |
| $8,072 per resident (252nd of 351) · gross | $776 per resident (99th of 351) | $1.78 per resident (318th of 351) |

**Competitive grants to Richmond peaked in FY2022 at $526,000, 48% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $974,000, are not shown.

## EARMARKS

### No local earmark was placed in Richmond in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN RICHMOND

## State programs also awarded $8,696 to organizations in Richmond other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Richmond. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 13.4% of Richmond's general-fund spending in FY2025, down from 17.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |

**Richmond's state aid did not keep pace with either price measure: FY2025 aid was 16.0% below its FY2006 aid grown by Boston-area consumer prices and 25.4% below grown by the government price index.**

Gross state aid went from $820,000 in FY2006 to $1.1 million in FY2025, +30.2% in dollars. Flag: in FY2010, $297,000 of Richmond's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Richmond's health insurance would have been $161,000 in FY2025; it was $193,000, $32,000 above the path. Its fixed costs would have been $425,000 in FY2025; it was $569,000, $144,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2020 (–34%) and FY2023 (+39%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Richmond's government came to $0, 0.0% of the $64,000 rise in its health insurance.

FAIRNESS INDEX

## Rochester scores 43 on the Fairness Index for all state aid and 45 for discretionary money. Fifty is a fair share.

ALL STATE AID

**43** / 100

182nd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 45 | 52 | 38 | 37 |

Rank under other weightings: 164th to 209th.

Weighting-dependent: the range crosses the 45–55 band

Rochester received less than its share of state aid on three of four measures; its blended score of 43 stays between 40 and 46 under every weighting tested.

DISCRETIONARY MONEY ONLY

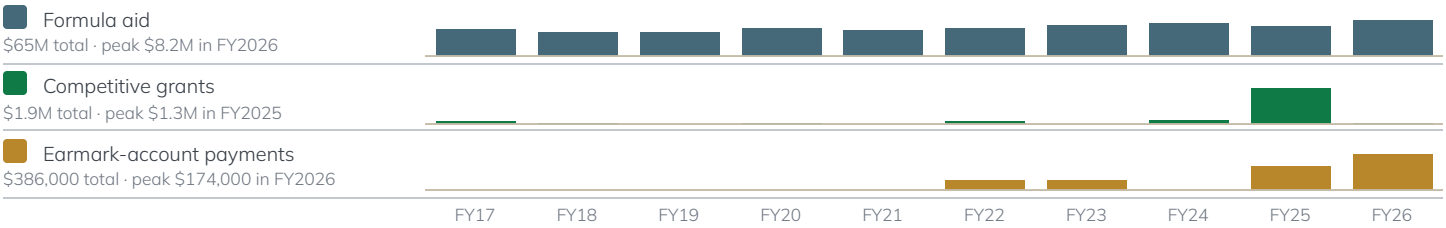
| 49 | 56 | 35 | 41 |

Rank under other weightings: 195th to 217th.

Weighting-dependent: the range crosses the 45–55 band



Rochester received less than its share of discretionary money on three of four measures; its blended score of 45 stays between 41 and 50 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Rochester's town government and school districts received $65 million in formula aid and $1.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$65M** | **$1.9M** | **$386,000** |
| $11,142 per resident (142nd of 351) · gross | $331 per resident (196th of 351) | $66.21 per resident (42nd of 351) |

**Competitive grants to Rochester peaked in FY2025 at $1.3 million, 70% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $3.2 million, are not shown.

EARMARKS

## Rochester received $275,000 in local earmarks to its government, $275,000 placed in the city or town and $295,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$275,000** | **$275,000** | **$295,000** | **No** |
| $47.11 per resident (84th of 351) | $47.11 per resident (178th of 351) | $50.54 per resident (174th of 351) | 35 municipalities had none |

Placed in the city or town: six clauses in five of ten budgets; the most recent in FY2026. All of it went to Rochester's government, its schools or municipal projects.

Clauses that name Rochester but fund a state facility or a MassHealth rate add-on, $20,000, count under everything placed only.

Everything placed, the third measure, adds $20,000 in one clause for state facilities located in Rochester (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

### ROADS: WHO MAINTAINS WHAT

Of 75.6 miles of public road in Rochester, the state maintains 6.4 (8%); local government and others maintain the rest.

| Jurisdiction | Miles | Share |
|---|---|---|
| MassDOT | 6.4 | 8% |
| Town-accepted | 67.9 | 90% |
| Unaccepted public ways | 1.4 | 2% |

### STATE FACILITIES IN TOWN THAT RECEIVED EARMARKS

| Year | Amount | Enacted budget text (excerpt) |
|---|---|---|
| FY2020 | $20,000 | “a flood management study of the Assawompset pond complex that is a part of the Taunton river watershed in the towns of Freetown, Lakeville…” |

State hospitals, courts, sheriffs, colleges, DCR parks and the like, placed in the city or town by address: the money the third earmark measure adds. Three ways to count a local earmark.

### WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Rochester $3.4 million and takes back $190,000 in assessments and charges, a net $3.2 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |
|---|---|---|

| Charter School Sending Tuition | $48,000 |

### STATE MONEY TO OTHERS IN ROCHESTER

## State programs also awarded $69,000 to organizations in Rochester other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Rochester. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

| Awards to named organizations (the town's share where an award names several towns) | | | |
|---|---|---|---|
| Year | Recipient | Program | Amount |
| FY2026 | Rochester Land Trust nonprofit | MassTrails Grants | $44,000 |
| FY2021 | SRPEDD nonprofit | Community Compact Efficiency & Regionalization Grant | $3,028 (shared 26 ways) |

A further $22,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 12.5% of Rochester's general-fund spending in FY2025, down from 16.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **16.3%** | **11.6%** | **12.5%** | **11.9%** |
| $2.3M of $14.1M · median town 14.1% | $2.3M of $19.6M · median town 12.2% | $3.2M of $26M · median town 11.5% | FY2010: 12.5% · median town 10.0% |

Rochester's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Rochester's state aid did not keep pace with either price measure: FY2025 aid was 9.2% below its FY2006 aid grown by Boston-area consumer prices and 19.3% below grown by the government price index.**

Gross state aid went from $2.3 million in FY2006 to $3.2 million in FY2025, +40.8% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+39.8%** | **+60.5%** | **6 of 9** | **4 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rochester's health insurance would have been $873,000 in FY2025; it was $976,000, $104,000 above the path. Its fixed costs would have been $2.12 million in FY2025; it was $2.72 million, $603,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rochester's government came to $245,000, 88.2% of the $278,000 rise in its health insurance.

| Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance | | | |
|---|---|---|---|
| Measure | Earmarks | Share of the increase | All towns, pooled |

ROADS, BRIDGES AND DAMS

## Rochester has $1.3 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rochester came on average 33 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

STATE MONEY TO OTHERS IN ROCKLAND

## State programs also awarded $2.3 million to organizations in Rockland other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Rockland. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2022 | Abington-Rockland Joint Water Works nonprofit | Community One Stop for Growth | $2.2M |
| FY2024 | Metropolitan Area Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $10,000 (shared 12 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 28.2% of Rockland's general-fund spending in FY2025, down from 32.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **32.0%** | **29.0%** | **28.2%** | **23.5%** |
| $12.2M of $38M · median town 14.1% | $15.7M of $54M · median town 12.2% | $23.2M of $82.2M · median town 11.5% | FY2010: 25.7% · median town 10.0% |

Rockland's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Rockland's state aid kept pace with both price measures: FY2025 aid was 22.7% above its FY2006 aid grown by Boston-area consumer prices and 9.1% above grown by the government price index.**

Gross state aid went from $12.2 million in FY2006 to $23.2 million in FY2025, +90.3% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rockland's health insurance would have been $6.15 million in FY2025; it was $8.68 million, $2.53 million above the path. Its fixed costs would have been $12 million in FY2025; it was $15.5 million, $3.53 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rockland's government came to $550,000, 14.7% of the $3.75 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Rockland has $1.2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rockland came on average 23 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Rockland owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

**Competitive grants to Rockport peaked in FY2024 at $844,000, 30% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $10.7 million, are not shown.

EARMARKS

## Rockport received $575,000 in local earmarks to its government, $621,000 placed in the city or town and $671,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$575,000** | **$621,000** | **$671,000** | **No** |

STATE MONEY TO OTHERS IN ROCKPORT

## State programs also awarded $215,000 to organizations in Rockport other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Rockport. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 9.2% of Rockport's general-fund spending in FY2025, down from 14.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **14.1%** | **11.1%** | **9.2%** | **6.4%** |
| $3.2M of $22.9M · median town 14.1% | $3.1M of $27.8M · median town 12.2% | $3.7M of $39.8M · median town 11.5% | FY2010: 8.3% · median town 10.0% |

Rockport's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $53,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Rockport's state aid did not keep pace with either price measure: FY2025 aid was 26.4% below its FY2006 aid grown by Boston-area consumer prices and 34.5% below grown by the government price index.**

Gross state aid went from $3.2 million in FY2006 to $3.7 million in FY2025, +14.2% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+21.7%** | **+36.3%** | **5 of 9** | **4 of 9** |
| $4M to $4.8M · all towns +54.0% | $5.9M to $8.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rockport's health insurance would have been $4.95 million in FY2025; it was $4.82 million, $127,000 below the path. Its fixed costs would have been $7.42 million in FY2025; it was $8.10 million, $680,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rockport's government came to $485,000, 56.6% of the $858,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Rockport has $356,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rockport came on average 29 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Rockport owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Rockport received $3.5 million in earmarks placed in the city or town and competitive grants over ten years, 52% of the $6.7 million its size, need and institutions predict.

PEERS

## Rockport ranks 3rd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $621,000 in earmarks placed in Rockport, $45,000 (7%) went to organizations rather than to Rockport's government.

FAIRNESS INDEX

## Rowe scores 53 on the Fairness Index for all state aid and 95 for discretionary money. Fifty is a fair share.

ALL STATE AID

**53** / 100

96th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 52 | 50 | 44 | 66 |

Rank under other weightings: 74th to 128th.

Weighting-dependent: the range crosses the 45–55 band

Rowe received more than its share of state aid on three of four measures; its blended score of 53 stays between 50 and 57 under every weighting tested.

DISCRETIONARY MONEY ONLY

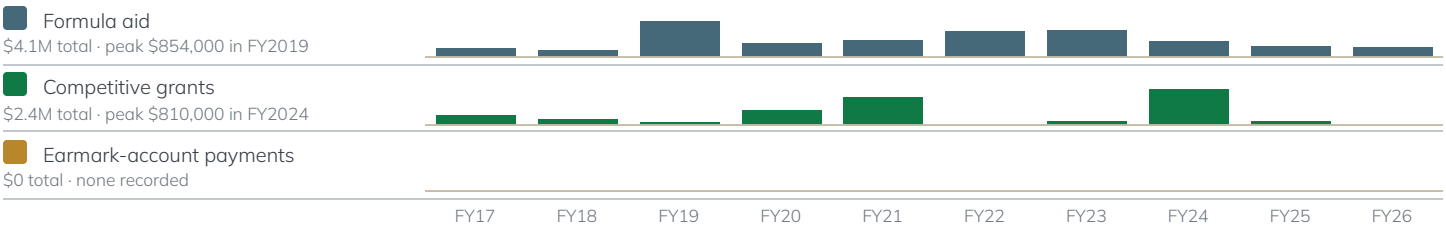
**95** / 100

27th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 97 | 97 | 86 | 98 |

Rank under other weightings: 20th to 32nd.

Stable high: above 55 under every weighting



Rowe received more than its share of discretionary money on all four measures; its blended score of 95 stays between 93 and 96 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Rowe's town government and school districts received $4.1 million in formula aid and $2.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $4.1M | $2.4M | $0 |
| $9,050 per resident (219th of 351) · gross | $5,291 per resident (15th of 351) | $0 per resident (339th of 351) |

**Competitive grants to Rowe peaked in FY2024 at $810,000, 34% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 453 residents, a single payment moves Rowe's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.1 million, are not shown.

EARMARKS

## No local earmark was placed in Rowe in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rowe's health insurance would have been $540,000 in FY2025; it was $700,000, $160,000 above the path. Its fixed costs would have been $798,000 in FY2025; it was $937,000, $140,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rowe's government came to $0, 0.0% of the $268,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Rowe has $1.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rowe came on average 29 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Rowe owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Rowley $970,000 and takes back $138,000 in assessments and charges, a net $833,000.

COSTS AND THE 2½% LIMIT

## State aid covered 3.5% of Rowley's general-fund spending in FY2025, down from 8.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.4%** | **4.4%** | **3.5%** | **3.0%** |
| $993,000 of $11.9M · median town 14.1% | $680,000 of $15.4M · median town 12.2% | $914,000 of $26.4M · median town 11.5% | FY2010: 3.5% · median town 10.0% |

Rowley's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Rowley's state aid did not keep pace with either price measure: FY2025 aid was 40.6% below its FY2006 aid grown by Boston-area consumer prices and 47.2% below grown by the government price index.**

Gross state aid went from $993,000 in FY2006 to $914,000 in FY2025, −7.9% in dollars.

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rowley's health insurance would have been $1.01 million in FY2025; it was $1.54 million, $529,000 above the path. Its fixed costs would have been $1.42 million in FY2025; it was $3.49 million, $2.07 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2024 (+71%); health insurance changed by more than 30% in one year in FY2024 (+70%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rowley's government came to $115,000, 15.8% of the $729,000 rise in its health insurance.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rowley came on average 47 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Chapter 90 by state fiscal year

EXPECTED AND ACTUAL

## Rowley received $1.8 million in earmarks placed in the city or town and competitive grants over ten years, 59% of the $3 million its size, need and institutions predict.

PEERS

## Rowley ranks 10th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $166,000 in earmarks placed in Rowley, $21,000 (13%) went to organizations rather than to Rowley's government.

Stable high: above 55 under every weighting

Royalston received more than its share of discretionary money on all four measures; its blended score of 92 stays between 91 and 93 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Royalston's town government and school districts received $23.1 million in formula aid and $3.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $23.1M | $3.4M | $12,000 |
| $15,842 per resident (64th of 351) · gross | $2,316 per resident (41st of 351) | $8.42 per resident (267th of 351) |

**Competitive grants to Royalston peaked in FY2020 at $1.5 million, 44% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.4 million, are not shown.

EARMARKS

## Royalston received $60,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $60,000 | $60,000 | $60,000 | No |

STATE MONEY TO OTHERS IN ROYALSTON

## State programs also awarded $98,000 to organizations in Royalston other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Royalston. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | Mount Grace Land Conservation Trust nonprofit | MassTrails Grants | $49,000 (shared two ways) |
| FY2023 | The Trustees of Reservations nonprofit | MassTrails Grants | $12,000 |

A further $38,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 14.0% of Royalston's general-fund spending in FY2025, up from 12.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **12.8%** | **12.7%** | **14.0%** | **13.9%** |
| $216,000 of $1.7M · median town 14.1% | $271,000 of $2.1M · median town 12.2% | $385,000 of $2.8M · median town 11.5% | FY2010: 13.3% · median town 10.0% |

Royalston's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Royalston's state aid kept pace with both price measures: FY2025 aid was 15.3% above its FY2006 aid grown by Boston-area consumer prices and 2.5% above grown by the government price index.**

Gross state aid went from $216,000 in FY2006 to $385,000 in FY2025, +78.8% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–43.5%** | **+29.9%** | **3 of 9** | **4 of 9** |
| $45,000 to $25,000 · all towns +54.0% | $151,000 to $196,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Royalston's health insurance would have been $56,000 in FY2025; it was $25,000, $31,000 below the path. Its fixed costs would have been $188,000 in FY2025; it was $196,000, $7,634 above the path.

Flag: health insurance changed by more than 30% in one year in FY2022 (–41%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Royalston's reported health insurance fell from $45,000 in FY2016 to $25,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Royalston has no school district of its own. Its pupils attend Athol-Royalston and Montachusett; Royalston accounts for 6% and 1% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $488,000 for schools serving Royalston, FY2017 to August 2026.

**Cost after approval.** Of the one project closed with a final audit, Royalston's share of the final cost was $479,000 against its share of the approved budget of $642,000 (under by $163,000); the local share moved from $154,000 to $106,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Royalston has $236,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Royalston came on average 31 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Russell's town government and school districts received $30.8 million in formula aid and $7.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $30.8M | $7.3M | $174,000 |
| $25,758 per resident (9th of 351) · gross | $6,140 per resident (11th of 351) | $146 per resident (12th of 351) |

**Competitive grants to Russell were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.7 million, are not shown.

EARMARKS

## Russell received $135,000 in local earmarks in ten enacted budgets on all three measures.

STATE MONEY TO OTHERS IN RUSSELL

## State programs also awarded $54,000 to organizations in Russell other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Russell. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2022 | Appalachian Mountain Club nonprofit | MassTrails Grants | $50,000 |
| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 10.3% of Russell's general-fund spending in FY2025, down from 15.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **15.4%** | **11.9%** | **10.3%** | **10.0%** |
| $393,000 of $2.6M · median town 14.1% | $424,000 of $3.6M · median town 12.2% | $545,000 of $5.3M · median town 11.5% | FY2010: 13.7% · median town 10.0% |

Russell's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Russell's state aid did not keep pace with either price measure: FY2025 aid was 10.5% below its FY2006 aid grown by Boston-area consumer prices and 20.4% below grown by the government price index.**

Gross state aid went from $393,000 in FY2006 to $545,000 in FY2025, +38.8% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Russell's health insurance would have been $89,000 in FY2025; it was $166,000, $77,000 above the path. Its fixed costs would have been $295,000 in FY2025; it was $469,000, $174,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Russell's government came to $85,000, 89.4% of the $95,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Russell has no school district of its own. Its pupils attend Russell and Gateway; Russell accounts for 100% and 25% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Russell, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Russell has $815,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns four bridges rated poor and one high- or significant-hazard dam.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |
|---|---|---|

| **5** | **1** | **$0** |
| four rated poor; about $28.7M of work on those, by planning estimates | of two town-owned dams | bridges $0 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Russell came on average 40 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Russell owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

**Russell owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

STATE MONEY TO OTHERS IN RUTLAND

## State programs also awarded $60,000 to organizations in Rutland other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Rutland. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Coldbrook Snowmobile Club nonprofit | MassTrails Grants | $11,000 (shared three ways) |

A further $49,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 4.6% of Rutland's general-fund spending in FY2025, down from 7.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **7.3%** | **10.2%** | **4.6%** | **4.4%** |
| $886,000 of $12.1M · median town 14.1% | $1.9M of $18.4M · median town 12.2% | $1.3M of $28.5M · median town 11.5% | FY2010: 12.4% · median town 10.0% |

Rutland's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $12.8 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Rutland's state aid did not keep pace with either price measure: FY2025 aid was 4.8% below its FY2006 aid grown by Boston-area consumer prices and 15.4% below grown by the government price index.**

Gross state aid went from $886,000 in FY2006 to $1.3 million in FY2025, +47.6% in dollars. Flag: in FY2010, $864,000 of Rutland's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+55.5%** | **+109.5%** | **9 of 9** | **4 of 9** |
| $584,000 to $908,000 · all towns +54.0% | $1.2M to $2.5M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Rutland's health insurance would have been $729,000 in FY2025; it was $908,000, $179,000 above the path. Its fixed costs would have been $1.51 million in FY2025; it was $2.53 million, $1.02 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Rutland's government came to $151,000, 46.6% of the $324,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Rutland has no school district of its own. Its pupils attend Wachusett and Southern Worcester; Rutland accounts for 24% and 7% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Rutland came on average 29 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Rutland received $1.5 million in earmarks placed in the city or town and competitive grants over ten years, 28% of the $5.3 million its size, need and institutions predict.

PEERS

## Rutland ranks 9th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $206,000 in earmarks placed in Rutland, $25,000 (12%) went to organizations rather than to Rutland's government.

STATE MONEY TO OTHERS IN SALEM

## State programs also awarded $3.5 million to organizations in Salem other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Salem. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 22.3% of Salem's general-fund spending in FY2025, down from 27.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **27.2%** | **23.6%** | **22.3%** | **16.3%** |
| $25.9M of $95.2M · median town 14.1% | $30.2M of $128M · median town 12.2% | $40.4M of $181M · median town 11.5% | FY2010: 16.6% · median town 10.0% |

Salem's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Salem's state aid kept pace with consumer prices but not with government costs: FY2025 aid was 0.6% above its FY2006 aid grown by Boston-area consumer prices and 10.6% below grown by the government price index.**

Gross state aid went from $25.9 million in FY2006 to $40.4 million in FY2025, +56.0% in dollars. Flag: in FY2010, $4.4 million of Salem's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Salem's health insurance would have been $14.4 million in FY2025; it was $17.7 million, $3.29 million above the path. Its fixed costs would have been $29.5 million in FY2025; it was $35.7 million, $6.20 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Salem's government came to $1.5 million, 24.4% of the $6.17 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Salem has $3.8 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns two bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Salem came on average 25 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Salem owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

STATE MONEY, FY2017–FY2026

## Salisbury's town government and school districts received $73.4 million in formula aid and $9.7 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$73.4M** | **$9.7M** | **$2.2M** |
| $7,912 per resident (258th of 351) · gross | $1,047 per resident (76th of 351) | $233 per resident (5th of 351) |

**Competitive grants to Salisbury peaked in FY2026 at $2.1 million, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $14.7 million, are not shown.

EARMARKS

## Salisbury received $180,000 in local earmarks to its government, $351,000 placed in the city or town and $351,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN SALISBURY

## State programs also awarded $54,000 to organizations in Salisbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Salisbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 4.7% of Salisbury's general-fund spending in FY2025, down from 5.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **5.4%** | **5.2%** | **4.7%** | **4.2%** |
| $818,000 of $15.2M · median town 14.1% | $1.1M of $21.8M · median town 12.2% | $1.7M of $35.4M · median town 11.5% | FY2010: 4.1% · median town 10.0% |

Salisbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.8 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Salisbury's state aid kept pace with both price measures: FY2025 aid was 30.3% above its FY2006 aid grown by Boston-area consumer prices and 15.8% above grown by the government price index.**

Gross state aid went from $818,000 in FY2006 to $1.7 million in FY2025, +102.1% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+54.3%** | **+90.0%** | **7 of 9** | **6 of 9** |
| $1.1M to $1.7M · all towns +54.0% | $2.4M to $4.6M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Salisbury's health insurance would have been $1.35 million in FY2025; it was $1.67 million, $318,000 above the path. Its fixed costs would have been $3.04 million in FY2025; it was $4.63 million, $1.59 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Salisbury's government came to $180,000, 30.6% of the $588,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

SCHOOLS

## Salisbury's required school contribution is 2.7% of median household income, 157th highest of 351.

Salisbury has no school district of its own. Its pupils attend Salisbury, Triton and Whittier; Salisbury accounts for 100%, 38% and 4% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $6.5 million for schools serving Salisbury, FY2017 to August 2026.

**Cost after approval.** Of the one project closed with a final audit, Salisbury's share of the final cost was $14.4 million against its share of the approved budget of $14.9 million (under by $427,000); the local share moved from $8.4 million to $8.3 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Salisbury has $383,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Salisbury came on average 28 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Salisbury received $10.1 million in earmarks placed in the city or town and competitive grants over ten years, 84% more than the $5.5 million its size, need and institutions predict.

PEERS

## Salisbury ranks 9th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $351,000 in earmarks placed in Salisbury, $171,000 (49%) went to organizations rather than to Salisbury's government.

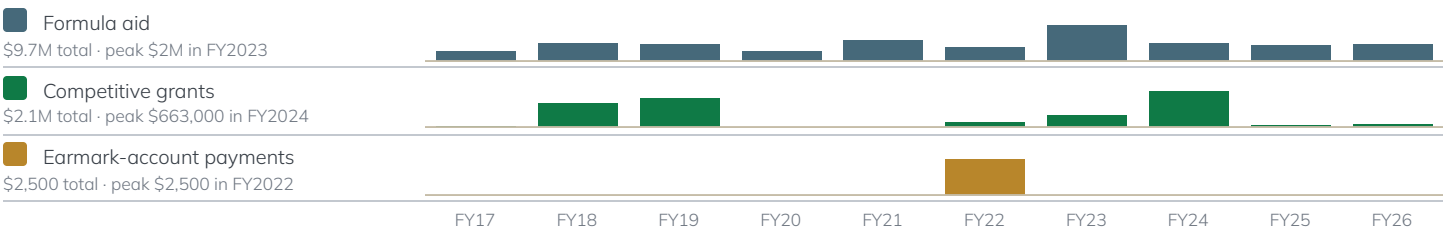
Stable high: above 55 under every weighting



Sandisfield received more than its share of discretionary money on all four measures; its blended score of 87 stays between 84 and 90 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Sandisfield's town government and school districts received $9.7 million in formula aid and $2.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $9.7M | $2.1M | $2,500 |
| $9,713 per resident (187th of 351) · gross | $2,087 per resident (44th of 351) | $2.52 per resident (310th of 351) |

**Competitive grants to Sandisfield peaked in FY2024 at $663,000, 32% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 994 residents, a single payment moves Sandisfield's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $759,000, are not shown.

EARMARKS

## No local earmark was placed in Sandisfield in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

STATE MONEY TO OTHERS IN SANDISFIELD

## State programs also awarded $239,000 to organizations in Sandisfield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sandisfield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | Sandisfield Arts & Restoration Committee nonprofit | Cultural Facilities Fund | $116,000 |

Sandisfield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $408,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sandisfield's state aid kept pace with both price measures: FY2025 aid was 95.9% above its FY2006 aid grown by Boston-area consumer prices and 74.1% above grown by the government price index.**

Gross state aid went from $72,000 in FY2006 to $218,000 in FY2025, +203.9% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sandisfield's health insurance would have been $47,000 in FY2025; it was $75,000, $27,000 above the path. Its fixed costs would have been $242,000 in FY2025; it was $282,000, $41,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2017 (+38%), FY2018 (+42%), FY2020 (+40%), FY2021 (−34%), FY2023 (+42%) and FY2024 (−32%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sandisfield's government came to $0, 0.0% of the $37,000 rise in its health insurance.

Sandisfield has no school district of its own. Its pupils attend Farmington River; Sandisfield accounts for 40% of that district's foundation budget. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

### No school building grant was approved for a school serving Sandisfield, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

### Sandisfield has $2 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns three bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sandisfield came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

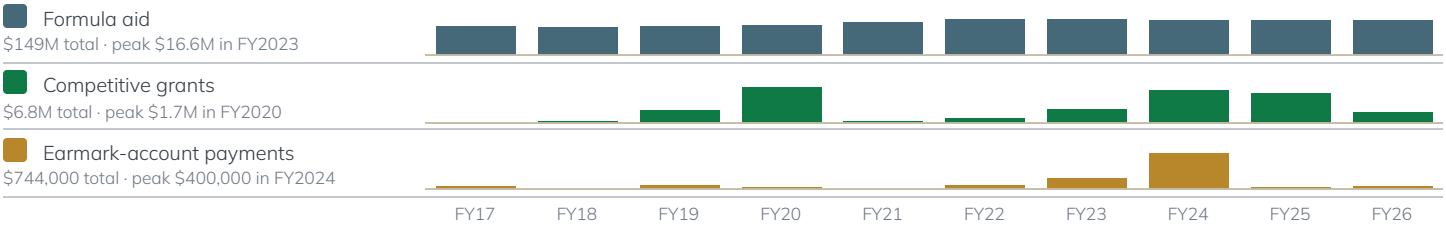
Weighting-dependent: the range crosses the 45–55 band



Sandwich received less than its share of discretionary money on three of four measures; its blended score of 47 stays between 45 and 49 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Sandwich's town government and school districts received $149 million in formula aid and $6.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$149M** | **$6.8M** | **$744,000** |
| $7,257 per resident (280th of 351) · gross | $332 per resident (195th of 351) | $36.27 per resident (123rd of 351) |

**Competitive grants to Sandwich peaked in FY2020 at $1.7 million, 25% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $21 million, are not shown.

EARMARKS

## Sandwich received $452,000 in local earmarks to its government, $507,000 placed in the city or town and $507,000 counting everything placed, in ten enacted budgets.

STATE MONEY TO OTHERS IN SANDWICH

## State programs also awarded $1 million to organizations in Sandwich other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sandwich. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where

a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2017 | Heritage Museums & Gardens nonprofit | Cultural Facilities Fund | $225,000 |
| FY2020 | Heritage Museums & Gardens nonprofit | Cultural Facilities Fund | $200,000 |
| FY2022 | Heritage Museums & Gardens nonprofit | Cultural Facilities Fund | $200,000 |
| FY2025 | Heritage Museums & Gardens nonprofit | Cultural Facilities Fund | $200,000 |

A further $12,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.3% of Sandwich's general-fund spending in FY2025, down from 16.3% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **16.3%** | **14.4%** | **11.3%** | **6.3%** |
| $9.1M of $55.8M · median town 14.1% | $10.5M of $73.1M · median town 12.2% | $11.7M of $104M · median town 11.5% | FY2010: 13.8% · median town 10.0% |

Sandwich's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $589,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sandwich's state aid did not keep pace with either price measure: FY2025 aid was 17.3% below its FY2006 aid grown by Boston-area consumer prices and 26.5% below grown by the government price index.**

Gross state aid went from $9.1 million in FY2006 to $11.7 million in FY2025, +28.2% in dollars. Flag: in FY2010, $1.4 million of Sandwich's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+58.8%** | **+65.8%** | **6 of 9** | **7 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sandwich's health insurance would have been $10.7 million in FY2025; it was $13.7 million, $2.92 million above the path. Its fixed costs would have been $15.8 million in FY2025; it was $20.9 million, $5.16 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2021 (+44%), FY2023 (+44%) and FY2025 (+47%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Sandwich's government came to $412,000, 8.1% of the $5.06 million rise in its health insurance.

Sandwich runs its own school district and also belongs to Upper Cape Cod; Sandwich accounts for 19% of that district's foundation budget.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Sandwich, FY2017 to August 2026.

Not counted: Forestdale School (Sandwich), approved FY2020 for up to $780,000; Oak Ridge School (Sandwich), approved FY2020 for up to $780,000. Each lapsed or was withdrawn after approval.

ROADS, BRIDGES AND DAMS

## Sandwich has $4.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sandwich came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Sandwich owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

STATE MONEY TO OTHERS IN SAUGUS

## State programs also awarded $62,000 to organizations in Saugus other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Saugus. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | Saugus River Watershed Council nonprofit | CZM Coastal Habitat and Water Quality Grant | $57,000 |

A further $4,827 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 17.6% of Saugus's general-fund spending in FY2025, up from 15.4% in FY2006.

Saugus's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $909,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Saugus's state aid kept pace with both price measures: FY2025 aid was 42.5% above its FY2006 aid grown by Boston-area consumer prices and 26.6% above grown by the government price index.**

Gross state aid went from $8.9 million in FY2006 to $19.6 million in FY2025, +120.9% in dollars. Flag: in FY2010, $555,000 of Saugus's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+49.9%** | **+37.0%** | **4 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Saugus's health insurance would have been $14.2 million in FY2025; it was $17.1 million, $2.85 million above the path. Its fixed costs would have been $23.4 million in FY2025; it was $25.7 million, $2.27 million above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Saugus's government came to $1.1 million, 18.6% of the $5.69 million rise in its health insurance.

| FY2017 | Saugus High School | Saugus | Core | $65.1M | $65.1M |

**Cost after approval.** After approval, the Board added money to grants for one project serving Saugus; Saugus's share of the additions, by enrollment where a school is regional, was $1.9 million, all of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Saugus's share of the final cost was $152 million against its share of the approved budget of $161 million (under by $8.3 million); the local share moved from $95.6 million to $90.4 million. Approved budgets include contingency.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Saugus came on average 28 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Saugus received $4 million in earmarks placed in the city or town and competitive grants over ten years, 41% of the $9.8 million its size, need and institutions predict.

PEERS

## Saugus ranks 7th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $1.2 million in earmarks placed in Saugus, $27,000 (2%) went to organizations rather than to Saugus's government.

FAIRNESS INDEX

## Savoy scores 57 on the Fairness Index for all state aid and 71 for discretionary money. Fifty is a fair share.

ALL STATE AID

**57** / 100

63rd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 63 | 54 | 43 | 68 |

Rank under other weightings: 45th to 107th.

Weighting-dependent: the range crosses the 45–55 band

Savoy received more than its share of state aid on three of four measures; its blended score of 57 stays between 52 and 62 under every weighting tested.

DISCRETIONARY MONEY ONLY

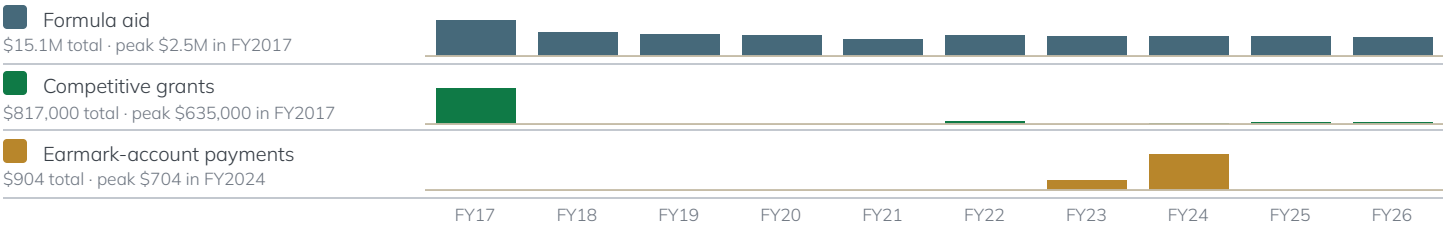
**71** / 100

111th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 78 | 71 | 54 | 82 |

Rank under other weightings: 88th to 126th.

Stable high: above 55 under every weighting



Savoy received more than its share of discretionary money on all four measures; its blended score of 71 stays between 66 and 77 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Savoy's town government and school districts received $15.1 million in formula aid and $817,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $15.1M | $817,000 | $904 |
| $18,956 per resident (35th of 351) · gross | $1,027 per resident (77th of 351) | $1.14 per resident (325th of 351) |

**Competitive grants to Savoy peaked in FY2017 at $635,000, 78% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

With 795 residents, a single payment moves Savoy's per-resident figures a long way.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $756,000, are not shown.

EARMARKS

## No local earmark was placed in Savoy in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $0 | $0 | $0 | Yes |
| enacted, ten budgets | enacted, ten budgets | enacted, ten budgets | one of 35 municipalities |

The Comptroller records $904 in payments to Savoy's town government and school districts from accounts classified as earmarks over the same ten years. Those accounts can carry prior-year and statewide-program money; no enacted clause was placed in Savoy.

Savoy is one of the 35 cities and towns with no earmark placed in them in any of the ten budgets. The list counts enacted earmarks only. All 35 received competitive grant payments in the same ten years; Savoy's appear under State money above.

STATE MONEY TO OTHERS IN SAVOY

## State programs also awarded $304,000 to organizations in Savoy other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Savoy. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

COSTS AND THE 2½% LIMIT

## State aid covered 36.2% of Savoy's general-fund spending in FY2025, down from 44.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **44.2%** | **43.0%** | **36.2%** | **32.8%** |
| $699,000 of $1.6M · median town 14.1% | $815,000 of $1.9M · median town 12.2% | $952,000 of $2.6M · median town 11.5% | FY2010: 28.1% · median town 10.0% |

Savoy's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $76,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Savoy's state aid did not keep pace with either price measure: FY2025 aid was 12.2% below its FY2006 aid grown by Boston-area consumer prices and 22.0% below grown by the government price index.**

Gross state aid went from $699,000 in FY2006 to $952,000 in FY2025, +36.2% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+96.4%** | **+35.7%** | **5 of 9** | **3 of 7** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Savoy's health insurance would have been $42,000 in FY2025; it was $66,000, $24,000 above the path. Its fixed costs would have been $187,000 in FY2025; it was $203,000, $16,000 above the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (–32%) and FY2018 (+43%); health insurance changed by more than 30% in one year in FY2025 (+43%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Savoy's government came to $0, 0.0% of the $32,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

**Cost after approval.** After approval, the Board added money to grants for one project serving Savoy; Savoy's share of the additions, by enrollment where a school is regional, was $16,000.

ROADS, BRIDGES AND DAMS

## Savoy has $522,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns four bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Savoy came on average 23 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Savoy owns one poor bridge of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.**

Scituate received more than its share of discretionary money on all four measures; its blended score of 74 stays between 71 and 77 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Scituate's town government and school districts received $140 million in formula aid and $13.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $140M | $13.8M | $317,000 |
| $7,209 per resident (282nd of 351) · gross | $711 per resident (111th of 351) | $16.37 per resident (224th of 351) |

**Competitive grants to Scituate peaked in FY2024 at $4.3 million, 31% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $17.9 million, are not shown.

## EARMARKS

### Scituate received $158,000 in local earmarks to its government, $353,000 placed in the city or town and $353,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $158,000 | $353,000 | $353,000 | No |

STATE MONEY TO OTHERS IN SCITUATE

## State programs also awarded $702,000 to organizations in Scituate other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Scituate. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2022 | Scituate Historical Society nonprofit | Cultural Facilities Fund | $200,000 |
| FY2019 | Scituate Arts Association nonprofit | Cultural Facilities Fund | $23,000 |
| FY2022 | Scituate Arts Association nonprofit | Cultural Facilities Fund | $15,000 |
| FY2024 | North and South Rivers Watershed Association nonprofit | CZM Coastal Habitat and Water Quality Grant | $15,000 (shared six ways) |
| FY2024 | Metropolitan Area Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $10,000 (shared 12 ways) |
| FY2024 | Scituate Historical Society nonprofit | Cultural Facilities Fund | $8,000 |

A further $431,000 in 5 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 9.5% of Scituate's general-fund spending in FY2025, down from 14.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **14.4%** | **10.2%** | **9.5%** | **8.7%** |
| $6.4M of $44.5M · median town 14.1% | $7.2M of $70.8M · median town 12.2% | $9.6M of $101M · median town 11.5% | FY2010: 12.1% · median town 10.0% |

Scituate's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $198,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Scituate's state aid did not keep pace with either price measure: FY2025 aid was 3.4% below its FY2006 aid grown by Boston-area consumer prices and 14.1% below grown by the government price index.**

Gross state aid went from $6.4 million in FY2006 to $9.6 million in FY2025, +49.9% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+53.2%** | **+63.7%** | **3 of 9** | **4 of 9** |
| $4.8M to $7.4M · all towns +54.0% | $10.5M to $17.1M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Scituate's health insurance would have been $6.01 million in FY2025; it was $7.37 million, $1.36 million above the path. Its fixed costs would have been $13.1 million in FY2025; it was $17.1 million, $4.06 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Scituate's government came to $158,000, 6.2% of the $2.56 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

ROADS, BRIDGES AND DAMS

## Scituate has $717,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Scituate came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Scituate received $14.1 million in earmarks placed in the city or town and competitive grants over ten years, 40% more than the $10.1 million its size, need and institutions predict.

PEERS

## Scituate ranks 10th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $353,000 in earmarks placed in Scituate, $195,000 (55%) went to organizations rather than to Scituate's government.

STATE MONEY, FY2017–FY2026

## Seekonk's town government and school districts received $123 million in formula aid and $842,000 in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$123M** | **$842,000** | **$81,000** |
| $7,825 per resident (262nd of 351) · gross | $53.68 per resident (346th of 351) | $5.18 per resident (284th of 351) |

**Competitive grants to Seekonk peaked in FY2023 at $215,000, 26% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $20 million, are not shown.

EARMARKS

## Seekonk received $267,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$267,000** | **$267,000** | **$267,000** | **No** |

STATE MONEY TO OTHERS IN SEEKONK

## State programs also awarded $613,000 to organizations in Seekonk other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Seekonk. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2021 | SRPEDD nonprofit | Community Compact Efficiency & Regionalization Grant | $3,028 (shared 26 ways) |

A further $610,000 in 4 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 13.7% of Seekonk's general-fund spending in FY2025, down from 19.7% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **19.7%** | **13.7%** | **13.7%** | **12.6%** |
| $6.7M of $34.2M · median town 14.1% | $6.4M of $46.6M · median town 12.2% | $9.6M of $70.5M · median town 11.5% | FY2010: 17.4% · median town 10.0% |

Seekonk's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $629,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

### Seekonk's state aid did not keep pace with either price measure: FY2025 aid was 7.7% below its FY2006 aid grown by Boston-area consumer prices and 17.9% below grown by the government price index.

Gross state aid went from $6.7 million in FY2006 to $9.6 million in FY2025, +43.2% in dollars. Flag: in FY2010, $1.4 million of Seekonk's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

| FY2018 | Mildred H. Aitken School | Seekonk | Accelerated Repair (Partial Window/Door) | $647,000 | $647,000 |

**Cost after approval.** After approval, the Board added money to grants for two projects serving Seekonk; Seekonk's share of the additions, by enrollment where a school is regional, was $1.7 million, $1.7 million of it in the FY2024 supplemental grants for cost escalation. Of the two projects closed with a final audit, Seekonk's share of the final cost was $3.4 million against its share of the approved budget of $3.5 million (under by $100,000); the local share moved from $1.8 million to $1.7 million. Approved budgets include contingency.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Seekonk came on average 40 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Sharon's town government and school districts received $157 million in formula aid and $11 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$157M** | **$11M** | **$1.3M** |
| $8,474 per resident (235th of 351) · gross | $593 per resident (124th of 351) | $68.25 per resident (41st of 351) |

**Competitive grants to Sharon peaked in FY2024 at $3.6 million, 33% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $11.7 million, are not shown.

EARMARKS

## Sharon received $644,000 in local earmarks to its government, $714,000 placed in the city or town and $714,000 counting everything placed, in ten enacted budgets.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Sharon $14.3 million and takes back $1.1 million in assessments and charges, a net $13.2 million.

STATE MONEY TO OTHERS IN SHARON

## State programs also awarded $116,000 to organizations in Sharon other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sharon. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $116,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 12.2% of Sharon's general-fund spending in FY2025, down from 13.8% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **13.8%** | **11.6%** | **12.2%** | **11.1%** |
| $9.6M of $69.3M · median town 14.1% | $10.4M of $89.8M · median town 12.2% | $13M of $107M · median town 11.5% | FY2010: 14.0% · median town 10.0% |

Sharon's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $156,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sharon's state aid did not keep pace with either price measure: FY2025 aid was 12.4% below its FY2006 aid grown by Boston-area consumer prices and 22.1% below grown by the government price index.**

Gross state aid went from $9.6 million in FY2006 to $13 million in FY2025, +35.9% in dollars. Flag: in FY2010, $2 million of Sharon's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–19.5%** | **–23.4%** | **3 of 9** | **4 of 9** |
| $20.1M to $16.2M · all towns +54.0% | $24.6M to $18.9M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sharon's health insurance would have been $25.1 million in FY2025; it was $16.2 million, $8.93 million below the path. Its fixed costs would have been $30.7 million in FY2025; it was $18.9 million, $11.9 million below the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (–32%); health insurance changed by more than 30% in one year in FY2017 (–43%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Sharon's reported health insurance fell from $20.1 million in FY2016 to $16.2 million in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

## SCHOOLS

## Sharon's required school contribution is 3.1% of median household income, 61st highest of 351.

Sharon runs its own school district and also belongs to Norfolk County and Southeastern; Sharon accounts for 4% and 1% of their foundation budgets, in that order.

## SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $54.9 million for schools serving Sharon, FY2017 to August 2026.

| FY2020 | Norfolk County Agricultural High School | Norfolk County | Accelerated Repair (Partial Roof, Partial Window/Door) | $1.7M | $65,000 (4%) |
| FY2017 | Heights Elementary School | Sharon | Accelerated Repair (Roof) | $993,000 | $993,000 |

**Cost after approval.** Of the one project closed with a final audit, Sharon's share of the final cost was $1.6 million against its share of the approved budget of $2.3 million (under by $756,000); the local share moved from $1.3 million to $872,000. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Sharon has $3.1 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and three high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sharon came on average 45 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Sharon owns three high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Sharon received $12.7 million in earmarks placed in the city or town and competitive grants over ten years, 2.1 times the $6.2 million its size, need and institutions predict.

PEERS

## Sharon ranks 6th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $714,000 in earmarks placed in Sharon, $70,000 (10%) went to organizations rather than to Sharon's government.

Sheffield received more than its share of discretionary money on all four measures; its blended score of 93 stays between 93 and 94 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Sheffield's town government and school districts received $32.7 million in formula aid and $8.2 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $32.7M | $8.2M | $1,495 |
| $9,816 per resident (184th of 351) · gross | $2,468 per resident (39th of 351) | $0.45 per resident (331st of 351) |

**Competitive grants to Sheffield were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.7 million, are not shown.

## EARMARKS

### No local earmark was placed in Sheffield in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $0 | $0 | $0 | Yes |

STATE MONEY TO OTHERS IN SHEFFIELD

## State programs also awarded $610,000 to organizations in Sheffield other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sheffield. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Sheffield Historical Society nonprofit | Cultural Facilities Fund | $78,000 |
| FY2023 | Dewey Memorial Hall nonprofit | Cultural Facilities Fund | $35,000 |
| FY2019 | Greenagers nonprofit | MassTrails Grants | $20,000 |
| FY2023 | Berkshire Regional Planning Commission regional body | Community Compact Efficiency & Regionalization Grant | $8,696 (shared 23 ways) |
| FY2020 | Department of Conservation and Recreation state agency | MassTrails Grants | $813 (shared 16 ways) |
| FY2022 | Department of Conservation and Recreation state agency | MassTrails Grants | $722 (shared 18 ways) |

A further $467,000 in 3 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 4.4% of Sheffield's general-fund spending in FY2025, up from 4.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.1%** | **4.0%** | **4.4%** | **4.1%** |
| $290,000 of $7.1M · median town 14.1% | $374,000 of $9.4M · median town 12.2% | $566,000 of $12.9M · median town 11.5% | FY2010: 3.1% · median town 10.0% |

Sheffield's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sheffield's state aid kept pace with both price measures: FY2025 aid was 26.0% above its FY2006 aid grown by Boston-area consumer prices and 12.0% above grown by the government price index.**

Gross state aid went from $290,000 in FY2006 to $566,000 in FY2025, +95.4% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–3.4%** | **+36.1%** | **4 of 9** | **4 of 9** |
| $389,000 to $376,000 · all towns +54.0% | $624,000 to $848,000 · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Sheffield's health insurance would have been $486,000 in FY2025; it was $376,000, $110,000 below the path. Its fixed costs would have been $779,000 in FY2025; it was $848,000, $70,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Sheffield's reported health insurance fell from $389,000 in FY2016 to $376,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

| Measure | Earmarks | Share of the increase | All towns, pooled |
|---|---|---|---|
| To the city or town government | $0 | no increase | 13.0% |
| Placed in the city or town | $0 | no increase | 41.2% |
| Everything placed | $0 | no increase | 45.2% |

## SCHOOLS

### Sheffield's required school contribution is 3.3% of median household income, 26th highest of 351.

| Chapter 70 aid, FY2026 | Required local contribution |
|---|---|
| **$1.2M** | **$4.1M** |
| attributed to the town | FY2026 |
| **Share of household income** | **Real aid per pupil, FY2017–26** |
| **3.3%** | **–5%** |
| 26th of 351 (1 = highest) | after inflation |

Sheffield has no school district of its own. Its pupils attend Sheffield and Southern Berkshire; Sheffield accounts for 100% and 51% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

### No school building grant was approved for a school serving Sheffield, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

### Sheffield has $802,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns five bridges rated poor and no high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

| **$5.8M** | **$4.3M** | **$802,000** |
| $1.3M of it one-time supplements | to 16 October 2026 | annual program: 0.3 years of its yearly money · 298th of 351 |
| **Town-owned bridges** | **High- or significant-hazard dams** | **Bridge, dam and culvert grants, FY2017–FY2026** |
| **26** | **0** | **$1.5M** |
| five rated poor; likely about $9.3M of work on those ($8.6M with short spans at the federal unit cost) | the town owns no dams in the state inventory | bridges $1.3M · dams $0 · culverts $151,000 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sheffield came on average 21 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Shelburne's town government and school districts received $22.1 million in formula aid and $13.3 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $22.1M | $13.3M | $10,000 |
| $14,126 per resident (91st of 351) · gross | $8,461 per resident (5th of 351) | $6.38 per resident (277th of 351) |

**Competitive grants to Shelburne peaked in FY2025 at $4.6 million, 35% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.9 million, are not shown.

EARMARKS

## Shelburne received $85,000 in local earmarks to its government, $285,000 placed in the city or town and $285,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN SHELBURNE

## State programs also awarded $1.6 million to organizations in Shelburne other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Shelburne. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 5.3% of Shelburne's general-fund spending in FY2025, down from 9.1% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **9.1%** | **7.0%** | **5.3%** | **5.0%** |
| $275,000 of $3M · median town 14.1% | $267,000 of $3.8M · median town 12.2% | $341,000 of $6.5M · median town 11.5% | FY2010: 7.2% · median town 10.0% |

Shelburne's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $899,000 in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Shelburne's state aid did not keep pace with either price measure: FY2025 aid was 20.0% below its FY2006 aid grown by Boston-area consumer prices and 28.9% below grown by the government price index.**

Gross state aid went from $275,000 in FY2006 to $341,000 in FY2025, +24.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+57.7%** | **+65.8%** | **4 of 9** | **3 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Shelburne's health insurance would have been $171,000 in FY2025; it was $216,000, $45,000 above the path. Its fixed costs would have been $317,000 in FY2025; it was $421,000, $104,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2024 (+36%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Shelburne's government came to $10,000, 12.6% of the $79,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Shelburne has no school district of its own. Its pupils attend Mohawk Trail and Franklin County; Shelburne accounts for 18% and 2% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

ROADS, BRIDGES AND DAMS

## Shelburne has $485,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns five bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Shelburne came on average 17 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Shelburne owns one high- or significant-hazard dam and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Shelburne received $15.1 million in earmarks placed in the city or town and competitive grants over ten years, 81% more than the $8.3 million its size, need and institutions predict.

PEERS

## Shelburne ranks 1st of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $285,000 in earmarks placed in Shelburne, $200,000 (70%) went to organizations rather than to Shelburne's government.

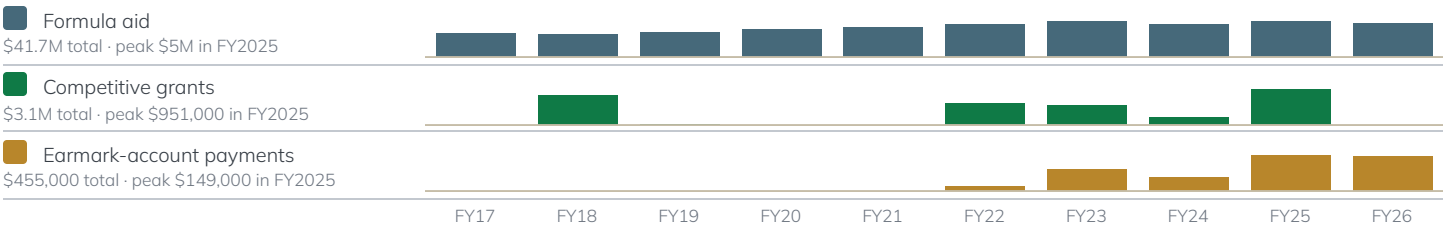
Stable high: above 55 under every weighting



Sherborn received more than its share of discretionary money on all four measures; its blended score of 75 stays between 71 and 79 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Sherborn's town government and school districts received $41.7 million in formula aid and $3.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$41.7M** | **$3.1M** | **$455,000** |
| $9,422 per resident (198th of 351) · gross | $708 per resident (112th of 351) | $103 per resident (20th of 351) |

**Competitive grants to Sherborn peaked in FY2025 at $951,000, 30% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $4.3 million, are not shown.

EARMARKS

## Sherborn received $456,000 in local earmarks to its government, $481,000 placed in the city or town and $481,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN SHERBORN

## State programs also awarded $23,000 to organizations in Sherborn other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Sherborn. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $23,000 in 2 awards went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 3.5% of Sherborn's general-fund spending in FY2025, down from 4.9% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **4.9%** | **4.3%** | **3.5%** | **3.2%** |
| $909,000 of $18.7M · median town 14.1% | $1.1M of $25.1M · median town 12.2% | $1.2M of $33.9M · median town 11.5% | FY2010: 4.5% · median town 10.0% |

Sherborn's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.3 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Sherborn's state aid did not keep pace with either price measure: FY2025 aid was 15.5% below its FY2006 aid grown by Boston-area consumer prices and 24.9% below grown by the government price index.**

Gross state aid went from $909,000 in FY2006 to $1.2 million in FY2025, +31.0% in dollars. Flag: in FY2010, $294,000 of Sherborn's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

**Cost after approval.** After approval, the Board added money to grants for one project serving Sherborn; Sherborn's share of the additions, by enrollment where a school is regional, was $101,000, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Sherborn has $388,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Sherborn came on average 11 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October

2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Sherborn received $3.6 million in earmarks placed in the city or town and competitive grants over ten years, 55% more than the $2.3 million its size, need and institutions predict.

PEERS

## Sherborn ranks 3rd of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $481,000 in earmarks placed in Sherborn, $25,000 (5%) went to organizations rather than to Sherborn's government.

Shirley received more than its share of discretionary money on all four measures; its blended score of 64 stays between 63 and 66 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Shirley's town government and school districts received $83.4 million in formula aid and $3.9 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $83.4M | $3.9M | $119,000 |
| $11,957 per resident (129th of 351) · gross | $554 per resident (130th of 351) | $17.04 per resident (219th of 351) |

**Competitive grants to Shirley peaked in FY2017 at $1 million, 26% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $6.3 million, are not shown.

EARMARKS

## Shirley received $166,000 in local earmarks in ten enacted budgets on all three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $166,000 | $166,000 | $166,000 | No |

STATE MONEY TO OTHERS IN SHIRLEY

## State programs also awarded $97,000 to organizations in Shirley other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Shirley. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

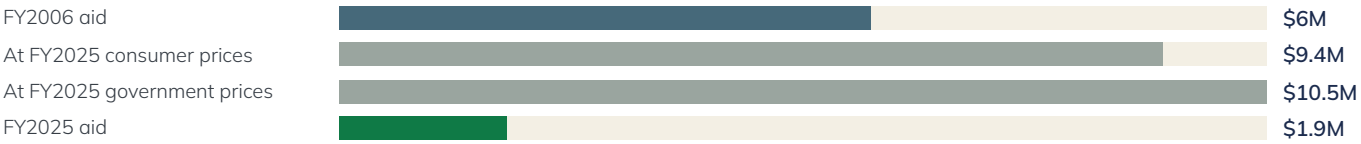
COSTS AND THE 2½% LIMIT

## State aid covered 10.8% of Shirley's general-fund spending in FY2025, down from 44.3% in FY2006.



STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **44.3%** | **10.5%** | **10.8%** | **10.4%** |

Shirley's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $4.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Shirley's state aid did not keep pace with either price measure: FY2025 aid was 79.6% below its FY2006 aid grown by Boston-area consumer prices and 81.9% below grown by the government price index.**

Gross state aid went from $6 million in FY2006 to $1.9 million in FY2025, –68.4% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **–60.0%** | **+39.7%** | **5 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Shirley's health insurance would have been $676,000 in FY2025; it was $217,000, $459,000 below the path. Its fixed costs would have been $1.80 million in FY2025; it was $2.01 million, $213,000 above the path.

Flag: health insurance changed by more than 30% in one year in FY2023 (–73%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Shirley's reported health insurance fell from $541,000 in FY2016 to $217,000 in FY2025, so there is no increase to set its earmarks against.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Shirley has no school district of its own. Its pupils attend Ayer Shirley and Nashoba Valley; Shirley accounts for 41% and 7% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

## SCHOOL BUILDINGS

## The Massachusetts School Building Authority approved grants of up to $107,000 for schools serving Shirley, FY2017 to August 2026.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Shirley came on average 32 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Shirley owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

STATE MONEY, FY2017–FY2026

## Shrewsbury's town government and school districts received $327 million in formula aid and $6.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$327M** | **$6.1M** | **$864,000** |
| $8,418 per resident (238th of 351) · gross | $158 per resident (279th of 351) | $22.21 per resident (191st of 351) |

**Competitive grants to Shrewsbury peaked in FY2022 at $3.6 million, 59% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $19 million, are not shown.

EARMARKS

## Shrewsbury received $538,000 in local earmarks to its government, $988,000 placed in the city or town and $988,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN SHREWSBURY

## State programs also awarded $463,000 to organizations in Shrewsbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Shrewsbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2024 | Shrewsbury Historical Society nonprofit | Cultural Facilities Fund | $22,000 |
| FY2023 | Central MA Regional Planning Commission - Grafton regional body | Community Compact Efficiency & Regionalization Grant | $18,000 (shared six ways) |
| FY2021 | Central Massachusetts Regional Planning Commission regional body | MassTrails Grants | $4,741 (shared seven ways) |

A further $419,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 15.4% of Shrewsbury's general-fund spending in FY2025, down from 25.5% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **25.5%** | **23.8%** | **15.4%** | **14.6%** |
| $21.1M of $82.5M · median town 14.1% | $25.6M of $107M · median town 12.2% | $25.5M of $165M · median town 11.5% | FY2010: 27.3% · median town 10.0% |

**Shrewsbury's state aid did not keep pace with either price measure: FY2025 aid was 22.1% below its FY2006 aid grown by Boston-area consumer prices and 30.7% below grown by the government price index.**

Gross state aid went from $21.1 million in FY2006 to $25.5 million in FY2025, +20.9% in dollars. Flag: in FY2010, $3.5 million of Shrewsbury's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+108.4%** | **+65.0%** | **6 of 9** | **6 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Shrewsbury's health insurance would have been $11 million in FY2025; it was $18.4 million, $7.39 million above the path. Its fixed costs would have been $19.4 million in FY2025; it was $25.7 million, $6.24 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Shrewsbury's government came to $441,000, 4.6% of the $9.59 million rise in its health insurance.

**Cost after approval.** Of the one project closed with a final audit, the final cost was $80.2 million against an approved budget of $92.8 million (under by $12.7 million); the local share moved from $58.8 million to $48 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Shrewsbury has $2.4 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns three bridges rated poor and two high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

| three rated poor; likely about $5.3M of work on those ($3.9M with short spans at the federal unit cost) | of five town-owned dams | bridges $0 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Shrewsbury came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Shrewsbury owns two poor bridges of the size the Small Bridge Program funds and has no Small Bridge selection or payment in the records found, FY2017–FY2026.

Shrewsbury owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

Shutesbury received more than its share of discretionary money on all four measures; its blended score of 98 stays between 97 and 98 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Shutesbury's town government and school districts received $28.4 million in formula aid and $8.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| $28.4M | $8.5M | $236,000 |
| $14,882 per resident (74th of 351) · gross | $4,462 per resident (18th of 351) | $123 per resident (18th of 351) |

**Competitive grants to Shutesbury peaked in FY2024 at $3.2 million, 37% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $1.1 million, are not shown.

EARMARKS

## No local earmark was placed in Shutesbury in ten enacted budgets, FY2017 to FY2026, on any of the three measures.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| $0 | $0 | $0 | Yes |
| enacted, ten budgets | enacted, ten budgets | enacted, ten budgets | one of 35 municipalities |

The Comptroller records $236,000 in payments to Shutesbury's town government and school districts from accounts classified as earmarks over the same ten years. Those accounts can carry prior-year and statewide-program money; no enacted clause was placed in Shutesbury.

Shutesbury is one of the 35 cities and towns with no earmark placed in them in any of the ten budgets. The list counts enacted earmarks only. All 35 received competitive grant payments in the same ten years; Shutesbury's appear under State money above.

STATE MONEY TO OTHERS IN SHUTESBURY

## State programs also awarded $57,000 to organizations in Shutesbury other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Shutesbury. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 14.1% of Shutesbury's general-fund spending in FY2025, down from 18.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **18.6%** | **14.2%** | **14.1%** | **11.9%** |
| $856,000 of $4.6M · median town 14.1% | $816,000 of $5.8M · median town 12.2% | $1M of $7.2M · median town 11.5% | FY2010: 17.6% · median town 10.0% |

Shutesbury's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.1 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Shutesbury's state aid did not keep pace with either price measure: FY2025 aid was 23.3% below its FY2006 aid grown by Boston-area consumer prices and 31.8% below grown by the government price index.**

Gross state aid went from $856,000 in FY2006 to $1 million in FY2025, +19.0% in dollars. Flag: in FY2010, $184,000 of Shutesbury's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+44.6%** | **+41.5%** | **3 of 9** | **3 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Shutesbury's health insurance would have been $461,000 in FY2025; it was $534,000, $73,000 above the path. Its fixed costs would have been $799,000 in FY2025; it was $905,000, $106,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Shutesbury's government came to $0, 0.0% of the $165,000 rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Shutesbury has $761,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Shutesbury came on average 22 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### Somerset's town government and school districts received $215 million in formula aid and $2.5 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$215M** | **$2.5M** | **$916,000** |
| $11,729 per resident (135th of 351) · gross | $136 per resident (301st of 351) | $50.06 per resident (78th of 351) |

**Competitive grants to Somerset peaked in FY2020 at $1.2 million, 50% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $30.7 million, are not shown.

## EARMARKS

### Somerset received $710,000 in local earmarks to its government, $760,000 placed in the city or town and $760,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$710,000** | **$760,000** | **$760,000** | **No** |

STATE MONEY TO OTHERS IN SOMERSET

## State programs also awarded $3,028 to organizations in Somerset other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Somerset. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

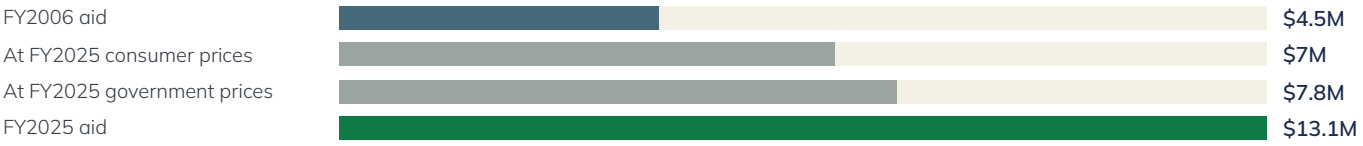
COSTS AND THE 2½% LIMIT

## State aid covered 18.8% of Somerset's general-fund spending in FY2025, up from 10.4% in FY2006.



STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **10.4%** | **13.7%** | **18.8%** | **17.6%** |

Somerset's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $7.4 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Somerset's state aid kept pace with both price measures: FY2025 aid was 87.2% above its FY2006 aid grown by Boston-area consumer prices and 66.4% above grown by the government price index.**

Gross state aid went from $4.5 million in FY2006 to $13.1 million in FY2025, +190.4% in dollars.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| $7.4M to $7.9M · all towns +54.0% | $10.4M to $13.5M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Somerset's health insurance would have been $9.20 million in FY2025; it was $7.86 million, $1.34 million below the path. Its fixed costs would have been $13 million in FY2025; it was $13.5 million, $447,000 above the path.

### LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Somerset's government came to $610,000, 124.1% of the $492,000 rise in its health insurance.

Not counted: South Elementary School (Somerset), approved FY2026 for up to $2.6 million. It lapsed or was withdrawn after approval.

**Cost after approval.** After approval, the Board added money to grants for three projects serving Somerset; Somerset's share of the additions, by enrollment where a school is regional, was $9.5 million, $9.5 million of it in the FY2024 supplemental grants for cost escalation. Of the one project closed with a final audit, Somerset's share of the final cost was $6.5 million against its share of the approved budget of $6.3 million (over by $163,000); the local share moved from $3.1 million to $3.3 million. Approved budgets include contingency.

ROADS, BRIDGES AND DAMS

## Somerset has $666,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and one high- or significant-hazard dam.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Somerset came on average 41 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

EXPECTED AND ACTUAL

## Somerset received $3.3 million in earmarks placed in the city or town and competitive grants over ten years, 69% of the $4.7 million its size, need and institutions predict.

PEERS

## Somerset ranks 5th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $760,000 in earmarks placed in Somerset, $50,000 (7%) went to organizations rather than to Somerset's government.

Somerville received more than its share of discretionary money on all four measures; its blended score of 63 stays between 62 and 65 under every weighting tested.

STATE MONEY, FY2017–FY2026

## Somerville's town government and school districts received $634 million in formula aid and $38.4 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$634M** | **$38.4M** | **$1.9M** |
| $7,819 per resident (263rd of 351) · gross | $474 per resident (146th of 351) | $23.65 per resident (180th of 351) |

**Competitive grants to Somerville peaked in FY2019 at $14.1 million, 37% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $77.2 million, are not shown.

EARMARKS

## Somerville received $675,000 in local earmarks to its government, $2.1 million placed in the city or town and $2.6 million counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$675,000** | **$2.1M** | **$2.6M** | **No** |
| $8.33 per resident (274th of 351) | $26.26 per resident (255th of 351) · 68% to organizations | $31.51 per resident (236th of 351) · 57% to organizations | 35 municipalities had none |

Placed in the city or town: 35 clauses in nine of ten budgets; the most recent in FY2026. $675,000 went to Somerville's government, its schools or municipal projects; the other $1.5 million went to organizations in Somerville or named with it, some of which serve a wider area.

Clauses that name Somerville but fund a state facility or a MassHealth rate add-on, $425,000, count under everything placed only.

Everything placed, the third measure, adds $425,000 in five clauses for state facilities located in Somerville (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

STATE MONEY TO OTHERS IN SOMERVILLE

## State programs also awarded $3.5 million to organizations in Somerville other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Somerville. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

COSTS AND THE 2½% LIMIT

## State aid covered 15.4% of Somerville's general-fund spending in FY2025, down from 35.0% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **35.0%** | **23.8%** | **15.4%** | **11.1%** |
| $53.4M of $153M · median town 14.1% | $48.3M of $203M · median town 12.2% | $54.7M of $355M · median town 11.5% | FY2010: 22.9% · median town 10.0% |

**Somerville's state aid did not keep pace with either price measure: FY2025 aid was 34.0% below its FY2006 aid grown by Boston-area consumer prices and 41.3% below grown by the government price index.**

Gross state aid went from $53.4 million in FY2006 to $54.7 million in FY2025, +2.4% in dollars. Flag: in FY2010, $4.3 million of Somerville's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+50.8%** | **+85.2%** | **3 of 9** | **2 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Somerville's health insurance would have been $26 million in FY2025; it was $31.4 million, $5.41 million above the path. Its fixed costs would have been $44 million in FY2025; it was $65.2 million, $21.2 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2025 (+44%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Somerville's government came to $380,000, 3.6% of the $10.6 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## Somerville has $5.6 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Somerville came on average 46 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## STATE MONEY, FY2017–FY2026

### South Hadley's town government and school districts received $163 million in formula aid and $8.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$163M** | **$8.1M** | **$871,000** |
| $9,190 per resident (210th of 351) · gross | $458 per resident (150th of 351) | $49.05 per resident (80th of 351) |

**Competitive grants to South Hadley peaked in FY2022 at $2 million, 24% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $11.5 million, are not shown.

## EARMARKS

### South Hadley received $500,000 in local earmarks to its government, $565,000 placed in the city or town and $565,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |

STATE MONEY TO OTHERS IN SOUTH HADLEY

## State programs also awarded $296,000 to organizations in South Hadley other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving South Hadley. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2025 | South Hadley Human Services Department nonprofit | Cultural Facilities Fund | $98,000 |
| FY2023 | Kestrel Land Trust, Inc. nonprofit | MassTrails Grants | $20,000 (shared three ways) |
| FY2022 | Kestrel Land Trust, Inc. nonprofit | MassTrails Grants | $12,000 (shared four ways) |

A further $166,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 27.7% of South Hadley's general-fund spending in FY2025, down from 34.6% in FY2006.

**South Hadley's state aid did not keep pace with either price measure: FY2025 aid was 7.5% below its FY2006 aid grown by Boston-area consumer prices and 17.8% below grown by the government price index.**

Gross state aid went from $10.8 million in FY2006 to $15.5 million in FY2025, +43.5% in dollars. Flag: in FY2010, $1.4 million of South Hadley's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+37.1%** | **+56.7%** | **7 of 9** | **5 of 9** |
| $3.7M to $5M · all towns +54.0% | $7M to $11M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, South Hadley's health insurance would have been $4.60 million in FY2025; it was $5.05 million, $450,000 above the path. Its fixed costs would have been $8.78 million in FY2025; it was $11 million, $2.23 million above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to South Hadley's government came to $500,000, 36.6% of the $1.37 million rise in its health insurance.

ROADS, BRIDGES AND DAMS

## South Hadley has $537,000 of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns one bridge rated poor and two high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to South Hadley came on average 24 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**South Hadley owns poor bridges and has no Small Bridge selection or payment in the records found; its poor bridges are outside the program's 10-to-20-foot range.**

STATE MONEY TO OTHERS IN SOUTHAMPTON

## State programs also awarded $827,000 to organizations in Southampton other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Southampton. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

| FY2022 | Pioneer Valley Planning Council nonprofit | Community Compact Efficiency & Regionalization Grant | $3,958 (shared 24 ways) |

COSTS AND THE 2½% LIMIT

## State aid covered 19.0% of Southampton's general-fund spending in FY2025, down from 31.2% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **31.2%** | **23.6%** | **19.0%** | **17.4%** |

Southampton's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $1.9 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Southampton's state aid did not keep pace with either price measure: FY2025 aid was 26.9% below its FY2006 aid grown by Boston-area consumer prices and 35.1% below grown by the government price index.**

Gross state aid went from $3.5 million in FY2006 to $3.9 million in FY2025, +13.3% in dollars. Flag: in FY2010, $243,000 of Southampton's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

### FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

Southampton runs its own district for some grades and belongs to Hampshire for others; Southampton accounts for 56% of that district's foundation budget.

## SCHOOL BUILDINGS

### No school building grant was approved for a school serving Southampton, FY2017 to August 2026.

## ROADS, BRIDGES AND DAMS

### Southampton has $1.4 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Southampton came on average 33 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY TO OTHERS IN SOUTHBOROUGH

## State programs also awarded $200,000 to organizations in Southborough other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Southborough. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Southborough came on average 60 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

STATE MONEY, FY2017–FY2026

## Southbridge's town government and school districts received $392 million in formula aid and $17.8 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$392M** | **$17.8M** | **$411,000** |
| $21,891 per resident (19th of 351) · gross | $992 per resident (78th of 351) | $22.92 per resident (185th of 351) |

**Competitive grants to Southbridge were spread across the decade; no year exceeded 20% of the total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $25.2 million, are not shown.

EARMARKS

## Southbridge received $554,000 in local earmarks to its government, $604,000 placed in the city or town and $604,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|

STATE MONEY TO OTHERS IN SOUTHBRIDGE

## State programs also awarded $246,000 to organizations in Southbridge other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Southbridge. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

A further $800 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 51.8% of Southbridge's general-fund spending in FY2025, down from 52.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **52.6%** | **46.4%** | **51.8%** | **45.9%** |
| $19.8M of $37.5M · median town 14.1% | $23.2M of $49.9M · median town 12.2% | $37.3M of $72M · median town 11.5% | FY2010: 44.5% · median town 10.0% |

Southbridge's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $3.2 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Southbridge's state aid kept pace with both price measures: FY2025 aid was 21.8% above its FY2006 aid grown by Boston-area consumer prices and 8.3% above grown by the government price index.**

Gross state aid went from $19.8 million in FY2006 to $37.3 million in FY2025, +88.9% in dollars. Flag: in FY2010, $1.2 million of Southbridge's gross aid was in receipts the itemized cherry sheet does not show, consistent with school-building reimbursements that ended by FY2024 (not verified line by line). Part of the change since FY2006 may be that phase-out.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+73.4%** | **+53.8%** | **4 of 9** | **6 of 9** |
| $3M to $5.3M · all towns +54.0% | $7.4M to $11.4M · all towns +53.0% | fixed costs grew faster than allowed levy growth | years it grew faster than allowed levy growth |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Southbridge's health insurance would have been $3.78 million in FY2025; it was $5.25 million, $1.47 million above the path. Its fixed costs would have been $9.23 million in FY2025; it was $11.4 million, $2.14 million above the path.

Flag: health insurance changed by more than 30% in one year in FY2023 (+37%); fixed costs changed by more than 30% in one year in FY2024 (−44%) and FY2025 (+112%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Southbridge's government came to $529,000, 23.8% of the $2.22 million rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Southbridge came on average 61 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

Southbridge owns five high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.

EXPECTED AND ACTUAL

## Southbridge received $18.5 million in earmarks placed in the city or town and competitive grants over ten years, 18% more than the $15.6 million its size, need and institutions predict.

PEERS

## Southbridge ranks 7th of 11 on earmark dollars placed in the city or town per resident among itself and its ten nearest peers.

Of the $604,000 in earmarks placed in Southbridge, $50,000 (8%) went to organizations rather than to Southbridge's government.

## FAIRNESS INDEX

### Southwick scores 56 on the Fairness Index for all state aid and 72 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**56** / 100

72nd of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 56 | 60 | 58 | 51 |

Rank under other weightings: 55th to 96th.

Weighting-dependent: the range crosses the 45–55 band

Southwick received more than its share of state aid on all four measures; its blended score of 56 stays between 54 and 58 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

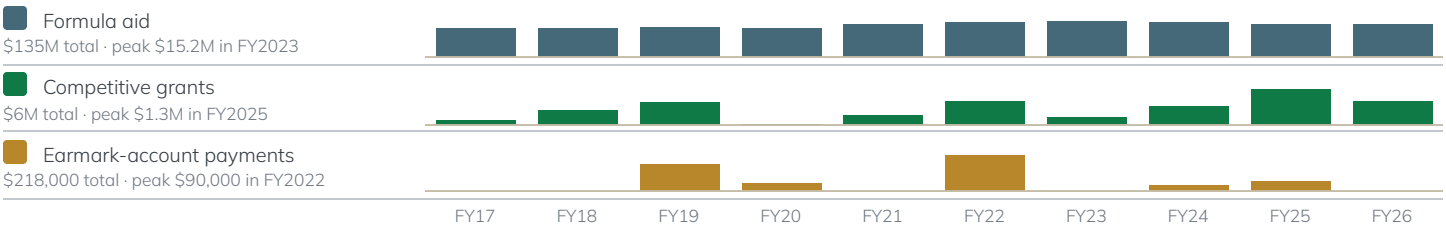
**72** / 100

108th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 72 | 75 | 74 | 67 |

Rank under other weightings: 101st to 115th.

Stable high: above 55 under every weighting



Southwick received more than its share of discretionary money on all four measures; its blended score of 72 stays between 70 and 74 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Southwick's town government and school districts received $135 million in formula aid and $6 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$135M** | **$6M** | **$218,000** |
| $14,645 per resident (79th of 351) · gross | $652 per resident (117th of 351) | $23.61 per resident (181st of 351) |

**Competitive grants to Southwick peaked in FY2025 at $1.3 million, 22% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $3.9 million, are not shown.

## EARMARKS

### Southwick received $478,000 in local earmarks to its government, $528,000 placed in the city or town and $528,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$478,000** | **$528,000** | **$528,000** | **No** |

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state's cherry sheet sends Southwick $2.1 million and takes back $37,000 in assessments and charges, a net $2.1 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |
|---|---|---|

STATE MONEY TO OTHERS IN SOUTHWICK

## State programs also awarded $50,000 to organizations in Southwick other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Southwick. They are listed for completeness. They are not counted in the town's state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

A further $50,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 6.0% of Southwick's general-fund spending in FY2025, down from 8.6% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **8.6%** | **6.5%** | **6.0%** | **5.9%** |
| $1.2M of $14.3M · median town 14.1% | $1.3M of $20.4M · median town 12.2% | $1.7M of $29.2M · median town 11.5% | FY2010: 7.1% · median town 10.0% |

Southwick's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $8.8 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Southwick's state aid did not keep pace with either price measure: FY2025 aid was 8.4% below its FY2006 aid grown by Boston-area consumer prices and 18.6% below grown by the government price index.**

Gross state aid went from $1.2 million in FY2006 to $1.7 million in FY2025, +42.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+66.0%** | **+71.2%** | **5 of 9** | **6 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Southwick's health insurance would have been $576,000 in FY2025; it was $766,000, $190,000 above the path. Its fixed costs would have been $2.30 million in FY2025; it was $3.16 million, $854,000 above the path.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Southwick's government came to $478,000, 157.1% of the $304,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

|---|---|---|---|
| To the city or town government | $478,000 | 157.1% | 13.0% |
| Placed in the city or town | $528,000 | 173.5% | 41.2% |
| Everything placed | $528,000 | 173.5% | 45.2% |

SCHOOLS

## Southwick's required school contribution is 2.4% of median household income, 262nd highest of 351.

| Chapter 70 aid, FY2026 | Required local contribution |

| **Share of household income** | **Real aid per pupil, FY2017–26** |
| **2.4%** | **−2%** |
| 262nd of 351 (1 = highest) | after inflation |

Southwick has no school district of its own. Its pupils attend Southwick and Southwick Tolland; Southwick accounts for 100% and 87% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

SCHOOL BUILDINGS

## No school building grant was approved for a school serving Southwick, FY2017 to August 2026.

ROADS, BRIDGES AND DAMS

## Southwick has $1.5 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and no high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |
|---|---|---|
| **$5.9M** | **$3.7M** | **$1.5M** |
| $1.3M of it one-time supplements | to 16 October 2026 | annual program: 1.5 years of its yearly money · 134th of 351 |
| **Town-owned bridges** | **High- or significant-hazard dams** | **Bridge, dam and culvert grants, FY2017–FY2026** |
| **14** | **0** | **$2M** |
| none rated poor | of three town-owned dams | bridges $500,000 · dams $0 · culverts $1.5M |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Southwick came on average 26 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

## FAIRNESS INDEX

### Spencer scores 59 on the Fairness Index for all state aid and 73 for discretionary money. Fifty is a fair share.

**ALL STATE AID**

**59** / 100

49th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 59 | 50 | 61 | 66 |

Rank under other weightings: 35th to 73rd.

Stable high: above 55 under every weighting

Spencer received more than its share of state aid on three of four measures; its blended score of 59 stays between 56 and 62 under every weighting tested.

**DISCRETIONARY MONEY ONLY**

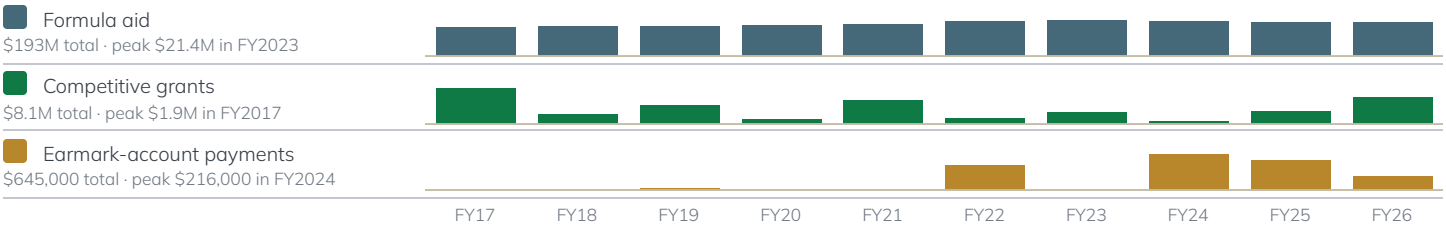
**73** / 100

104th of 351 (1 = most above its share)

| Equal | Need | Burden | Effort |
|---|---|---|---|
| 73 | 65 | 75 | 78 |

Rank under other weightings: 94th to 119th.

Stable high: above 55 under every weighting



Spencer received more than its share of discretionary money on all four measures; its blended score of 73 stays between 70 and 75 under every weighting tested.

## STATE MONEY, FY2017–FY2026

### Spencer's town government and school districts received $193 million in formula aid and $8.1 million in competitive grants over ten years.

| Formula aid | Competitive grants | Earmark-account payments |
|---|---|---|
| **$193M** | **$8.1M** | **$645,000** |
| $16,090 per resident (59th of 351) · gross | $675 per resident (116th of 351) | $53.75 per resident (71st of 351) |

**Competitive grants to Spencer peaked in FY2017 at $1.9 million, 23% of the ten-year total.**

Each class has its own scale. Bars show dollars paid in each fiscal year.

Formula aid is gross; competitive grants and earmark-account payments are as paid. Other classes, $5 million, are not shown.

## EARMARKS

### Spencer received $666,000 in local earmarks to its government, $666,000 placed in the city or town and $716,000 counting everything placed, in ten enacted budgets.

| To the city or town government | Placed in the city or town | Everything placed | No earmarks in ten budgets |
|---|---|---|---|
| **$666,000** | **$666,000** | **$716,000** | **No** |
| $55.46 per resident (66th of 351) | $55.46 per resident (152nd of 351) | $59.63 per resident (146th of 351) | 35 municipalities had none |

Placed in the city or town: nine clauses in six of ten budgets; the most recent in FY2026. All of it went to Spencer's government, its schools or municipal projects.

Clauses that name Spencer but fund a state facility or a MassHealth rate add-on, $50,000, count under everything placed only.

Everything placed, the third measure, adds $50,000 in one clause for state facilities located in Spencer (such as state universities, courts, state parks or the metropolitan beaches) or MassHealth rate add-ons for providers here.

WHAT THE STATE SENDS AND TAKES BACK

## In FY2027 the state’s cherry sheet sends Spencer $3.3 million and takes back $137,000 in assessments and charges, a net $3.2 million.

| Sent: estimated receipts | Taken back: assessments and charges | Net |

STATE MONEY TO OTHERS IN SPENCER

## State programs also awarded $142,000 to organizations in Spencer other than the town government, FY2016–FY2027.

These are competitive grants to nonprofits, tribal nations, regional bodies, state agencies and businesses located in or serving Spencer. They are listed for completeness. They are not counted in the town’s state money or its Fairness Index, because the money does not go to the town government. Where a program has a measure of need for the town, these awards do enter the burden index above; where it has none, they are left out of it. Many of these organizations serve a wider area than the town where they are based.

Awards to named organizations (the town's share where an award names several towns)

| Year | Recipient | Program | Amount |
|---|---|---|---|
| FY2023 | Snowbirds Snowmobile Club nonprofit | MassTrails Grants | $17,000 |
| FY2022 | Worcester County 4-H Center, Inc. regional body | MassTrails Grants | $10,000 |
| FY2025 | Heart of New England BSA nonprofit | MassTrails Grants | $9,490 (shared two ways) |

A further $106,000 in 1 award went to businesses, farms and recipients the source does not name; they are counted here but not named, because a farm or small business often carries a family's name.

COSTS AND THE 2½% LIMIT

## State aid covered 11.8% of Spencer's general-fund spending in FY2025, down from 18.4% in FY2006.

STATE AID AS A SHARE OF GENERAL-FUND SPENDING

| FY2006 | FY2016 | FY2025 | Net of state charges, FY2025 |
|---|---|---|---|
| **18.4%** | **13.5%** | **11.8%** | **11.3%** |
| $2.4M of $13.2M · median town 14.1% | $2.4M of $17.7M · median town 12.2% | $3.2M of $26.8M · median town 11.5% | FY2010: 14.6% · median town 10.0% |

Spencer's own cherry sheet carries no Chapter 70 for pupils in its regional district; the state paid $13.5 million in FY2025 Chapter 70 to the district on its behalf, outside these figures, while the town's assessment to the district sits in its spending. For a regional member the share understates state support for school costs.

**Spencer's state aid did not keep pace with either price measure: FY2025 aid was 16.1% below its FY2006 aid grown by Boston-area consumer prices and 25.5% below grown by the government price index.**

Gross state aid went from $2.4 million in FY2006 to $3.2 million in FY2025, +30.0% in dollars.

FIXED COSTS AGAINST THE 2½% LIMIT, FY2016–FY2025

| Health insurance, FY2016–25 | All fixed costs, FY2016–25 | Years squeezed | Health insurance |
|---|---|---|---|
| **+15.8%** | **+127.9%** | **6 of 9** | **5 of 9** |

Nine years at 2.5% add 24.9%. Grown that way from FY2016, Spencer's health insurance would have been $1.03 million in FY2025; it was $951,000, $75,000 below the path. Its fixed costs would have been $1.46 million in FY2025; it was $2.66 million, $1.20 million above the path.

Flag: fixed costs changed by more than 30% in one year in FY2017 (+56%); health insurance changed by more than 30% in one year in FY2021 (+114%) and FY2022 (–62%). Swings this size usually mark costs moving between budget lines, into or out of trust funds, or into the state's Group Insurance Commission, so the comparison may reflect accounting as well as cost.

LOCAL EARMARKS AGAINST THE HEALTH-INSURANCE INCREASE

Over the nine budgets, earmarks to Spencer's government came to $558,000, 4.3 times the $130,000 rise in its health insurance.

Local earmarks FY2017–FY2025 (enacted, nine budgets) against the FY2016–FY2025 rise in health insurance

Spencer has no school district of its own. Its pupils attend Spencer, Spencer East Brookfield and Southern Worcester; Spencer accounts for 100%, 83% and 10% of their foundation budgets, in that order. Aid and contribution are DESE's attribution to the town. How a region splits its assessment among members is set by its own agreement and is not published statewide.

| FY2022 | David Prouty High School | Spencer East Brookfield | Core | $46.8M | $39M (83%) |

**Cost after approval.** After approval, the Board added money to grants for one project serving Spencer; Spencer's share of the additions, by enrollment where a school is regional, was $6 million, all of it in the FY2024 supplemental grants for cost escalation.

ROADS, BRIDGES AND DAMS

## Spencer has $2.4 million of Chapter 90 road money from FY2017–FY2026 not yet reimbursed; it owns no bridges rated poor and two high- or significant-hazard dams.

| Chapter 90 apportioned, FY2017–FY2027 | Reimbursed against it | Not yet reimbursed, FY2017–FY2026 money |

| **16** | **2** | **$991,000** |
| none rated poor | of three town-owned dams | bridges $991,000 · dams $0 · culverts $0 |

Chapter 90 is the state's main road program. MassDOT apportions it to every city and town by a formula, and the town is reimbursed after it spends the money on approved work. Counting each payment against the town's oldest money first, payments to Spencer came on average 36 months after the start of the year the money was apportioned for. Statewide, $655 million of FY2017–FY2026 apportionments was not yet reimbursed on 16 October 2026; counting the annual program alone, the median town held about 1.2 years of its yearly money. Money not yet reimbursed is not the same as idle money: MassDOT's Chapter 90 Advisory Group found 63% of the unspent balance committed to approved projects not yet billed (January 2025).

**Spencer owns two high- or significant-hazard dams and received no dam award from the Dam and Seawall or Municipal Vulnerability Preparedness programs, FY2017–FY2026.**

Chapter 90 by state fiscal year

| Year | Annual apportionment | One-time supplements | Reimbursed in the year (any year's money) | Year-end balance, FY2017-on money |
